The Pious Fraud Men Live By Richard Swan, 2013-05 A vast number of people are devoted to beliefs that are based on an illusion. With blind faith they accept the religion that is before them, do their fair share of worship and good deeds, then conclude that they will receive God's blessing both in this life and the afterlife to come. But will they? Most people believe in

doctrine created by man, and man can't save anyone. If a person is not on the right path to God, he'll be without the divine hand to guide his daily life and he will also find that the afterlife is different from what he expects. Author Richard Swan reveals 'The Pious Fraud Men Live By.' He also presents a comparative study of Christianity, Hinduism, and Islam to show the diversity of beliefs and how man has conspired to present doctrine that leads a person away from God and, after the grave, to an eternal hereafter not worth living. Eternity is a very long time.

The Just Shall Live by His Faith Ernest LeVos, 2017-09-22 Justified by faith are the three words that capture the ministry and work of Martin Luther (1483-1546) and Charles Haddon Spurgeon (1834-1892). For Spurgeon, one sentence produced the reformation, and it would be the main theme of his pastoral ministry from 1851 to 1892: But the just shall live by his faith. The Just Shall Live by His Faith compiles a series of Charles Spurgeons sermons on justification by faith, Martin Luther, and the Reformation, and it covers the vital subjects of faith as the life and force in believers who have accepted the saving merits of the Lord Jesus Christ as the means of salvation. For such believers, the goal is to live their lives as they walk with the Spirit, and by dwelling on Spurgeons sermons we can learn that the lesson of the just living by faith will be the one seed that will germinate into the gift of justification, as if you have never sinned; this seed will continue to grow and lead to the Spirit-enabled transformation of human hearts. Spurgeons sermons on justification by faith echo the apostle Pauls most prominent teachings, and this doctrine still rings true today as the test of Christs church. All believers will be inspired by Spurgeons sermons to look to Christ for salvation, live by faith in every part of their lives, and have peace with God.

A Documentary History of Unitarian Universalism, Volume Two Dan McKanan, 2017 A panel of top scholars presents the first comprehensive collection of primary sources from Unitarian Universalist history. This critical resource covers the long histories of Unitarianism, Universalism, and Unitarian Universalism in the United States and around the world, and offers a wealth of sources from the first fifty-five years of the Unitarian Universalist Association. From Arius and Origen to Peter Morales and Rebecca Parker, this two-volume anthology features leaders, thinkers, and ordinary participants in the ever-changing tradition of liberal religion. Each volume contains more than a hundred distinct selections, with scholarly introductions by leading experts in Unitarian Universalist history. The selections include sermons, theologies, denominational statements, hymns, autobiographies, and manifestos, with special attention to class, cultural, gender, and sexual diversity. Primary sources are the building blocks of history, and A Documentary History of Unitarian Universalism presents the sources we need for understanding this denomination's past and for shaping its future.

Activate the Power Now! Richard C. Gayle, 2019-07-19 "If you want to know how to activate the power that resides within us as believers, this book is a must-read. As the author, Richard C. Gayle, takes us on a comprehensive journey to discover how to access and activate the power and authority given to us as sons of God, spiritual insights are unveiled to provide the reader with effective strategies to live a fulfilled and victorious life in Christ. In the book, the author's life experiences are coupled with divine revelations to make biblical practices applicable to our daily lives. If you want to live a bountiful and boundless life, get your copy today" (Niesha Keemer, MAR, Med, EdD). "This is a profoundly mind-altering book. It energizes the spirit and enables the mind to move beyond its established boundaries and limits. To the normal man, it borderlines fiction; but to the regenerated man, it tells the truth of why Joshua commanded the sun to stand still. It tells the truth of why men who walked with God activated the power of God that defied the very laws of nature. It speaks to the very same possibilities in this century" (Gilda E. Rose, MBA).

Live to Tell Fr. Zef Pllumi, 2008-04-02 In 1944, Albania erupted in civil war. The communist party prevailed and acted quickly and brutally. By 1946, through executions, imprisonments, and mass banishments, the communists broke the back of Albania's freedom. A young Franciscan Catholic and man of heroic character in this time of inhumanity, Friar Zef Pllumi was arrested, brutally tortured, imprisoned, and sent to labor camps. Through deeply personal descriptions of shocking atrocities, Fr. Pllumi focuses on his extraordinary will to survive and his powerful faith. His intense desire to live to tell honors those martyred with Christ's name on their lips. Fr. Pllumi was initially released in 1949. Fr. Pllumi's memories are a brave confrontation of communism. His story's power lays in the fact that despite obscene efforts, the communist party could not succeed. As Fr. Pllumi states, They think people are frightened before dying, but what they don't realize is that when you've arrived to a certain agonizing point, nothing is frightening anymore. Fr. Pllumi's historical memoir also delivers clear lessons for today. Amid the many horrors, differences in beliefs melted away. Christians, Muslims, Albanians, Italians, and French alike, although wounded physically, emotionally, and spiritually, were still alive to help each other and stand together and triumph for mankind.
