

The Lady Of Shalott Poem Analysis

F Rizvi

Where did Shakespeare get 'milk of human kindness' from? Jul 13, 2019 · Even when Lady Macbeth says: "And take my milk for gall", that would definitely support the literal humorism theory, but I still don't understand how we get from milk to blood (too much of the blood humor supposedly being the problem). Origin of "milady" - English Language & Usage Stack Exchange Sep 22, 2011 · Yes, milady comes from "my lady". Milady (from my lady) is an English term of address to a noble woman. It is the female form of milord. And here's some background on milord: In the nineteenth century, milord (also milor) (pronounced "mee-lor") was well-known as a word which continental Europeans (especially French) whose jobs often brought them into contact ... **Why is "bloody" considered offensive in the UK but not in the US?** Jul 22, 2022 · I don't think it's obscene so much as profane. By one theory, "Bloody" in this context is a contraction for "by our lady", essentially swearing by the Virgin Mary (Bloody in Wikipedia). Other similar oaths include "blimey" (God blind me) and "gadzooks" (by God's hooks (hands)). As to why "Bloody" is considered obscene/profane in the UK more than in the US, I ... *meaning - Can you still call a woman "handsome"?* - *English ...* A kind of delicate way to say "that woman looks like a man!" In this movie, Lady Penbroke really couldn't be described as such; even with the getup and everything, she looked "classically beautiful." First time I've fallen in love with a woman in a poofy wig. single word requests - Is there an opposite gender for "lady ... Jul 19, 2023 · I have been wondering about this little problem for a while now. Everyone understands that, in the binary, the opposite of 'man' is 'woman', and the opposite of 'gentleman' is, namely, 'gentlewoman'. *What is the origin of the term "toots" to refer to a woman?* When speaking to my female friends (who know me well enough to not take offense), I frequently use the term toots to refer to them. These are friends who know that I'm using it ironically as part ... **How to address a formal letter to a group of women** Jun 14, 2017 · How do you address a formal letter to a group of women - i.e. the equivalent of Dear Sirs, for women? *grammaticality - Lady's Ladies' or ladies - English Language* Feb 22, 2019 · The plural possessive is "ladies'." "Lady" is singular, so if you were referring solely to one woman's shoes, it would be "the lady's shoes." As for your second question, I'm assuming you're referring to a group of women in your salutation of them, so it would be "Good morning, ladies." And as you're addressing them directly, the comma preceding "ladies" is necessary. **What is the origin of the saying, "faint heart never won fair lady"?** Having heard the phrase, "faint heart never won fair lady" for the third time in very short span, I'm determined to find out its origin. Unfortunately, when I Google, I'm getting a bunch of low-q... What do you call the male

equivalent to Cougar (woman)? Jul 3, 2024 · What is the male equivalent to the term "cougar"? Clarifying ... The term "cougar" describes an older woman seeking younger men. So a male equivalent would be an older man seek...
