A Second Chance at Forever Alexis Winter, 2025-06-30 The last time I saw Willow Taylor, I was chased out of town by her brothers with a target on my back and her broken heart in my hands. Fifteen years she's haunted me. Fifteen years I've been tortured by her memory, by images of her every night behind my eyelids. Now she's standing here, in my arms, and I'm holding myself back from claiming her. I swore I'd never come back to this dead-end town. Yet here I am, cleaning up the mess my dad left and trying to right my wrongs. But there's people here who still hate me and want to make sure I know it. I'm not that lost twenty-one year old kid anymore. I'm a man who knows exactly what he wants and I'm only going to warn her once—she's playing with fire. I see the look in her eyes and I want to scare her—to remind her that getting involved with me again will ruin us both. I told myself not to touch her. Not to remind myself the way her soft lips taste. But I'm selfish. I gave in night after night, making promises to her I know I can't keep. But the secrets from my past don't stay hidden for long and once again I'm reminded that guys like me—don't deserve a second chance at forever. Searching for Annabel Chong Gerrie Lim, 2012-05-01 Back in January 1995 in Los Angeles, California, a Singaporean pornstar named Annabel Chong took cultural rebellion to an extreme, on terms that had never been negotiated before. She was filmed having sex with a long receiving line of men, servicing them 251 times over a ten-hour period to set a new world record: *The World's Biggest Gangbang*. Now bestselling author Gerrie Lim, Annabel's longtime friend and confidant, revisits those events and reexamines those scenarios to shed new light on her legend, to discover why such an enduring curiosity about her exists, and to learn why she is still regarded in her own native Singapore as something akin to a mythological figure. As Lim writes, "she did this gangbang as a gender studies/liberal- progressive/feminist statement to subvert gender stereotypes, but no one got it." This book, featuring many of the author's own conversations and correspondences with Annabel over the years, is the first serious inquiry into the fascinating persona of a seldom-discussed, yet often secretly venerated, Asian celebrity.

Always Be My Forever Alexis Winter, 2025-07-11 I should have left that one night we had together in high school, in the past. But when a single kiss turns into her on my doorstep, begging to finish what we started...I give in. I devour her, losing myself in the lie that it will be just this one time. One touch. One kiss. One taste. The trail of my fingertips across her warm skin. My name tumbling from her lips. But I can't have her just once. I need her, crave her. Somewhere between stolen kisses in parking lots and secret rendezvous in my truck...I lost her. I was fourteen when I fell in love with August Belmore. Eighteen the first time our lips touched. Thirty-three when I became the bastard that broke her heart. By the time I realize

what's been in front of me this entire time, it's too late. God Is Bipolar A.M. Star, 2019-10-11 Prologue When we think of polarity, most think of a magnet, or a triple A battery, filled with small traces of radiation or energy. In fact, every star has atomic energy that love created in the Big Bang with that infamous BBBBBOOM!!! When we think of polarity, we begin to unravel diligent truths, from the truest God, much different than what we ever thought. We also begin to think of God much differently than traditionally taught in the bible. Tru Hu Blu, God of unconditional Love, is living truly hidden inside your body. Inside your altar, in your trinity temple, within your soul of unconsciousness, you will find God. Your unconscious mind records everything. You also have almighty power in the holy Spirit, which is your subconscious mind, and your angel of the future. Your spirit of guidance, in the altar ego to guide you home. When we listen to this Almighty sleeping giant, we find success and abundance in all things. Nothing is off limits to you, when you literally know True God, the grand architect of the Universe. The king and queen of all crowns is found. Life for the better begins to change, and everything becomes greater with each new day. When we know the truth, we begin to appreciate life enough to make our lives more fulfilling. Blind faith becomes absolute Faith, and the emptiness we once felt inside, becomes whole. Acceptance of all things good or bad, teaches us the stories, that we all need to grow, and blossom. This happens to anyone who dares to seek the real truth, and accept it when found. The real truth is already programmed inside you. To find it, you must forget everything you think you know with a closed mind, and open your mind to all possibilities. All knowing properties are in there too! When we begin to accept the truth, our purpose for living is found. We begin picking up the holy cross of principles, we find the real example of the royal crown. It is then that we realize, that a real living God is truly found, and you are found in this process. The rewards of abundant success in all things, follows. When you accept the whole truth, when it is found, you will realize that we have all been lied to. But why? There must be a good reason. Everyone deserves a chance, and love deserves the return in favor. With that, the awakening begins, as the truth sets us all free, in the rise of humanity's awakening. Spiritual resurrection will lead to angels on Earth, without the fire and brimstone. Love casts no judgement, just acceptance, and appreciation. As we climb to the top of the pyramid, we learn diligence is very important to find True God. The truth is found with our diligence as we learn the hidden secrets, that lead to

all great human accomplishments. We also learn that man has no power without Hu. When we look back at a not too distant past, we remember cartoons as kids. With the devil on one shoulder and an angel on the other. Do you remember? Thus began the truth in the battle of the ego and the altar ego for control of the unconscious mind, for control of your consciousness. Your body is The vessel. Which one controls you like a robot? The battle of the mind, is the spiritual warfare for your soul. As kids, we probably we never truly understood the hidden light behind it. It was meant for the future, in a sign from a seed planted by True God, set up for this very moment in time. Knowing these secrets, will open your eyes! The spell will be broken, and you will awaken your spirit. The genie is free Aladdin! What will you wish for? The universe of opportunities is suddenly opened up to you! You will awaken to see the True Devil in possession of all the sleepwalkers, roaming the darkness of earth today. We were all once, one of them. Your spirit will resurrect in fulfillment of your unique mission, through True God, with the pact of True Angels. In your private walk on cloud 9 with God. It is then that you are able to understand your one of a kind purpose for life, and understand your personal meaning for living. In that meaning, your desires through purpose is found with the fulfillment of true happiness. This is part of True God's infinite evolutionary process, found by seeking the light, in your unique journey with the spirit, walking in darkness, on the other side of the mirror. Today, most of society is in a trance, they are schlepping like zombies wandering through darkness, convinced they are sheep, with a ten billion dollar computer inside their heads, they aren't even allowed to use, to save themselves. Darkness never leads darkness, the black sheep are lost! Let's count sheep. What will happen when the hypnotic spell of the world is broken? Herein, lies the secret of all human advancement, that will change you life forever. When you learn amazing principles of truth found in your spirit of light, the amazing genie hidden in the lamp is resurrected to serve you well. It's happiness serves you best, it is finally free! Your body is the lamp, and your genie is inside, waiting for your spark. The spark from the dragon preserver, ignites your eternal flame. The truth, will set your genie free! When you learn the principles of spiritual resurrection, in the image of True God's mirror of (E3)reflection, you will become born again. You will become reborn with a death to your old self. More importantly, you will become freed finally! Amen. Suddenly, you'll begin to awake each day with a new vitality you have never known before, your enthusiasm will increase, your vigor will rise, and your desire to know the truth, will overcome every fear you once knew at sunrise. Happiness will be yours, guaranteed. In finding your spirit, you are on your way to becoming a real angel. You will realize the truth, which becomes you, on earth, as you are meant, in Heaven. There's power in the principality of Seven twice. 7-up. Humanity has been lied to about nearly everything including God, from past dictators. But Why? In the Universal law of polarity, we begin the journey of truth, when the words begin to unravel, from the hidden light. Words, have a spirit of light, or a spirit of darkness. Each word ever created, has a meaning behind it, and all meanings are possessed spirits. Therefore, all words have spirits, and all spirits are found withering in darkness like lost sheep, or found like a diamond in the brilliance of true light with Lucy. With the separation of

words into two piles of lightness or darkness, we begin to awaken to the real truth. Categorizing every word into light or darkness, will help the messianic congregation of the Almighty, find True God. Most importantly, you will find yourself. We are the Church of Hidden Light. "We are the world. We are the children." - Michael Jackson. It's time to make the world a better place, let's start sharing knowledge. We are the church of the future. Religion is the reminder of darkness, missing its true light. Carefully dissecting every word of human communication into light or darkness, we begin to find truths about all things, in the only living God that exists. Trust the flame. One True God, tells a completely different story, in the truth about life, and the reason for our existence. The polar bear will always keep you warm. Our love burns deep, while hell is freezing. She's cold as ice, she's willing to sacrifice our love. In our quest, we will finally realize the truth in the battle of religion vs. spirit. Money is not the root of all evil, religion is. Knowledge is a principle of light, found through diligence, and knowledge is the value of money in the modern world. In the future, no nation, or group of men control its power. Compensation returns to God we trust, the infinite power, as the result. The human with the most knowledge in the world, is the human who is the most respected. Money without knowledge is not respected. Empty money always withers away, like a wo/man in an empty suit. In God we trust. Compensation is the universal law leading to spiritual, and physical freedom. It governs karma. Trust Bitcoin. The dragon has better karma than the serpent with no legs. When society finally realizes the dupe of the false past, they will find the real and true messiah in the making, who in spirit who wrote this book, the fire dragon. Our spirits are the light of God, and religion is the spirit of the darkness. Religion is worldly. The world is still in the dark ages, ready for the light in the moment of truth. Are you ready for it? When we understand the laws of the universe, we are able to see the science behind God's universal existence. In the mirror of God's reflection, we also begin to realize tricks from the real adversary. Hell is given to anyone who has given hell the thought of it. Hell only belongs to those who fear it, given it life, through thought. Thoughts are the basis of spirits creating matter in the physical world. The God fearing never see the devil coming, as the wolf dressed in the shepherd's clothing. In Universal Law of Attraction, the science of attracting hell is found. Welcome to karma $101 = 2$. When we acknowledge the real truth, found in the laws of the universe, we begin to realize, that we are born with a spirit, not a religion. Truth is either 100% or it cannot be counted as whole truth, or even truth at all. Any less than 100% is not true by entirety. Truth can be brutal just as love is tougher than any tough guy, and love conquers all, including the tough guy. Your uncorrupted spirit inside your temple, knows when it hears the truth. The light bulb goes off from the genie trying to gain your attention because your spirit knows the truth. Pay attention. Appreciate all the small things, and move slower so you cherish every moment. The truth makes sense, and your spirit is always sensing, it's your key to the universe, that becomes a multiverse of possibilities. The bible has many truths, but it also has many contradictions, when it is not read correctly to see the adversary's fingerprint is also in there as well, causing the contradictions. The devil is in the details. Many make excuses for it as God fearing souls, but True God is not the one to be feared. Have no fear, the

universe is balanced, and you should be too. In the principle of truth, we begin to realize that love truly conquers all, and the truth, doesn't contradict itself. The truth provides huge principles to economic values, which equates to abundant rewards for all. The truth is found inside the wealthy who walk all around us. Most don't notice to appreciate the great leading examples that God leads, in the wealthy. The examples of righteousness are found in the principle actions of wealthy spirits. Fruitions always prove truth about anyone. The truth always makes sense. A famous statement from Judge Judy is, "If it doesn't make sense it isn't true." She is true. Truth is an important principle, that your true spirit recognizes as light. In finding the truth, you will find success in all things, leading to true happiness. God always wants abundance for the faithful. Financial freedom buys happiness. It does not buy people who are true, and money does not buy successful relationships. It surely does not buy True God. In God we trust, we never trust in money. Knowledge is power. It all begins with the diligence of today, so keep reading, a better tomorrow is coming, and help is on the way.
