When Crickets Cry Charles Martin, 2006-04-02 Nearly 500,000 copies sold! | A Southern Living Book of the Month Selection From New York Times bestselling author Charles Martin comes the moving story of a heart surgeon who's hiding his own heart, a little girl whose heart won't last much longer, and a shared journey toward healing for both of them--for fans looks for the emotional depth of Fredrik Backman and the Southern atmosphere of Delia Owens. It begins on the shaded town square in a sleepy Southern town. A spirited seven-year-old has a brisk business at her lemonade stand. But the little girl's pretty yellow dress can't quite hide the ugly scar on her chest. Her latest customer, a bearded stranger, drains his cup and heads to his car, his mind on a boat he's restoring at a nearby lake. The stranger understands more about the scar than he wants to admit. And the beat-up bread truck careening around the corner with its radio blaring is about to change the trajectory of both their lives. Before it's over, they'll both know there are painful reasons why crickets cry . . . and that miracles lurk around unexpected corners. With its beautiful, lyrical writing, engaging characters who stick with you, and a storyline that will touch your own heart, it's no wonder why so many readers adore *When Crickets Cry*. If you read any book this year, this is the one. --Coffee Time Romance Charming characters and twists that keep the pages turning. --Southern Living

*20th Century Plays in Synopsis*, 1966

The Theatre of Tom Stoppard Anthony Jenkins, 1989-04-20 Despite their box-office success, Tom Stoppard's plays have sometimes aroused academic hostility, his critics accusing Stoppard of cold intellectualism or frivolous showmanship. The purpose of this study is to examine the special problem of Stoppard's use of humor and games in conveying serious ideas. As an actor and director, Anthony Jenkins is concerned not just with the literary merit of Stoppard's plays, but also with the way they are written and shaped by the formal conventions particular to the media of stage, radio, and television. This book studies the stage space of each play as well as the actor's pauses and inner emotions. As a lecturer on drama, Jenkins follows Stoppard's career chronologically so that the radio and television plays are woven in with, and support various claims concerning, the major stage works. Unlike similar critical analyses of Stoppard's theater, this volume discusses all the latest plays, including *The Real Thing*, *The Dog It Was That Died*, and *Squaring the Circle*.

Noh Drama and The Tale of the Genji Janet Goff, 2014-07-14 The Japanese noh theater has enjoyed a rich, continuous

history dating back to the Muromachi period (1336-1573), when virtually the entire repertoire was written. Some of the finest plays were inspired by the eleventh-century masterpiece of court literature, *The Tale of Genji*. In this detailed study of fifteen *noh* plays based upon the *Genji*, Janet Goff looks at how the novel was understood and appreciated by Muromachi audiences. A work steeped in the court poetry, or *waka*, tradition, the *Genji* in turn provided a source of inspiration and allusion for later poets, who produced a variety of handbooks and digests on the work as an aid in composing poetry. Drawing on such sources from the Muromachi period, Goff shows how playwrights reflected contemporary attitudes toward the *Genji*, even as they transformed its material to suit the demands of the *noh* as a theatrical form. This book includes annotated translations of the plays, many of them appearing in English for the first time. The translations are preceded by essays covering the history of each play and its use of *Genji* material. Originally published in 1991.
