Late Dream B. Louis Richardson,2011-09-26 Twenty years ago, author B. Louis Richardsons life radiated with purpose and direction; he had a simple life and harbored big dreams of becoming a pilot. But his life veered off on another path, and he worked successfully for many years in the retail industry. Recently, Richardson realized he had many unaccomplished dreams and discovered he was not dedicating himself to the plans God has for his life. In this memoir, Richardson narrates his twenty-year journey of discovery and his goal of finding his lifes true purposethe one for which he was created. He tells of his life as a born-again Christian, his dedication to his family, his foray into the entrepreneurial business world, and his quest for self-fulfillment. Through Richardsons journey, Late Dream communicates the positive effects of completely surrendering to the will of God. He bridges the gap between where we roam today and where a true knowledge of God will propel us to stand tomorrow.

Unrepentant Peter Edwards, 2014-04-01 In this explicit first-hand account, a biker who spent 46 years as a member of the Hells Angels and Satan's Choice invites bestselling author Peter Edwards into the story of life lived as we've only imagined it. A kid raised by his father's fists on the wrong side of a blue-collar town, Lorne Campbell grew up watching the local bikers ride past, making him wonder what that kind of freedom and power would feel like. He soon found out. At the age of 17, he became the youngest-ever member of the Satan's Choice Motorcycle Club and spent the next 5 decades living a life for which he does not ask forgiveness, only that his story finally be told, and that his family finally understand what drove him to live the way he did. With moments of terror and humour, great sadness and the simple pleasures of camaraderie and the open road, Unrepentant is a book like none other.

Within Our Gates Alan Gevinson, 1997 [These volumes] are endlessly absorbing as an excursion into cultural history and national memory.--Arthur Schlesinger, Jr.

Bound by Numbers Angela Lutz, 2012-04 A TRUE ACCOUNT OUTLINING THE DANGERS OF DISORDERLY EATING, DETAILING HOW TO UNCOVER AND OVERCOME THE ROOT CAUSES OF food, body, AND self-image ISSUES. Our society is obsessed with numbers. We are compelled to search for success based on an arbitrary quantity of fat grams and carbohydrates. We are convinced that victory is hidden just beyond our reach in the number of reps we complete or the size stamped on the waistband of our jeans. So, we buy the hype, join another program, and begin again. Unfortunately, in no time we find ourselves at the losing end of another battle for self-control. We carry around the disappointment, and it glares back every time we glance in the mirror. Our failures mock our clothing preferences, complicate our food choices, and interfere with our relationships. We would try again, but looking at our past littered with dangerous diet pills and extreme food plans, unused exercise equipment and discarded gym memberships, we are convinced there is no point. If the past is any indication, success even if it is achievable will be short-lived and meaningless. Why bother? The truth is that success is not bound to a number. Disorderly eating and a poor self-image are not things that can be remedied with a product off the shelf. Our issues are more than skin deep when toxic situations from the past dictate current behaviors. Freedom from numbers can only be found by uncovering and overcoming the root issues that drive beliefs regarding food and body image. Bound by Numbers is a thoughtful approach to healthy living that begins by addressing internal issues first. Based on extensive research and real life examples, you'll learn how to jump off the treadmill of harmful ideas and jump into a brand new life free from the past. This will be the last time you'll ever have to start all over again.

The Encyclopedia of Hollywood Film Actors Barry Monush, 2003-04-01 For decades, Screen World has been the film professional's, as well as the film buff's, favorite and indispensable annual screen resource, full of all the necessary statistics and facts. Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover's library. In the first of two volumes, this book chronicles the careers of every significant film actor, from the earliest silent screen stars - Chaplin, Pickford, Fairbanks - to the mid-1960s, when the old studio and star systems came crashing down. Each listing includes: a brief biography, photos from the famed Screen World archives, with many rare shots; vital statistics; a comprehensive filmography; and an informed, entertaining assessment of each actor's contributions - good or bad! In addition to every major player, Monush includes the legions of unjustly neglected troupers of yesteryear. The result is a rarity: an invaluable reference tool that's as much fun to read as a scandal sheet. It pulsates with all the scandal, glamour, oddity and glory that was the lifeblood of its subjects. Contains over 1 000 photos!
