**Why is 'c\*nt' so much more derogatory in the US than the UK?** 5 That's a very good question. It certainly is offensive here in the US, and I'm not sure why it's considered so much worse than other "Anglo-Saxon" words. I've used all of the other ones on occasion. But in 52 years, I've used "cunt" anatomically only a handful of times, and I can't recall ever using it as a slang reference for a woman. **terminology - Why use BCE/CE instead of BC/AD? - English ...** Why do people use the latter terminology? For one thing, I find it confusing. It doesn't help that BCE is similar to BC. But moreover, there is only one letter of difference between the two terms, whereas with BC and AD, the terms are clearly different and I find it easier to distinguish! Were BCE/CE established earlier than BC/AD? *"Why ...?" vs. "Why is it that ... ?" - English Language & Usage ...* Why is it that everybody wants to help me whenever I need someone's help? Why does everybody want to help me whenever I need someone's help? Can you please explain to me the difference in mean... *Why was "Spook" a slur used to refer to African Americans?* Jul 29, 2023 · I understand that the word spook is a racial slur that rose in usage during WWII; I also know Germans called black gunners Spookwaffe. What I don't understand is why. Spook seems to also mean 'ghos... **meaning - Pipe invert and obvert: Why is it called invert? - English ...** Apr 8, 2017 · In civil engineering, the words invert and obvert are used in the context of pipe elevations. I gather that invert means: interior bottom elevation of pipe, and obvert means: interior top elevation... **orthography - Why are names that begin with "Mc" first in order ...** Why is it that in lists of people's names, surnames beginning with Mc are listed before surnames beginning with Ma? For example, if a book had a bibliography listing its references, we would see t... **Do you need the "why" in "That's the reason why"? [duplicate]** Good explanation of why it's optional in this case, although I'm not convinced that reason is the only reasonable antecedent of why. For example, the explanation why is a common usage, and I don't think you can freely substitute that in that case either. **indefinite articles - Is it 'a usual' or 'an usual'? Why? - English ...** As Jimi Oke points out, it doesn't matter what letter the word starts with, but what sound it starts with. Since "usual" starts with a 'y' sound, it should take 'a' instead of 'an'. Also, If you say "today was an usual day", unless your pronunciation is extremely clear, you risk being misunderstood as "today was unusual day", which will only confuse your listeners. **etymology - Why is "number" abbreviated as "No."? - English ...** Apr 6, 2016 · The spelling of number is number, but the abbreviation is No (№). There is no letter o in number, so where does this spelling come from? **Where does the use of "why" as an interjection come from?** Mar 18, 2011 · "why" can be compared to an

old Latin form *qui*, an ablative form, meaning *how*. Today "why" is used as a question word to ask the reason or purpose of something.
