*Creoles of Sierra Leone Proverbs ?Parables?Wise Sayings* Eyamidé E. Lewis-Coker, 2018-08-09 Proverbs, parables, and wise sayings are meaningful short sayings or vehicles through which morals are transmitted to adults, youths, and children. They are life experiences that Africans utilized to understand their past and present lives. These means of expressions are vital to the African culture as they transmit wisdom, truth, morals, and lessons that convey traditional views passed down from generation to generation. Africans and mostly older Africans communicate to adults, adolescences, and children by means of proverbs, parables, and wise sayingstransmitting messages, imparting warnings, solving problems, influencing behaviors, helping to avoid unwanted outcomes, and shaping or molding, especially the children as they journey through life. Proverbs, parables, and wise sayings are the instinctive or spontaneous methods of learning anytime and anywhere through conversations in an African community. As the conversations linger, they are revitalized by these short sayings. These modes keep the African children active and interested in the world around them, as well as their own development. These short sayings, in simple terms, are the daughters of daily-life experiences. They are not explained after they have been expressed; instead, adults, youths, and children used them to improve their communication and listening skills, develop creative imaginative and thinking skills, understand the meaning of life, and be familiar with the element of each proverb that was transmitted. Proverbs, parables, and wise sayings are the oral literature of the Creoles or Krios of Sierra Leone. Each proverb is understood when expressed in ordinary conversation. The role and importance of proverbs, parables, and wise sayings in conversations of each ethnic group of Sierra Leone provide a colorful, vibrant, and poetic picture of the African culture and its characteristics.

*Simple Sayings and Thoughts for the Mind, Heart and Soul* Joe Cervantes, 2016-06-08 Wisdom, knowledge, and understanding are similar to finding a treasure chest full of diamonds and nuggets of gold. How can anyone not take advantage of such an abundance of wealth? In the midst of so much confusion, one needs to take the time to believe that there is wealth in the word of God and from his people to overcome such daily adversaries. We are challenged in our everyday lives, but may you take that first step of faith living for God and in helping others with love where there is failure. I know many books have been written with different opinions and advice by different writers about God and life. As the author of this book, I've tried to give some simple wisdom and understanding in so many areas of our lives, making it simple to understand, of course, with some sense of humor. As one who goes alone through the maze of life, sometimes it requires us to learn quickly in order to find the key to the cross. So where advice isn't available, we are tempted, get off course, and learn the hard way, which gets more complicated if we become stubborn. Just like the whole armor of God protects every

part of our spiritual and physical bodies, taking some good advice and motivation will help us progress as a child of God. For those who love to make things possible by taking advice, may this book help you to change your route and save you time. There are over six thousand thoughts of my personal sayings, which can be used as a text starter for a sermon or a conservation piece for inspiration. Please enjoy them; youve struck it rich with some great wisdom. Joe Cervantes.
