The Ice Ryan Cahill,2023-09-23 In Epheria, you are the predators. Here, you are the prey. Almost four hundred years have passed since the fall of The Order. Four hundred years since the empire rose. Four hundred years since the last dragon egg hatched. In the icy wasteland of Valacia, Aeson Virandr searches for the one thing that could turn the tide of war: hope. But there is a reason no soul has ever returned from Valacia. Hope comes at a cost, one that can only be paid in blood. *Note: this is a companion novella to The Bound and The Broken series, not a standalone novella. Previous books in the series should be read first.*

Broken Angel Cynthia Eden,2016-12-13

The Exile Ryan Cahill,2022-05-31 Do not hesitate. Do not contemplate mercy. The Lorian Empire took everything from Dayne. His family. His home. His people. He will carve a bloody path through Epheria. He will have his vengeance, by blade and by blood. This is his story. The story of The Exile. Each part of The Exile is set at a different point in Dayne's life before his appearance in Of Darkness and Light, each exploring pivotal moments that crafted who he is. Dayne's exploits pre ODAL could take up an entire trilogy in and of themselves, but by making this a novella I am able to explore the truly big moments for him, providing you with some extra lore, without eating into the time of the main series. *Note: this is a companion novella, not a standalone novella. Previous books in the series should be read first.*

Broken A.E. Rought,2013-01-08 A string of suspicious deaths near a small Michigan town ends with a fall that claims the life of Emma Gentry's boyfriend, Daniel. Emma is broken, a hollow shell mechanically moving through her days. She and Daniel had been made for each other, complete only when they were together. Now she restlessly wanders the town in the late Fall gloom, haunting the cemetery and its white-marbled tombs, feeling Daniel everywhere, his spectre in the moonlight and the fog. When she encounters newcomer Alex Franks, only son of a renowned widowed surgeon, she's intrigued despite herself. He's an enigma, melting into shadows, preferring to keep to himself. But he is as drawn to her as she is to him. He is strangely...familiar. From the way he knows how to open her locker when it sticks, to the nickname she shared only with Daniel, even his hazel eyes with brown flecks are just like Daniel's. The closer they become, though, the more something inside her screams there's something very wrong with Alex Franks. From the Trade Paperback edition.

Broken Road Piper Davenport, Jack Davenport, Life on the road is hard, love on the road is even harder... Lucy Haddon is rock royalty. She's the daughter of one of the biggest rock stars on the planet and is now in charge of her father's empire, including planning the most anticipated reunion in rock history. She's no stranger to the dangers of touring life, but has always managed to stay out of trouble by following her own set of rules. Her biggest rule... no dating musicians...even when it comes to her teenage fantasy. Bad boy drummer "Bam" Nelson's band has just been offered the opportunity of a lifetime... the last thing he should be thinking about is women. The meteoric rise of his band and the crash landing of his last relationship has left him burned out and closed off, but when a red-headed rock princess walks into his life, he realizes she could be the one to finally heal the wounds of his past. He just has to convince her to break her own rule.

A Look Into My Broken Mind Auron Stone,2021-02-22 This book describes how I felt as a young man growing up, going through my struggles of trying to find myself spiritually and mentally. Learning the struggles of being a good man isn't always as easy as one would think. From self-doubt to heartbreak and loss of family. This book is a representation of those struggles from being a young teenager to a near middle-aged man. Learning that there are lessons to learn and to be taught on a daily basis, from losing my father and a friend I will always call brother, to becoming a single father, all the while showing my children how much they mean to me. This is the expression of my pain and how I have created my Monster—that "thing" that fuels me, that helps me handle my anger, fear, depression. This is my voice, my cry for help, and my salvation.

The Legend of Broken Caleb Carr,2013-07-09 “A sprawling fantasy saga . . . Caleb Carr boldly goes where he’s never gone before.”—USA Today Legend meets history in this mesmerizing novel from #1 New York Times bestselling author Caleb Carr. Demonstrating the rich storytelling, skillful plotting, and depth of research he showcased in *The Alienist*, Carr has written a wildly imaginative, genre-bending saga that redefines the boundaries of literature. Some years ago, a remarkable manuscript long rumored to exist was discovered: *The Legend of Broken*. It tells of a prosperous fortress city where order reigns at the point of a sword—even as scheming factions secretly vie for control of the surrounding kingdom. Meanwhile, outside the city’s granite walls, an industrious tribe of exiles known as the Bane forages for sustenance in the wilds of Davon Wood. At every turn, the lives of Broken’s defenders and its would-be destroyers intertwine: Sixt Arnem, the widely respected and honorable head of the kingdom’s powerful army, grapples with his conscience and newfound responsibilities amid rumors of impending war. Lord Baster-kin, master of the Merchants’ Council, struggles to maintain the magnificence of his kingdom even as he pursues vainglorious dreams of power. And Keera, a gifted female tracker of the Bane tribe, embarks on a perilous journey to save her people, enlisting the aid of the notorious and brilliant philosopher Caliphestros. Together, they hope to exact a ruinous revenge on Broken, ushering in a day of reckoning when the mighty walls will be breached forever in a triumph of science over superstition. Breathtakingly profound and compulsively readable, Caleb Carr’s long-awaited new book is an action-packed, multicharacter epic of a medieval clash of cultures—in which new gods collide with old, science defies all expectation, and virtue comes in many guises. Brimming with adventure and narrative invention, *The Legend of Broken* is an exhilarating and enthralling masterwork. Praise for *The Legend of Broken* “An excellent and old-fashioned entertainment . . . The Legend of Broken seamlessly blends epic adventure with serious research and asks questions that men and women grappled with in the Dark Ages and still do today.”—The Washington Post “[A] colossal effort . . . a fantasy epic . . . meant as an allegory, a cautionary tale for our precarious times. To make his points, Carr has summoned a dream team of soldiers, wizards, and tiny forest folk.”—The New York Times Book Review “Carr keeps the action hurtling along with a steady diet of gruesome murders and political betrayals. And he clearly wants modern readers to see something of their own world in the political corruption and greed that ultimately doom Broken.”—The Boston Globe
