

La Bible Des Chandeliers Japonais

Rachel Sandford

Bible de l'investissement dans la crypto-monnaie Alan T. Norman, 2020-10-09 Crypto-monnaie, Bitcoin, ICO, Blockchain, minage... En entendant ces mots il y a quelques années à peine, les gens disaient : c'est une arnaque, une bulle financière. Il ne faut pas investir, le prix est trop bas. Aucun pays ne reconnaîtra la crypto-monnaie. C'est un schéma pyramidal évident, une sorte d'amusement pour les nerds. Jusqu'à récemment, la crypto-monnaie était considérée comme une sorte d'amusement pour une poignée d'élus qui achetaient et vendaient quelque chose et croyaient qu'une nouvelle monnaie ferait un frappee un jour ! Ce n'est pas sérieux, elle s'effondrera dans quelques années. Vous faisiez sûrement partie de ces personnes qui ne prenaient pas au sérieux le Bitcoin et la crypto-monnaie, mais les événements actuels vont à l'encontre même des plus grands sceptiques. Le prix actuel du Bitcoin est de 6644 \$. Le prix de la crypto-monnaie la plus populaire bat à plusieurs reprises tous les records impensables. La capitalisation est d'environ 120 milliards de dollars. Une reconnaissance mondiale. Les plus grandes économies du monde - l'Inde et le Japon - ont reconnu le Bitcoin comme monnaie officielle. Les autorités américaines ont reconnu la crypto-monnaie comme un actif. Et ce n'est que le début. Le minage à l'échelle industrielle. Le marché de la crypto-monnaie évolue extrêmement rapidement et il est presque impossible de surveiller la situation et de prendre les bonnes décisions par vous-même. La plupart des gens n'ont pas d'expérience, de temps et d'argent pour cela. Mon livre donne des informations basiques mais assez complètes pour les personnes qui souhaitent créer une entreprise rentable à long terme dans l'un des domaines de la crypto-monnaie : du minage à l'investissement. Donc, ce livre ne concerne pas des moyens illégaux de gagner de l'argent. Ce n'est pas une apologie de la crypto-monnaie vous exhortant à y investir jusqu'au dernier sou. Ce livre vous aidera. Apprenez ce qui suit : quelle façon de gagner de l'argent sur le marché de la crypto-monnaie vous convient le mieux. Par où devriez-vous commencer si vous n'avez que 500 \$. Quelles informations sur la crypto-monnaie les experts retiennent. Comment élaborer une stratégie personnelle, créer votre propre entreprise de crypto-monnaie et gagner 3000 à 10 000 \$ dès 2018. Je peux également vous garantir que vous : éluciderez la principale tendance actuelle des devises même si vous n'avez aucune idée de l'économie, de la finance et la technologie. Comprenez si vous voulez vraiment investir dans la crypto-monnaie (peut-être, ce type d'entreprise ne vous convient pas du tout et vous perdrez votre temps). Apprenez à vérifier les risques et à ne pas investir dans la première devise disponible. Protégez-vous d'éventuels échecs. Ainsi, mon objectif est assez simple : vous aider à créer et développer des

affaires dans l'un des domaines de la crypto-monnaie. Découvrez 7 stratégies d'investissement en crypto-monnaie + 2 stratégies parfaites aujourd'hui ! Translator: Sylvie Clauzon PUBLISHER: TEKTIME

Swing Trading Easy Michel Cataneo, 2023-07-27 La bourse n'a rien du casino : le véritable trading n'a rien de commun avec les jeux de hasard ! Bien au contraire, un trader professionnel doit chercher constamment à minimiser ses risques financiers. Il doit seulement agir lorsqu'un maximum de probabilités sont de son côté et jamais autrement. Les marchés financiers suivant des tendances clairement identifiables car récurrentes, le résultat global en trading dépend entièrement d'une succession de choix personnels avisés. Seul le choix d'outils adéquats permettra d'élaborer (en les rassemblant pertinemment), une stratégie efficace. Une bonne méthodologie de trading, basée à la fois sur des outils techniques fiables et des règles logiques de risk management, pourra vous faire connaître un succès financier durable et gagner beaucoup d'argent. Mais il importe avant tout de ne jamais enfreindre aucune des règles qui le définissent, sous peine de risquer de passer alors très vite du Capitole à la roche tarpéienne... Gardez toujours la tête froide, prenez du recul, détachez-vous des événements et gardez surtout votre humilité. C'est d'ailleurs à cette condition que le trading discrétionnaire vous tiendra en dehors de la psychologie de masse des traders, et vous préservera de tout excès de cupidité et de peur.

The Candlestick Trading Bible sanyog raut, 2019-10-19 The Candlestick trading bible is one of the most powerful tradingsystems in history. It was invented by Homma Munehisa. The father of candlestick chart patterns. This trader is considered to be the most successful trader in history, he was known as the God of markets in his days, his discovery made him more than \$10 billion in today's dollar. I have spent 10 years compiling, testing, organizing, and consistently updating this method to create my own new version, which is considered to be the easiest and most profitable trading system. The Candlestick trading bible is the trading method that is going to finally take your trading to where it should be, consistent, profitable, easy and requiring very little time and effort. This trading system is based on Japanese candlestick patterns in combination with technical analysis. All what you have to do is to spend as much time as you can to master the method that I am going to share with you and use it to trade any financial market. Learning Japanese candlestick is like learning a new language. Imagine you got a book which is written in a foreign language, you look at the pages but you get nothing from what is written. The same thing when it comes to financial markets. If you don't know how to read Japanese candlesticks, you will

never be able to trade the market. Japanese candlesticks are the language of financial markets, if you get the skill of reading charts, you will understand what the market is telling you, and you will be able to make the right decision in the right time

The Candle Stick Trading Bible Munehisa Homma, 2020-04-30 Forex guide for beginners. How to interpret candle sticks

Chart Patterns Trading Bible Jasper Bennett, 2024-04-06 Chart Patterns Trading Bible: Forex Trading Candlestick + Price Action is your definitive guide to mastering the intricate art of forex trading through chart patterns, candlestick analysis, and price action strategies. This comprehensive book is designed to empower both novice and experienced traders with the knowledge and techniques needed to navigate the dynamic world of currency markets with confidence and precision. Inside, readers will discover a treasure trove of invaluable insights, including a detailed exploration of various chart patterns such as triangles, flags, head and shoulders, and more. Each pattern is meticulously dissected, providing readers with a deep understanding of its formation, significance, and potential implications for trading decisions. Moreover, the book delves into the art of candlestick analysis, unraveling the secrets hidden within each candle's open, close, high, and

low prices. Through comprehensive explanations and real-world examples, readers will learn how to interpret candlestick patterns to identify market sentiment, trend reversals, and key support and resistance levels. Furthermore, Chart Patterns Trading Bible equips traders with powerful price action strategies that can be applied across different currency pairs and timeframes. From trend-following techniques to countertrend trading methods, this book covers a wide array of proven approaches to capitalize on market movements and maximize trading profits. Whether you're a newcomer to forex trading or a seasoned professional seeking to refine your skills, Chart Patterns Trading Bible offers actionable strategies, practical tips, and invaluable insights to help you achieve your trading goals. With its clear explanations, comprehensive coverage, and practical examples, this book is an indispensable resource for anyone looking to succeed in the competitive world of forex trading.
