**Brightspace and cheating : r/CarletonU - Reddit** Dec 17, 2021 · A lot of people in class discords are going on about Brightspace logging when you switch tabs. I know that it is technically possible to see when this happens, but do they actually log it? From a brief search on the googs, I can't find anything supporting this. Has anyone actually been caught cheating in this way? **Turnitin : r/SNHU - Reddit** Sep 3, 2023 · When you submit your assignment in Brightspace it automatically gets run through TurnItIn. You don't need to do anything extra. After a little bit of time, a % score will populate and you will be able to see what things flagged toward your %. Can they actually do this? Or is this just a scare tactic? : r/msu Apr 26, 2020 · It does seem a bit draconian, and perhaps a privacy issue (if D2L actually provides that information, I do not know). On the other hand, what do you have to lose by following the instructions? Just take the exam as instructed without opening other windows. It couldn't possibly be worth the risk of getting a zero to have another tab open to browse reddit while taking your ... Thoughts and Impressions of D2L LMS? : r/Professors - Reddit I have significant experience using and supporting D2L (often branded as Brightspace) as both an adjunct instructor and as an instructional designer. I also have a fair bit of experience with Canvas, a small bit of experience with Moodle, but only a passing familiarity with Blackboard, other than hearing that most instructors dislike it. **Does d2l show profs when you switch tabs? : r/msu - Reddit** Jan 11, 2023 · Course admin here...No, Unless this is some new feature I haven't figured out. We can get a quiz report that shows all activity on each question with time stamps (like you picked A at 5:55:26 then B at 5:56:22 and finally settled on A at 5:58:56) but not what you are doing in your browser. We can see if you are accessing course materials during the quizzes (like if you ... **Video assignment says "pending evaluation" : r/SNHU - Reddit** Mar 2, 2024 · Pending evaluation just means your instructor needs to grade it. Just make sure you pay attention to what the rubric says. I've had Bongo assignments that have required uploads straight to Brightspace and bongo assignments that have required additional documentation uploaded through Bongo. All the help information for Bongo seems to be using an outdated ... **Thoughts on Brightspace after almost a year? : r/Purdue - Reddit** Apr 24, 2021 · Brightspace is a bit more difficult to pick up and use, and is highly dependent on the instruction staff configuring it properly, but if both of those things are satisfied then Brightspace is much more useful than Blackboard ever could be. **What can profs see you do on Brightspaces? : r/uvic - Reddit** Dec 5, 2020 · In my experience all I can see is what you do on brightspace itself. How long you're on specific materials, what course

materials you open etc. it seems to be just local to our course site. I haven't explored fully though because I don't really care what my students are doing in ... **I can't find my comments ANYWHERE for my last discussion** Mar 1, 2023 · In Brightspace, select your class, then click your profile icon on the top right corner. Select "Progress" and then under Discussions choose "Posts Authored". It will show you every discussion post and reply you've written for that class. need to choose between D2L and Canvas. : r/instructionaldesign Jan 12, 2022 · I've got five years of experience working with D2L/Brightspace, and two years of experience with Canvas. I would say that overall Canvas is more user-friendly, but it sacrifices some amount of flexibility and customization because of that friendliness.
