How to Talk to Your Cat About Gun Safety Zachary Auburn,2016-10-04 The cats of America are under siege! Long gone are the good old days when a cat's biggest worries were mean dogs or a bath. Modern cats must confront satanists, online predators, the possibility of needing to survive in a post-apocalyptic wasteland, and countless other threats to their nine lives. For over four decades, the American Association of Patriots have stood at the vanguard of our country's defense by helping to prepare our nation's cat owners for the difficult conversations they dread having with their pets. Written in a simple Q&A format, How to Talk to Your Cat About Gun Safety answers crucial questions such as, "What is the right age to talk to my cat about the proper use of firearms?" and "What are the benefits of my cat living a lifestyle of abstinence?" and especially "Why does my cat need to use the internet? Can't he just play with yarn like cats used to do?" Our country—and our cats—stand at a precipice. It will take courage, and it will take hard work, but armed with the knowledge within these pages, we can make our cats—and America—great again!

Keenan, 2005-08-19 An authoritative analysis of one of the most revered rights of peoples and cultures around the world—privacy. *Invasion of Privacy: A Reference Handbook* chronicles the most pressing privacy issues and dilemmas from around the world from the 17th century to today. Shocking accounts of government and corporate abuse liven discussions of controversial topics ranging from high-tech surveillance and the collection of personal data to bodily and sexual privacy. The Internet, a platform for free speech now subject to calls for rigorous censorship, and the global threat of terrorism in the post-September 11 era receive special emphasis. Readers will also learn about disturbing abuses of power by the FBI, including how it intercepted emails, misled the federal courts in 75 warrant applications, and contributed to wrongful arrests of more than 100 people suspected of receiving child pornography over the Internet.
