## Barry Long

**The Way In** Barry Long, 2000 The Way In is an anthology of statements about the spiritual life, each one challenging preconceptions and responding to the hunger for real answers. It gives sound advice about false trails on the spiritual path and practical teachings for the Ways of Truth, Love, Stillness and Prayer. The section on the 'Way of Stillness' contains the text of the Audio Book 'Start Meditating Now'. 'The Way of Love' supports the teachings in Barry Long's best-seller 'Making Love : Sexual Love the Divine Way'. It is the best survey in one volume of all the practical aspects of Barry Long's teachings and recommended as an inspiration to anyone, whatever their spiritual background.

**To Woman in Love** Barry Long, 1995 Barry Long received many letters from women all around the world who had been touched or inspired by his teachings on love and sex. This intimate correspondence is featured in the book 'To Woman In Love'. Here you will find the spiritual advice he gave to individual women about their relationships with parents and children, and especially with the men in their lives. The heart of the book is Barry Long's challenge to women to always put love first - above everything else. We read their moving exchanges with the teacher, as they struggle with the guidance they are given, and then overcome their fear and self-doubt.

Only Fear Dies Barry Long, 1994 Eight essays presented in this text explain how and why unhappiness operates in us and the world at large, and says what we can do to lead a life of greater freedom.

Meditation Barry Long, 1995 A straightforward practical course of instruction in ten lessons. It takes you in easy stages from the basics to the point where you'll be able to practice on your own, knowing exactly what you are doing and why. The approach is relevant and contemporary.

**From Here to Reality** Barry Long, 2015-08 Barry Long's summation of his teachings, written at the end of his life.

**Knowing Yourself** Barry Long, 1983

**Knowing Yourself** Barry Long, 1996 The way of self-knowledge is the discovery of what is not true or real. This book is a map of the false in us and a guide to the uncharted space where truth, beauty or God become the experience of life.

The Origins of Man and the Universe Barry Long, 1998 This is an account of a spiritual enquiry into evolution, civilization, our place in the universe and the structure of reality itself. It is a cosmology which relates to present science but takes us beyond the Big Bang and back through our psyche to our original state in eternity or God's mind.

**Making Love** Barry Long,2014-07-09 Barry Long's groundbreaking book about the difference between love and sex. What are the real secrets of love-making? What mistakes does everyone make before learning the truth about love? What can men do to avoid sexual failure? What do women need to know before they can discover a real and fulfilling love? These revolutionary tantric teachings have inspired, challenged and profoundly changed the love-lives of many thousands of couples and are surely needed today more than ever.

**Raising Children in Love, Justice and Truth** Barry Long,1998 Can we just trust to love and hope that our children will turn out well? In this book, Barry Long argues that love alone is not enough and shows what it means to also bring spiritual truth and justice to family life. Based on conversations with parents, this is a compendium of advice and wisdom.

**My Life of Love and Truth** Barry Long,2013 This posthumous autobiography tells the story of Barry Long's life from his early years in Australia to a career as a successful newspaper editor and then how successive spiritual crises and realizations made him into a spiritual master who changed the lives of thousands of people around the world. It is a candid and sometimes painfully honest account of transformation by love and the transcendental. Liberation or spiritual freedom is not gained by trying to be like everyone else. Liberation is to have the will, the power, the simplicity to be what you are from moment to moment, without pretence and without considering what you or others think you should be or should not be. Naked of being anything, you must stand, and stand alone.
