

The Godfather Film Review

Paul A. Cantor

The New York Times Film Reviews 1999-2000 New York Times Theater Reviews, 2001-12 From the Oscar-winning blockbusters *American Beauty* and *Shakespeare in Love* to Sundance oddities like *American Movie* and *The Tao of Steve*, to foreign films such as *All About My Mother*, the latest volume in this popular series features a chronological collection of facsimiles of every film review and awards article published in *The New York Times* between January 1999 and December 2000. Includes a full index of personal names, titles, and corporate names. This collection is an invaluable resource for all libraries.

The Godfather Legacy Harlan Lebo, 2005-10-25 Here is the official companion to Francis Ford Coppola's masterful trilogy, revised and updated, and packed with more than 100 photographs. The director was a renegade filmmaker who'd never made a profitable picture. The producer was hired because he could stay below budget. The star had a reputation for being difficult. A formula for disaster? No, the makings of one of the greatest films of all time. *The Godfather Legacy* explores the fascinating behind-the-scenes intrigue and uproar during the making of all three films: The clashes between Coppola and the studio chiefs during the filming of *The Godfather*, the pressurized production schedule, and the project's near cancellation. The real story behind the cooperation of the Mafia in the creation of *The Godfather*. The worldwide acclaim and stunning financial success following the release of *The Godfather* -- a triumph that set the stage for the film industry's renaissance. The production of *The Godfather Part II* and the rise of Coppola, Al Pacino, and others to the loftiest heights of power in Hollywood. The creation of *The Godfather Part III* two decades after the original film and the completion of video projects that unified the three films for the first time. Featuring production records, credits, reviews, and interviews with many of the principals involved, *The Godfather Legacy* is a rare and vivid peek into the making of three of the most compelling films in Hollywood history.

Four Word Film Reviews Benj Clews, Michael Onesi, 2010-07-18 In four words or less, this book brings together movies from across the multiplex. So whether you like the Coen brothers (*Fargo*: Chipper cop; chipped criminal) or the Farrelly brothers (*Dumb & Dumber*: Two guys, zero brains), you'll get a laugh from these online critics' witty review reductions. This

book is your must-read guide to over 400 movies--brought to you in 3D so real you can flip the pages for less than the price of admission to Michael Bay's latest pyrotechnics display. Action! Adventure! Comedy! It's all inside for your viewing pleasure. And be sure to stay after the credits for the Four Word Film Review Quiz to see how well you really know your movies. Four Word Film Reviews: Condensed content, big laughs.

The Evolution of Hollywood's Calculated Blockbuster Films Alexander Ross, 2023-04-24 In this book, Alexander Ross highlights how creative entrepreneurs saved the Hollywood studios in the 1970s by establishing the calculated blockbuster, consisting of key replicable markers of success, as Hollywood's preeminent business model. Ross demonstrates how visionary individuals such as Coppola, Spielberg, Lucas, and Zemeckis helped create the modern, calculated blockbuster business model (BBM). However, with the rise of streaming giants and the studios struggling to compete, many consumers of entertainment now elect to partake from the comfort of their homes, making the difference between "cinema" and "television" anachronistic. Revisiting the history of those 1970s blockbusters and their ongoing impact on contemporary filmmaking, Ross offers distinct analysis on whether the calculated blockbuster can continue to lead, or if the streamers will continue to generate their own content and, eventually, fully control the dissemination process. For scholars and students in film, pop culture and business along with aspiring filmmakers, screenwriters, producers and executives, the book will be a valued resource.

Focus On: 100 Most Popular American Crime Drama Films Wikipedia contributors,

Hollywood Incoherent Todd Berliner, 2010-10-01 In the 1970s, Hollywood experienced a creative surge, opening a new era in American cinema with films that challenged traditional modes of storytelling. Inspired by European and Asian art cinema as well as Hollywood's own history of narrative ingenuity, directors such as Martin Scorsese, Robert Altman, William Friedkin, Stanley Kubrick, Woody Allen, and Francis Ford Coppola undermined the harmony of traditional Hollywood cinema and created some of the best movies ever to come out of the American film industry. Critics have previously viewed these films as a response to the cultural and political upheavals of the 1970s, but until now no one has explored how the period's inventive narrative design represents one of the great artistic accomplishments of American cinema. In *Hollywood Incoherent*, Todd Berliner offers the first thorough analysis of the narrative and stylistic innovations of seventies cinema and its influence on contemporary American filmmaking. He examines not just formally eccentric films—*Nashville*; *Taxi Driver*; *A Clockwork Orange*; *The Godfather, Part II*; and the films of John Cassavetes—but also mainstream commercial films, including *The Exorcist*, *The Godfather*, *The French Connection*, *Willy Wonka & the Chocolate Factory*, *Dog Day Afternoon*, *Chinatown*, *The Bad News Bears*, *Patton*, *All the President's Men*, *Annie Hall*, and many others. With persuasive revisionist analyses, Berliner demonstrates the centrality of this period to the history of Hollywood's formal development, showing how seventies films represent the key turning point between the storytelling modes of the studio era and those of modern

American cinema.

The Complete History of American Film Criticism Jerry Roberts, 2010-02-19 The Complete History of American Film Criticism is a chronicle of the lives and work of the most influential film critics of the past 100 years. From the first movie review in the New York Times in 1896 through the Silent Era, the pre- and postwar years, the Film Generation of the 1960s, the Golden Age of the 1970s, and into the 21st century, critics have educated generations of discriminating moviegoers on the differences between good films and bad. They call attention to great directors, cinematographers, production designers, screenwriters, and actors, and shed light on their artistic visions and storytelling sensibilities. People interested in what the great film critics had to say have usually been shortchanged as to their backgrounds, and just why they are qualified to sit in judgment. Using mini-biographies, placed within a chronological framework, The Complete History of American Film Criticism is the biography of a profession whose cultural impact has left an indelible mark on the 20th century's most significant art form.

The Godfather Movies Gerald Gardner, Harriet Modell Gardner, 1993

Movie Greats Philip Gillett, 2008-09-01 Why are some films regarded as classics, worthy of entry into the canon of film history? Which sorts of films make the cut and why? *Movie Greats* questions how cinema is ranked and, in doing so, uncovers a history of critical conflict, with different aesthetic positions battling for dominance. The films examined range across the history of cinema: *The Battleship Potemkin*, *The 39 Steps*, *Modern Times*, *Citizen Kane*, *It's a Wonderful Life*, *Black Narcissus*, *The Night of the Hunter*, *Lawrence of Arabia*, 8*, 2001: *A Space Odyssey*, *The Godfather*, *Raging Bull*, *The Piano* and *Kill Bill: Vol. 1*. Each chapter opens with a brief summary of the film's plot and goes on to discuss the historical context, the key individuals who made the film, and initial and subsequent popular and critical responses. Students studying the history of film, canon formation or film aesthetics will find this book relevant, provocative and absorbing.

Pop Culture and the Dark Side of the American Dream Paul A. Cantor, 2019-05-17 The many con men, gangsters, and drug lords portrayed in popular culture are examples of the dark side of the American dream. Viewers are fascinated by these twisted versions of heroic American archetypes, like the self-made man and the entrepreneur. Applying the critical skills he developed as a Shakespeare scholar, Paul A. Cantor finds new depth in familiar landmarks of popular culture. He invokes Shakespearean models to show that the concept of the tragic hero can help us understand why we are both repelled by and drawn to figures such as Vito and Michael Corleone or Walter White. Beginning with *Huckleberry Finn* and ending with *The Walking Dead*, Cantor also uncovers the link between the American dream and frontier life. In imaginative variants of a Wild West setting, popular culture has served up disturbing—and yet strangely compelling—images of what happens when people move beyond the borders of law and order. Cantor demonstrates that, at its best, popular culture raises thoughtful questions about the validity and viability of the American dream, thus deepening our understanding of America

itself.

The Routledge Handbook of Motherhood on Screen Susan Liddy, Deirdre Flynn, 2025-04-25 The Routledge Handbook of Motherhood on Screen offers a comprehensive global analysis of the representation of Mothers and Motherhood in contemporary screen industries and online spaces. Over five distinct sections, this handbook examines how the complexities and realities of contemporary motherhood are translated to the screen. Offering a full scholarly overview of the field, this handbook provides a ground-breaking and important contribution to our understanding of motherhood on screen. The geographical and genre reach of the handbook presents new ways of theorising and reframing current scholarly debate, and gives a wide-ranging and comprehensive contribution to knowledge of on-screen representations. An international team of established scholars and emerging voices provide analysis of representations from around the world, spanning a breadth of genres. The chapters situate transnational screen representations of motherhood in the 21st Century and assess the implications of contemporary representation of motherhood. Thoroughly challenging and expanding understandings of motherhood and mothers, this handbook will be an essential multi-faceted publication for researchers and students of film, TV, animation, motherhood, gender studies, feminism, ageing studies, anthropology and sociology.

Camera and Action Elaine M. Bapis, 2014-01-10 This study examines the changes in the American film industry, audiences, and feature films between 1965 and 1975. With transformations in production codes, adjustments in national narratives, a rise in independent filmmaking, and a new generation of directors and producers addressing controversial issues on the mainstream screen, film was a major influence on the social changes that defined these years. After a contextual history of film during this era, several key films are discussed, including *The Graduate*, *Alice's Restaurant*, *Easy Rider*, *Midnight Cowboy*, *M*A*S*H*, *McCabe and Mrs. Miller*, *Little Big Man*, and *The Godfather* series. The author describes how these films represented a generation, constructed and deconstructed American culture, and made important contributions during ten years of great change in America. Instructors considering this book for use in a course may request an examination copy here.

Fear, Cultural Anxiety, and Transformation Scott A. Lukas, John Marmysz, 2010-06-22 This collection was inspired by the observation that film remakes offer us the opportunity to revisit important issues, stories, themes, and topics in a manner that is especially relevant and meaningful to contemporary audiences. Like mythic stories that are told again and again in differing ways, film remakes present us with updated perspectives on timeless ideas. While some remakes succeed and others fail aesthetically, they always say something about the culture in which-and for which-they are produced. Contributors explore the ways in which the fears of death, loss of self, and bodily violence have been expressed and then reinterpreted in such films and remakes as *Invasion of the Body Snatchers*, *Night of the Living Dead*, and *Dawn of the Dead*. Films such as *Rollerball*, *The Ring*, *The Grudge*, *The Great Yokai Wars*, and *Insomnia* are discussed as well because of their ability to give

voice to collective anxieties concerning cultural change, nihilism, and globalization. While opening on a note that emphasizes the compulsion of filmmakers to revisit issues concerning fear and anxiety, this collection ends by using films like *Solaris*, *King Kong*, *Star Trek*, *Doom*, and *Van Helsing* to suggest that repeated confrontation with these issues allows the opportunity for creative and positive transformation.

LIFE, 1972-03-31 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest, most amazing collection of professional photography on the internet. Users can browse, search and view photos of today's people and events. They have free access to share, print and post images for personal use.

Focus On: 100 Most Popular Former Roman Catholics Wikipedia contributors,

Legal Reelism John Denvir, 1996 Law and justice are important themes in film, not only in courtroom dramas, but also in the western, the film noir, even the documentary. In the Godfather trilogy Francis Ford Coppola shows that the Mafia possesses its own strict codes, even though they are in conflict with those of the criminal justice system. In Woody Allen's *Crimes and Misdemeanors* the protagonist also gets away with murder, but with a different dramatic intent by the director and a different effect on the audience. Shedding light on myriad facets of the law/film relationship, fourteen contributors to *Legal Reelism* analyze films ranging from *The Man Who Shot Liberty Valance*, *It's a Wonderful Life*, and *Drums Along the Mohawk* to *Do the Right Thing*, *Basic Instinct*, *The Thin Blue Line*, and *Thelma and Louise*. The first volume to contain work by both humanists and legal specialists, *Legal Reelism* is a landmark text for those concerned with depictions of justice in the media and the impact of those depictions on society at large.

Italian Americans in Film Daniele Fioretti, Fulvio Orsitto, 2022-11-30 This book examines how Italian Americans have been represented in cinema, from the depiction of Italian migration in New Orleans in the 1890s (*Vendetta*) to the transition from first- to second-generation immigrants (*Ask the Dust*), and from the establishment of the stereotype of the Italian American gangster (*Little Caesar*, *Scarface*) to its re-definition (*Mean Streets*), along with a peculiar depiction of Italian American masculinity (*Marty*, *Raging Bull*). For many years, Italian migration studies in the United States have commented on the way cinema contributed to the creation of an identifiable Italian American identity. More recently, scholars have recognized the existence of a more nuanced plurality of Italian American identities that reflects social and historical elements, class backgrounds, and the relationship with other ethnic minorities. The second part of the book challenges the most common stereotypes of Italian Americanness: food (*Big Night*) and Mafia, deconstructing the criminal tropes that have contributed to shaping the perception of Italian-American mafiosi in *The Funeral*, *Goodfellas*, *Donnie Brasco*, and the first two chapters of the Godfather trilogy. At the crossroads of the fields of Italian Culture, Italian American Culture, Film Studies, and Migration Studies, *Italian Americans in Film* is written not only for undergraduate and graduate students but also for scholars who teach courses on Italian American Cinema and Visual Culture.

The Godfather Film Review Introduction

In this digital age, the convenience of accessing information at our fingertips

has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Godfather Film Review free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The

website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Godfather Film Review free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres.

Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Godfather Film Review free PDF files is convenient, it is important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it is essential to be cautious and verify the authenticity of the source before downloading The Godfather Film Review. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in

this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Godfather Film Review any PDF files. With these platforms, the world of PDF downloads is just a click away.
