A Fallen Redemption Vince Seim, 2016-07-10 Book II of the Heaven, Hell, & Humanity Trilogy As angels descend from the High Heavens and the demonic armies of Hell rise from the depths, Humanity balances on the precipice of extinction. The war of immortals has returned.

The Armor of Light Charles A. Ness, 2018-04-04 Christians are under spiritual attack yet many are unaware that there is a powerful weapon of protection. Satan is on the prowl looking for those he can devour and Christians who do not have on the proper armor are an easy target for these attacks. In *The Armor of Light*, author Charles A. Ness shows fellow Christians how to protect themselves and their families by putting on the armor of light. Romans 13:12 instructs us to put on the armor of light; that is a covering of light imparted by the glorious presence of the Lord, acting as a shield of protection that is put on through prayer. You can experience a new level of spiritual protection and victory over evil when wrapped in God's glorious light. Charles Ness has done the Anabaptist nation as well as the body of Christ a great service in writing that which the Lord has revealed to him about the armor of light! His biblical grounding and revelation of the armor of light will not only benefit and help many, but will bring breakthrough for all those who apply it in their lives. I found Charles' clear articulation, thoughtful exposition, and practical examples to be deeply valuable and insightful. May God continue to unfold his kingdom reign on earth as it is in heaven as we put on and walk in the armor of light. Noel Santiago, LEADership minister, Franconia Mennonite Conference It is obvious God Anointed you for this moment-in-time to share with us this high level message that is so applicable for mature Christians. Had I understood this message more fully in years past, I could have spared myself much trouble and heartaches. Ben Girod, Bishop, Amish Church

The Prince of Darkness Jeffrey Burton Russell, 2016-03-10 The Devil, Satan, Lucifer, Mephistopheles - throughout history the Prince of Darkness, the Western world's most powerful symbol of evil, has taken many names and shapes. Jeffrey Burton Russell here chronicles the remarkable story of the Devil from antiquity to the present. While recounting how past generations have personified evil, he deepens our understanding of the ways in which people have dealt with the enduring problem of radical evil. After a compelling essay on the nature of evil, Russell uncovers the origins of the concept of the Devil in various early cultures and then traces its evolution in Western thought from the time of the ancient Hebrews through the

first centuries of the Christian era. Next he turns to the medieval view of the Devil, focusing on images found in folklore, scholastic thought, art, literature, mysticism, and witchcraft. Finally, he follows the Devil into our own era, where he draws on examples from theology, philosophy, art, literature, and popular culture to describe the great changes in this traditional notion of evil brought about by the intellectual and cultural developments of modern times. Is the Devil an outmoded superstition, as most educated people today believe? Or do the horrors of the twentieth century and the specter of nuclear war make all too clear the continuing need for some vital symbol of radical evil? A single-volume distillation of Russell's epic tetralogy on the nature and personification of evil from ancient times to the present (published by Cornell University Press between 1977 and 1986), *The Prince of Darkness* invites readers to confront these and other critical questions as they explore the past faces of that figure who has been called the second most famous personage in Christianity.

The Balance Morgan Shores, 2014-01-10 An epic spiritual journey of free-will! Set in modern day Galveston, Texas; two strangers Lilith Nolan and Sophia Moore each shockingly discover they are the lineage of ancient twin goddesses. The Time Keepers of their families have written that the Goddess of Light and the Goddess of Shadows will incarnate somewhere down the lineage when the balance of Gaia is threatened. One must save her sister; the other must choose a side! As they are awakened to battle the Lord of the Demons for The Balance of light and dark!

Lord of Light Roger Zelazny, 2004-05-11 Earth is long since dead. On a colony planet, a band of men has gained control of technology, made themselves immortal, and now rules their world as the gods of the Hindu pantheon. Only one dares oppose them: he who was once Siddhartha and is now Mahasamatman. Binder of Demons. Lord of Light.

The Lords of Midnight Drew Wagar, 2025-03-03 Based on Mike Singleton's epic 1984 ZX Spectrum game, this is a full-length Tolkienesque novel written by best-selling science-fiction and fantasy author, Drew Wagar. Set in Mike Singleton's epic realm of Midnight, this story brings to life the desperate struggle of the Free and the Fey against the evil Witchking, Doomdark. "It is clearly written by someone who has actually played the game extensively and who understands the characters and their motivations. Within the events of the novel most readers will probably recognize various tactics and stratagems that they themselves have employed. The author also manages to successfully dovetail the two different ways to complete the game, the roleplaying quest and the militaristic wargame campaign. A masterful novelization." You don't have to be a fan of the original game *Lords of Midnight* to appreciate and enjoy this book. Considering the scale and scope of the original game (an entire land, locked in ice, with dozens of castles and cities, inhabited forests, all being fought over in almost real-time by multiple armies of a malevolent overload in true Tolkien fashion, it's a minor miracle that the book is only

550-or-so pages! I devoured this book, which brings to life the characters, landscape and lore of Midnight perfectly. Author Drew Wagar sets out an excellent storyline and plot, which is a key challenge in itself given the “open world” nature of the game. Wagar’s story also brings to life the legendary characters of Midnight in a compelling and convincing manner. This is a key storytelling challenge as the leading characters (Luxor, Morkin, Rorthron and Doomdark) have very close equivalents in Tolkien’s masterpiece, *The Lord of the Rings*.” *The Lords of Midnight* The land of Midnight was cursed into eternal winter many thousands of moons ago. The survivors battle hardship, famine and war; even beating back Doomdark, the Witchking, in a battle that lives on in legend. But now, at the Winter Solstice, neither the Lords of Midnight or the Fey of the Forest can resist his greatest weapon, the ice-fear. Their only hope rests in ancient lore, the myth of a long lost house and the legend of the Moonprince.

Seasons of the Heart Donna Kelderman, 2013-10-21 A queen, an educator, a missionary, a pastor’s wife. Some of them single, some married, some widowed, some mothers. All of them, like women today, knew the joys and heartaches of life. But the bond that drew this generation of women together—and connects them to women today—was their heart for God and devotion to Christ.
