Biblical, Traditional, and Theological Framework for Understanding Christian Prophetism in Ghana Today Daniel Nii Aboagye Aryeh, 2019-01-03 The basis for this project is to verify and determine the extent to which contemporary prophetic ministry in Ghana appropriates prophetism in the early church, Corpus Paulinum, and traditional prophetism in Ghana. The spirit of prophecy which was believed to have ceased in Judaism and during the intertestamental period has now been restored at the inauguration of Christianity. Notwithstanding, Paul gave stipulations for prophets and prophecy in the church in 1 Corinthians 14. This confirms that prophecy was a common phenomenon in the early church and Pauline communities. Contemporary prophetic ministry in Ghana claimed to have conformed to Pauline stipulations concerning prophets and prophecy in the church, but what is their level of conformity? Contemporary prophetic ministry is becoming popular due to its appeal and compatibility with religious worldviews and its pragmatic outlook that resonates with the Ghanaian phenomenon of religion. As an adherent of the Akan traditional religion would go to a religious intermediary for ebisa (literally to inquire or ask) into present or future happenings, contemporary prophets have positioned themselves to be agents of ebisa in Ghanaian Christianity. This book explores biblical and traditional understandings of prophetism that have influenced contemporary Christian understanding of prophets and prophecy in the church.

The Person of the Holy Spirit Theodore Andoseh, The Person of the Holy Spirit: Raising Spirit-Filled Leaders for God's Work From 16 October to 24 November 2023, the Christian Missionary Fellowship International embarked on an extraordinary 40-day praise, prayer and fasting crusade. Over 1,200 believers gathered nightly at the international

headquarters in Koume, with thousands more joining from 180 nations. Together, they sought God for a new Pentecost, crying out for a large army of leaders filled with the Holy Spirit and equipped with spiritual gifts and ministries. This book documents the powerful proceedings of those nights, led by the author, Brother Theodore Andoseh. It captures the burden of the fast: the need for Spirit-filled leaders to accomplish the ministry's immediate goal of establishing one million house churches and raising one million disciple-makers in 150 nations. What You'll Find in This Book: Daily accounts of the fast, prayers, and messages shared during the event. A synopsis of the history of 40-day fasting and prayer crusades in the ministry. Prophetic messages and reflections from the book *The Joy of Begging to Belong to the Lord Jesus Christ*, by Prof. Z.T. Fomum. Commentary on the collective cry for spiritual revival and leadership. With over 1,000 hours of prayer logged and thousands of lives impacted globally, this book serves as both a historical record and an invitation to participate in God's unfolding plan for spiritual growth and leadership. Join in the call for a new Pentecost and the rise of Spirit-filled leaders for this generation.

School of Acts The Gifts and Operations of God 2nd Edition Eric Casto, 2025-02-19 On the day of Pentecost, the Holy Spirit was poured out like a mighty rushing wind. The nations present in Jerusalem heard the miracle of new tongues, and on the first day of the church 3000 people were born again. These early believers loved not their lives to death, and through their faith and sacrifice the world was being turned upside down. This study on the book of Acts is designed to help the student of the Bible gain a fresh look at God's living blueprint for the church. Through consolidation of references in each module, the School of Acts will quickly become a tremendous resource for churches, Bible schools, and prayer groups. Jesus is coming, and before He appears, we must be found doing. The harvest fields of the Lord demand laborers, and this study guide is a field training manual for success in life and ministry.

Many people within the church are hurting and they are trying to make sense of what is happening to them. The answer is biblical counselling, working with the Holy Spirit to bring wholeness. The work Mustard Seed Counselling will encourage those who feel the call to counsel and have a desire to study and check their relationship with God. Baptized with the Holy Ghost Grant Ralston, Edward Ralston, 2020-02-26 Baptized with the Holy Ghost has been designed to briefly explain the Pentecostal perspective on the baptism of the Holy Ghost. Pentecostals are dedicated to a belief in a post-conversion work of the Spirit, a belief that is convincingly articulated in this important book. Pentecostals also maintain

that speaking in tongues is the initial, physical evidence of this glorious experience. While many might shy away from the biblical teaching on speaking with tongues, we gladly affirm its existence and agree that it is the initial indicator that a believer has received the Holy Ghost, although it is not the only sign. There are many reasons why it is advantageous for Christians to be filled with the Holy Ghost that are presented. God has established certain conditions that must be met in order for the gift of the Holy Ghost to be received. We endeavor to answer questions and issues closely connected to this topic, such as if tongues ceased and whether every believer speaks in tongues. Baptized with the Holy Ghost will not only inform you about this precious experience available to every child of God, but it will also create within you a desire to enjoy for yourself the baptism of the Holy Ghost.
