Sex, Death, and Minuets David Yearsley, 2019-07-11 “Insightful commentary on the Bach family’s musical life and . . . the culture in which the Bachs lived. . . . Important and fascinating . . . Highly recommended.” —Choice At one time a star in her own right as a singer, Anna Magdalena (1701–60) would go on to become, through her marriage to the older Johann Sebastian Bach, history’s most famous musical wife and mother. The two musical notebooks belonging to her continue to live on, beloved by millions of pianists young and old. Yet the pedagogical utility of this music—long associated with the sound of children practicing and mothers listening—has encouraged a rosy and one-sided view of Anna Magdalena as a model of German feminine domesticity. *Sex, Death, and Minuets* offers the first in-depth study of these notebooks, reanimating Anna Magdalena as a historical subject—at once pious and bawdy, spirited and tragic. In these pages, we follow Magdalena from young and flamboyant performer to bereft and impoverished widow. David Yearsley explores the notebooks’ entries against the backdrop of the social practices and concerns that women shared in eighteenth-century Lutheran Germany. What emerges is a humane portrait of a musician who embraced the sensuality of song and the uplift of the keyboard, a sometimes ribald wife and oft-bereaved mother who used her cherished musical notebooks for piety and play, humor and devotion—for living and for dying. “Fascinating.” —Laurence Dreyfus, University of Oxford “Yearsley’s account . . . will doubtless stand as the definitive account of the ‘Bachin’ and her notebooks for years to come.” —Bettina Varwig, University of Cambridge “A warm, insightful, and compelling portrait.” —Matthew Dirst, University of Houston

Eventually they collected two separate books (begun in 1722 and 1725), which are known today as the Notebook for Anna Magdalena Bach. Includes audio recordings. Johann Sebastian et al. Bach, 2019-09 In 1721 a 20-year-old soprano employed at the princely court in Köthen married the court's Kapellmeister, set to become the greatest composer of the age. As his second wife she married into a young family with four children, and a busy household filled with music. The music book that Johann Sebastian Bach presented to his new wife Anna Magdalena in 1722, and replaced more lavishly in 1725, treats us to a tantalizing glimpse inside this unique family, allowing us to sit beside Bach as a composer, teacher, husband and father. Over the years, these notebooks became a place for the family to share instructional exercises, favourite pieces - by Bach and other composers - to play or sing, early composition efforts from the children, and first versions of some of Bach's more ambitious keyboard works. Drawn from Christoph Wolff's new and cutting-edge scholarly edition of the complete Anna Magdalena Notebooks, Edition Peters is proud to present a new volume of shorter and easier pieces from the notebooks, perfect for practical use by students of all ages and their teachers.
