Sayings of the Urban Fathers & Mothers James Ashdown CJN,2023-02-13 Fairacres Publications 198 I wrote these stories when I was living in Hackney, East London. Life was quite hard. My health was poor, I was re-evaluating my career and I was beginning to recognize that I needed to leave London which had been my home for twenty years. It was a place I had grown to love: its estates, its religions, its shabby backstreets, its people from all over the world. Then I discovered the 'old men', the Egyptian Desert Fathers and Mothers of the fourth and fifth centuries. They entranced me. So every day before starting work I would translate one of their sayings into the context I knew: the urban wilderness that is Babylondon (a Rastafarian term for London). Reading these reworkings again after ten years I found they made me cry and realized they were a love letter to the London I knew, and a hymn of gratitude to the 'old men' who saved my life.

The Ringo Starr Encyclopedia Bill Harry,2012-12-31 Ringo Starr was the genuine working-class member of the Beatles. Born into poverty in a tiny house in Liverpool's Dingle area, deserted by his father, he suffered years of illness which seriously affected his schoolwork. Despite having all the odds against him, he became one of the most famous people on the planet. The Ringo Starr Encyclopedia completes the Virgin series on the individual Beatles and in the most comprehensive book about Ringo Starr ever written.

Vision Quest Peter James Ford,2023-12-13 “VISION QUEST” is a book recording the continual soul expansion of the seeker, Peter James Ford. Peter’s journey began after a powerful spiritual experience in the little historic seaport in Newburyport, Massachusetts. In Peter’s late night meditations which were along the Merrimac River, the boardwalk, the Salisbury Reservation on the Atlantic Ocean, Plum Island, Maudsley Estate State Park, Pow Wow Hill (Native American Burial Grounds) and Old Hill Burial Grounds he was having vivid explosions in his mind of ‘seemingly’ past life experiences and powerful insights. Peter began seeing the hidden secrets of this quaint little seaport that people never take the time to see. Peter’s intuition and senses increased in an almost scary powerful way giving Peter wisdom from unseen sources. The source may be the Akashic Records/Library that is not a physical library but a place in the ethers that contains all the wisdom and knowledge ever known to anyone over the eons. We can access this power through ancient spiritual practices and apparently Peter has done just that. Stories and Tales began flowing from Peter and he wrote his first book. In the last three years Peter has written eight more books and shares everything he has found from his journeys to the inner worlds. Peter wrote a seven-book series under the title “MYSTICISM IN NEWBURYPORT” with an eighth bonus/companion book called “MYSTIC”. Now you are holding his new writings in your hands. Peter laughingly calls himself “An Unlikely Messenger” as his younger years were nothing resembling anything spiritual. So, here is the story of just another seeker realizing his divinity and returning to his own heart...

From Mayor to Fool Tim Mayeur,2009-04 From Mayor to Fool is a series of transcribed conversations that took place in Spring 2008, between the Author (Tim Mayeur), his parents, his close friends, two Tarot Card Readers, a Psychic Medium and a Hypnotherapist. It is a journey where you get to follow the Author as he transforms and comes to terms with his life,

the loss of his sister, struggles with what it means to be a Middle Class Man and evaluates his life in order to improve it. There were no rehearsals and the Psychics were not given any information about Tim's life prior to the meetings. Tim met them for the first time for these sessions. This is what happens when a nihilistic and skeptical man has a spiritual awakening. As a true story about the factors in one's life, it can be overwhelming, looking at all the possibilities and probabilities but in the end, people need to trust their own intuitions and judgment of where they want to go in life. Change involves stress and risk. Are you ready for a Change? Page Count: 288

The Arm of God Jon Bowles,2025-06-02 The Arm of God (Forward) Our Flesh always looks for a peace that comes from this world rather than a peace that comes for Heaven. I hope I learn to rest in the peace that comes from knowing were I am going, rather than were I am. Gods peace doesn't come from us planning our lives out, it comes from us trusting Him with every moment of our lives. When we walk in the ways of God (His Commandments), and allow those commandments to be played out in our lives, we move from the place of just having the knowledge of God into becoming a living Image of Gods attributes to the world. Which is where the phrase comes: Don't just talk the talk, but walk the walk. Jesus, was and is, the visible Arm of God (Love). The Cross that He died on is a symbol of His strength revealed to men, and the reality of what the Son of God spoke to man. It is in His Love that we find our strength. A strength that we can all hold onto, a strength that can't be matched or destroyed. It is simple Truth. I am the way, the truth, and the life. When we walk in that truth, we are walking in His Strength.

Sayings and Anecdotes Diogenes, 2012-05-10 A unique edition of the sayings of Diogenes, whose biting wit and eccentricity inspired the anecdotes that express his Cynic philosophy. Graceful Simplicity Jerome M. Segal, 2003-04-30 Graceful Simplicity is a marvelously textured analysis of the elusive ideal of simple living. For those eager to find a way to get off the 'more is better' treadmill, Jerome Segal offers insight and hope.... A must read.—David Shi, author of The Simple Life Segal articulates a message that is both revolutionary and just plain sensible—consume less and take time to enjoy life more. He rescues us from a consumerism gone haywire without advocating

isolationism. In a new and better way we are still our brother's keeper.—Arlie Russell Hochschild, author of *The Time Bind: When Work Becomes Home and Home Becomes Work* Segal wants a political movement to create a functioning public sector, complete with universal health insurance and a sturdy safety net. Numerous and powerful interest groups will fight such reforms with bitter determination. But what could provide a better source of drama and adventure than the struggle to make the simpler life a viable option for all?—Barbara Ehrenreich, *Civilization*
