The International Jew Henry Ford, 2003-07 In 1920 Henry Ford bought The Dearborn Independent, a virile and very independent journal published in his home town. He used it to publish his series of 81 articles (between 1920 and 1922) on the Jewish Question in America, which he called the world's foremost problem. The Dearborn Independent was distributed nationwide to Ford dealer showrooms and was offered free of charge to the general public. At its peak, circulation reached 700,000 readers. He later published the articles as a four-volume set of books. At the Nuremberg Tribunal, Baldur Von Shirach, Hitler Youth Leader, said he had been influenced through reading these books. The work was also quoted in Mein Kampf by Adolf Hitler. This volume reprints the articles from May 22 to October 2, 1920. This four-volume set is an important document in the history of anti-semiticism in America.

Jew - The World's Foremost Problem is a four volume set of booklets or pamphlets published and distributed in the early 1920s by Henry Ford, an American industrialist and automobile manufacturer. In Spring 1920, Ford made his personal newspaper, The Dearborn Independent, chronicle what he considered the Jewish menace. Every week for 91 issues, the paper exposed some sort of Jewish-inspired evil major story in a headline. The most popular and aggressive stories were then chosen to be reprinted into four volumes called The International Jew.

The International Jew, 1920

The International Jew,

Henry Ford Henry Ford, William Schnarr, 2023-01-06 In addition to carrying on the great white American tradition of monumental entrepreneurship, ethical business missions, and past-master engineering, Henry Ford was also one of the world's most fruitful students on the Jewish Question. For eight long years he fearlessly studied and reported weekly on the Jewish Question despite extreme Jewish libel and slander; finally he was forced to retire this service after they threatened to financially choke him. No student of the Jewish Question disputes his findings, and in fact he is one of the greatest contributors to our knowledge thereof today, but many readers may have been frustrated by the limitations of the newspaper format. Well, now- for the first time in over 100 years- William Schnarr has undertaken the first fully researched and resourced edition of The International Jew, the 4-volume archive of nearly all Ford's original articles pertaining to the JQ. Due to the age of the papers and Ford's tendency to cite contemporary papers, many sources are lost forever, if not extremely difficult to track down, but even what can be confirmed with the aid of modern technology will shock and amaze readers, just as it did Schnarr as he found Ford's evidence. Although many citations are from The Protocols of the Learned Elders of Zion- a controversial pamphlet to this day- there are also many citations, from contemporary Jewish newspapers to centennial almanacs archived in the University of Minnesota. These documents all work to shatter once and for all the veneer of Jewish libel and slander, and show bright and clear Ford deserved every bit of credit that his admirers give him for his work on The Dearborn Independent.

The International Jew Volumes I and II Henry Ford, 2016-10-24 The only complete set of all 80 unexpurgated articles published by the famous American industrialist and automobile manufacturer Henry Ford in his Dearborn Independent newspaper between 1920 and 1922. The topics included foreign and domestic politics, finance, the movie industry, stage and theater, the agricultural sector, media control and manufacturing, and contains by far the best analysis of how the United States was systematically taken over by Jews after they were allowed to immigrate to that than country in large numbers in the late 19th century. The work's reach was worldwide and was quoted in Adolf Hitler's Mein Kampf. Henry Ford's picture hung in Hitler's office, and in July 1938, the German consul at Cleveland gave Ford, on his 75th birthday, the award of the Grand Cross of the German Eagle, the highest medal Nazi Germany could bestow on a foreigner. The 80 articles were later

republished in book form but were severely redacted and edited, with an severely abridged version becoming the most widely circulated copy. Originally published by The Dearborn Independent as a four volume set, this new completely reset edition combines all the volumes into a handy two volume version, without losing any of the text. Completely reset and hand-edited. Volume I and II contains the first 42 articles, while the companion Volume III and IV contain the remaining 38 articles. Cover image: A poster from the Nazi film The Eternal Jew (1940) which used material from Ford's books.

Henry Ford's War on Jews and the Legal Battle Against Hate Speech Victoria Saker Woeste,2012-06-27 Henry Ford is remembered in American lore as the ultimate entrepreneur—the man who invented assembly-line manufacturing and made automobiles affordable. Largely forgotten is his side career as a publisher of antisemitic propaganda. This is the story of Ford's ownership of the Dearborn Independent, his involvement in the defamatory articles it ran, and the two Jewish lawyers, Aaron Sapiro and Louis Marshall, who each tried to stop Ford's war. In 1927, the case of Sapiro v. Ford transfixed the nation. In order to end the embarrassing litigation, Ford apologized for the one thing he would never have lost on in court: the offense of hate speech. Using never-before-discovered evidence from archives and private family collections, this study reveals the depth of Ford's involvement in every aspect of this case and explains why Jewish civil rights lawyers and religious leaders were deeply divided over how to handle Ford.
