## John D. Rockefeller

**Titan** Ron Chernow, 2004-03-30 National Book Critics Circle Award Finalist From the acclaimed, award-winning author of *Alexander Hamilton*: here is the essential, endlessly engrossing biography of John D. Rockefeller, Sr.—the Jekyll-and-Hyde of American capitalism. In the course of his nearly 98 years, Rockefeller was known as both a rapacious robber baron, whose Standard Oil Company rode roughshod over an industry, and a philanthropist who donated money lavishly to universities and medical centers. He was the terror of his competitors, the bogeyman of reformers, the delight of caricaturists—and an utter enigma. Drawing on unprecedented access to Rockefeller's private papers, Chernow reconstructs his subjects' troubled origins (his father was a swindler and a bigamist) and his single-minded pursuit of wealth. But he also uncovers the profound religiosity that drove him "to give all I could"; his devotion to his father; and the wry sense of humor that made him the country's most colorful codger. *Titan* is a magnificent biography—balanced, revelatory, elegantly written.

*John D. Rockefeller, Jr.: A Portrait* Raymond B. Fosdick, 2019-07-31 "Mr. Fosdick has written a biography in its formal meaning — fully documented, chronologically precise — and not simply a personal tribute to a friend of more than forty years' standing. The book, in consequence, is both biography and history, satisfying all the rigorous canons of personal and social analysis. It is to be read as part of the history of our time and as the record of a man of as much consequence to us as have been those other leaders and creators among his contemporaries who have affected public conduct. What we have here, then, is the narrative of a rich man who overcame the almost impossible handicaps of great wealth, limited religious upbringing, and a narrow and protective family circle. He might have become defensive and suspicious, or a recluse cultivating private and expensive hobbies, or a popular leader and therefore a demagogue (such patterns of the behavior of men of inherited fortunes are familiar throughout history), but instead he was able to grow and to assume great, national obligations. What might have been a puzzle slowly disappears under Mr. Fosdick's skillful scholarship and his deep regard for his friend. The young Rockefeller (he is called throughout the book 'JDR Jr.'), as early as 1910, when he was 36, severed his direct connections with business: did he do so because of a real or unconscious rejection of his father? Quite the contrary; father and son early forged strong bonds of mutual affection and respect, but while there never was hostility on the part of the son, neither was there subservience. JDR Jr. continued to support the philanthropies founded by the older man, the Rockefeller Institute for Medical Research, the General Education Board, and the Rockefeller Foundation, and to expand

them; did he do this because he, like other men in public life — like Theodore Roosevelt, Woodrow Wilson, Louis D. Brandeis — was inevitably swept up in the ‘reform movement’ of the day? That was only a part, and possibly a minor one, of his development. For as his tastes became surer and his vocation clearer, he ranged wider and wider until his interests were as large as those of his country and his world. As one goes over the catalogue of his benefactions and interests — none ever representing a perfunctory concern, most requiring long years of careful planning with a devotion to exact detail that only the truly outstanding seem to possess — one grasps the sweep and boldness of JDR Jr.’s mind. Williamsburg; the Cloisters; Rockefeller Center; the Museum of Modern Art; the restoration of the Athenian Agora; Rheims, Versailles, Fontainebleau; Negro education; the four International Houses; Jackson Hole and the Jersey Palisades; the Library of the League of Nations at Geneva, and the site of the U.N. at New York; the interdenominational movement; the long battle to achieve industrial understanding in two decades marked by bitter strife between management and labor: this is only a partial list. Mr. Fosdick seeks the key to the Rockefellers in some observations made by Frederick T. Gates, that restless and fascinating man who had such a great influence on the lives of both father and son. In 1905, Gates wrote to the father: ‘Two courses are open to you. One is that you and your children while living should make final disposition of this great fortune in the form of permanent corporate philanthropies for the good of mankind... or at the close of a few lives now in being it must simply pass into the unknown, like some other great fortunes, with unmeasured and perhaps sinister possibilities.’ In 1929, Gates was satisfied, for he put down in a private document these remarks concerning JDR Jr.: ‘I have known no man who entered life more absolutely dominated by his sense of duty, more diligent in the quest of the right path, more eager to follow it at any sacrifice.’” — Louis M. Hacker, *The New York Times* “The central theme of Raymond B. Fosdick’s book is its subject’s career as a philanthropist... This is not an impartial book and was not so intended. Mr. Fosdick is an admiring friend and associate of the man of whom he writes. But if the book is understandably friendly to John D. Rockefeller, Jr., it is also an honest book.” — John D. Hicks, *The Saturday Review*

**John D.** John K. Winkler, 2005-12-01 No Help Wanted signs decorated the doors of Cleveland storekeepers and merchants in early September, 1855, when sixteen-year-old John Rockefeller set out to seek employment for his budding talents. It was a hard year in the West. For days and weeks the youth tramped the streets, grave, self-centered, tenacious in his quest. -from *A Pious Youth Gets a Flying Start* What was the world's first billionaire really like? This highly entertaining work, by an acclaimed business biographer, seeks to explode the shadowy myth of John D. Rockefeller and reveal the rare and astonishing personality behind it. From his humble roots in Ohio, where he learned thrift and industry as the bookkeeper of a dockside warehouse, to the death threats this modern Machiavelli received during the early years of Standard Oil, to his ascendancy to the rank of the most detested man in the country-when churches refused his donations as tainted money-and his subsequent formation of the philanthropic Rockefeller Foundation, this is a knowingly ironic and subtly witty work of

biography. JOHN K. WINKLER is also the author of W.R. Hearst: An American Phenomenon (1928) and Morgan the Magnificent, or The Life of J. Pierpont Morgan (1930).

John D. Rockefeller on Making Money John D. Rockefeller, 2015-03-31 Advice and words of wisdom from the greatest American businessman and philanthropist. John D. Rockefeller is considered to be the wealthiest man to have ever lived, after adjusting for inflation. An American businessman who made his wealth as a cofounder and leading figure of the Standard Oil Company, he also had a pivotal role in creating our modern system of philanthropy. Collected in John D. Rockefeller on Making Money are the words from the man himself, offering advice on how to successfully start and manage a booming business, as well as the most efficient ways to preserve your wealth once you have acquired it. These quotes also cover: Happiness in the face of great wealth Money and its effects Thoughts on facing public criticism Thoughts on big business in the USA Included are John D. Rockefeller's thoughts on the most sage and conscientious manner of distributing and sharing your wealth when your wealth is overflowing. Finally, we get a glimpse into Rockefeller's life with the inclusion of some of his most personal correspondence.

**John D.** David Freeman Hawke, 1980 The first to make use of materials in the Rockefeller Archives, this biography of John D. Rockefeller combines personal and corporate history to examine its subject's reputation, business practices, and personal values and attitudes.

**John D. Rockefeller, Sr.** The History Hour, 2019-04-03 John D. Rockefeller, Sr. Download for FREE on Kindle Unlimited + Free Bonus Inside! Read on your Computer, Mac, Smartphone, Kindle Reader, iPad, or Tablet. John D. Rockefeller, Sr. makes it look easy to become a billionaire when you read this book. But, if you pay attention as you read this book, you will understand that he was still little more than a child when he thrust himself into the adult work world. He was so fast to catch on as to how to make money, and he never wavered in his thoughts on what he was taught as he grew up. His biblical teachings and his mother's never-ending faith in what she taught him about: Make money, make it honestly, and you can give it wisely. He lived by this rule faithfully and never wavered from it. It seemed to hold for his entire life. Inside you'll read about John Davison Rockefeller, Sr. Gets His Start in the World John D. Rockefeller, Sr. Takes A Wife Standard Oil is Born Ludlow Mining Disaster There is Always That One Sibling And much more! You will find some information about the Standard Oil Antitrust Suit against John D. Rockefeller's oil company but will also learn when you look at that over 100 years later, maybe that was only a Myth. Face it, no matter where you turn today, there seem to be monopolies in business, and there are no antitrust suits brought against the dominant companies. It seems to be true that history always repeats itself. If that is so, why are we not drilling our oil and here in the United States and refining it here, so we are not dependent on other nations?

*John D. Rockefeller and the Oil Industry* Lewis K. Parker, 2002-12-15 Did you know that John D. Rockefeller's fortune would be worth about \$189 billion dollars today? Rockefeller found many new uses for oil, bringing it into America's homes.

Rockefeller's inventiveness and business skill made the oil industry what it is today. Rockefeller's determination and innovation made him one of the most successful businessmen in America.

John D. Rockefeller: Golden Rules of Life and Success of the First Official Dollar Billionaire in History Almanac  
History, 2019-03-21 John Davison Rockefeller Free BONUS Inside! John Rockefeller went down in history forever as the first dollar billionaire and the richest man in the world. Many experts call him the richest man in history. Although it took almost a hundred years from that time, still no one is yet to break his record of eternal wealth. In 1917, the wealth of John Rockefeller was estimated to be approximately \$ 1000 000 000, and back then it amounted to 2.5% of the total US GDP. The dollar of that time and the dollar today are two big differences, and his fortune today would be over 200 billion dollars. At the end of his life in 1937, the wealth of Rockefeller rose to 1.4 billion dollars, which now would be equal to 300 billion dollars! As a comparison, Bill Gates, whose name has also been ranked first for a long time among the richest people in the world is only worth 50 billion dollars. Thus, next to Rockefeller did not stand, even such giants of money like Warren Buffett, Bill Gates and others. Therefore, how could an ordinary man, a son of a lumberjack, who started his financial activities, as an accountant be able to create such astronomical condition of wealth? Here Is A Preview Of What You'll Learn... -Family Roots -Father of the Future Billionaire -Young Rockefeller -Career -Creating the Standard Oil Company -The Company Gained Momentum - Rockefeller's Fight -Personal Life -Charity -Rockefeller's Personal Qualities -Health Care -The Rockefellers Today -David Rockefeller -John D. Rockefeller's Achievements Scroll up and click Buy now with 1-Click to download your copy now!(c) 2019 All Rights Reserved !

**John D. Rockefeller** Grace Goulder Izant, 1972 For more than sixty years, Rockefeller called Cleveland home: it was where he married and raised his children, where he launched his business career, where he kept a secluded retreat, and where he was buried.

*John D. Rockefeller, Empire Builder* Ellen Greenman Coffey, 1989 A biography of the industrialist who made a fortune in the oil business and later became a famous philanthropist, establishing the Rockefeller Foundation in 1913.

**John D. Rockefeller** Nathan Anderson, 2021-01-22 Read About the Life & Legacy of America's Most Ruthless & Successful Business Titan & Learn How to Carve Your Own Path to Success Using His Principles - If You Dare! Being one of the richest families in the United States - and possibly even the world - the Rockefeller name has certainly made a significant dent in modern history. But one man in particular is to be the root of all the Rockefellers' power, riches, and influence - John Davison Rockefeller Sr. This is the man who started it all. His business acumen, determination, and ambition are unparalleled and still serve as inspiration for all others. Yet, despite his wealth, Rockefeller was a strikingly humble man. He did not let a lot of personal things get to him. If he was dealt a blow, he allowed it to hit him and simply turned the tables so that the odds finally come to his favor. An astute and studious entrepreneur, Rockefeller was able to see through veils and make systems

work for him, regardless of the cost. In *John D. Rockefeller: Biography of the Richest and Most Ruthless Business Titan in History* by Nathan Anderson, readers will: Explore John D. Rockefeller's history and legacy and find out how one man was able to change the way capitalism operates forever Learn valuable life lessons - and even key tips - on how to embody a truly ruthless entrepreneur and make profits bend in your favor And so much more! John D. Rockefeller Sr.'s story might just as well be a movie. But, unlike Hollywood, his story needs neither embellishments nor fanfare. It simply speaks for itself. No matter your background, this book will show you that your dreams and aspirations are within reach... but only if you're willing to pay the price. *The House the Rockefellers Built* Robert F. Dalzell, Lee Baldwin Dalzell, 2013-08-13 What it was like to be as rich as Rockefeller: How a house gave shape and meaning to three generations of an iconic American family One hundred years ago America's richest man established a dynastic seat, the granite-clad Kykuit, high above the Hudson River. Though George Vanderbilt's 255-room Biltmore had recently put the American country house on the money map, John D. Rockefeller, who detested ostentation, had something simple in mind—at least until his son John Jr. and his charming wife, Abby, injected a spirit of noblesse oblige into the equation. Built to honor the senior Rockefeller, the house would also become the place above all others that anchored the family's memories. There could never be a better picture of the Rockefellers and their ambitions for the enormous fortune Senior had settled upon them. The authors take us inside the house and the family to observe a century of building and rebuilding—the ebb and flow of events and family feelings, the architecture and furnishings, the art and the gardens. A complex saga, *The House the Rockefellers Built* is alive with surprising twists and turns that reveal the tastes of a large family often sharply at odds with one another about the fortune the house symbolized.

*Random Reminiscences of Men and Events* John D. Rockefeller, 2019-11-19 In *Random Reminiscences of Men and Events*, John D. Rockefeller provides a compelling glimpse into his extraordinary life and the forces that shaped American enterprise in the late 19th and early 20th centuries. The narrative style is introspective and reflective, blending personal anecdotes with broader historical contexts, making it both a memoir and a chronicle of the capitalist spirit. Through vivid recollections, Rockefeller captures pivotal moments and influential figures, from his early days in the oil industry to his philanthropic endeavors, showcasing the intricate interplay between wealth, morality, and societal change. John D. Rockefeller, often heralded as one of America's most significant industrialists, transformed the landscape of business and philanthropy. Born into modest means, his rise to prominence as the founder of Standard Oil reflects not only personal ambition but also the broader dynamics of American capitalism. His experiences and insights often challenge prevailing perceptions of monopoly and altruism, revealing a complex character driven by both profit and purpose, deeply influenced by his own religious convictions and commitment to societal betterment. This book is highly recommended for anyone interested in American history, business ethics, or the evolution of philanthropy. Rockefeller's unique perspective offers valuable lessons on

leadership, resilience, and the moral implications of wealth, making it an essential read for scholars, entrepreneurs, and historians alike.

**John D. Rockefeller, 1839-1937, Industrial Pioneer and Man** Wallace Trevor Holliday, 1948

**New York Magazine**, 1985-07-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

**John D. Rockefeller** Grant Segall, 2001-02-08 Oxford Portraits are informative and insightful biographies of people whose lives shaped their times and continue to influence ours. Based on the most recent scholarship, they draw heavily on primary sources, including writings by and about their subjects. Each book is illustrated with a wealth of photographs, documents, memorabilia, framing the personality and achievements of its subject against the backdrop of history.

Laurance S. Rockefeller Robin W. Winks, 2013-04-15 Despite his status as a scion of one of the wealthiest and most famous families in the United States and an enormously successful businessman in his own right, Laurance S. Rockefeller is unknown to all but a small circle of Americans. Yet while he has been neither Vice President nor Governor nor chairman of the world's largest bank, his contribution to society has been at least as great as that of his more famous brothers. In *Laurance S. Rockefeller: Catalyst for Conservation*, noted historian Robin W. Winks brings Laurance to the forefront, offering an intimate look at his life and accomplishments. While Rockefeller has played a vital role in the business world as one of the most astute venture capitalists of our time -- providing seed money for, among other endeavors, Eastern Airlines, Intel Corporation, and Apple Computers -- his driving passion throughout his life has been the environment. In addition to the millions of dollars he has donated and the numerous conservation organizations he has helped to found, he served under five consecutive presidents in environmental advisory capacities. Perhaps most significantly, Rockefeller served under Presidents Eisenhower and Kennedy as chairman of the Outdoor Recreation Resources Review Commission (ORRRC), brilliantly orchestrating an assessment of the recreation and conservation needs and wants of the American people and the policies and programs required to meet those needs. The reports issued by the Commission represent a groundbreaking achievement that laid the framework for nearly all significant environmental legislation of the following three decades. Winks uses a combination of historical insight and extensive access to Rockefeller and government archives to present the first in-depth examination of Laurance Rockefeller's life and work. His deftly argued and gracefully written volume explains and explores Rockefeller's role in shaping the transition from traditional land conservation to a more inclusive environmentalism. It should compel broader interpretation of the history of environmental protection, and is essential reading for anyone concerned with

the past or future of conservation in America.

**Legislative Calendar** United States. Congress. Senate. Committee on Veterans' Affairs, 1993

The Survey , 1922

**Modern Esoteric** Brad Olsen, 2017-08-02 This completely reworked second edition of Modern Esoteric includes new information, over a dozen additional images, and up-to-date revisions. Winner of the Best Book Design 2014, Modern Esoteric examines the flaws in modern history and looks at how conspiracy theories, esoteric knowledge, and fringe subjects can be used to help change the dead-end course humanity seems to be following. The Lifeology section explores the long and storied alternative narrative of life on this planet. In the Control section, author Brad Olsen examines how Big Brother is here in the form of the New World Order, and how they keep the knowledge of humankind's true nature from the mass population. Finally, the Thrive section looks at all the ways humans are evolving to achieve their full potential.

## John D Rockefeller S Introduction

In today's digital age, the availability of John D Rockefeller S books and manuals for download has revolutionized the way

we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of John D Rockefeller S books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of John D Rockefeller S books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing John D Rockefeller S versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, John D Rockefeller S books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly

practical for studying or referencing. When it comes to accessing John D Rockefeller S books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for John D Rockefeller S books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, John D Rockefeller S books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast

library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of John D Rockefeller S books and manuals for download and embark on your journey of knowledge?

## FAQs About John D Rockefeller S Books

1. Where can I buy John D Rockefeller S books?  
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available?  
Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a John D Rockefeller S book to read?  
Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of John D Rockefeller S books?  
Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are John D Rockefeller S audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite

books on social media or recommend them to friends.
