

When Was Porn Created

Siobhan Lyons

Porn & Pong Damon Brown, 2008 Explores, for the first time, how pornography and video games have influenced the world's sexual mores and technological compulsions on a massive scale. The first Atari systems and their phallic joysticks sold by the millions, reality TV skyrocketed at the same time The Sims took off and the surgically-endowed Pamela Anderson was outshone by only one other woman: Lara Croft. Porn & Pong examines how politics, hidden agendas and financial pressure affect the controversial art forms of gaming and pornography.

Porn Star Mark Lamonica, 2008-11-26 Porn Star is an engrossing portrait of a man that is credited with being the originator of modern pornography: Pietro Aretino (1492-1556). Aretino was the most famous writer of the sixteenth century, and considered like his contemporary, Niccolo Machiavelli (1469-1527), a literary god in London. In fact, both writers came to symbolize in the minds of Elizabethans: everything devilish about the Italian people; devils' incarnates as they were called in Shakespeare's day. Vastly underrated today as a writer, Aretino's time has come--and he is a force to be reckoned with. Playboy, playwright, pornographer, poet, diplomat, shrewd man of affairs. Aretino typified the Renaissance man of action, embodying the mischievous genius of the Italian people. An immensely gifted polymath writer with an encyclopedic range of knowledge, experience and interests. Aretino's deadly poison pen aroused violent antagonism, as well as an idolatrous awe amongst his peers in his lifetime. He takes the reader on an unforgettable journey through the Italian Renaissance where we meet many of his illustrious friends, the most colorful people of the period--crazy kings, deviant popes, eccentric artists, beautiful whores, deadly dukes and con men. Aretino's outrageous life culminates in an explosive climax that leads to the destruction of the holiest city in the world, Rome, or as the great religious reformer Martin Luther called it--Babylon. Along the way, Aretino challenges William Shakespeare's title as the world's greatest writer.

The Death of Porn Ray Ortlund, 2021-08-19 ECPA Christian Book Award Finalist Your Battle against Porn Isn't about Porn. It's about Hope. Pornography may seem inescapable, but God can free us from its destructive power. The gospel replaces the dehumanizing lies of pornography with this surprising truth: God created us as royalty. How then can we reclaim our God-given identity to take a stand against—and ultimately starve—the predatory porn industry? In The Death of Porn, Ray Ortlund writes six personal letters, as from a father to his son. Ideal for individuals and small groups, it will give hope to men who have been misled by porn into devaluing themselves and others. Through Scripture and personal stories,

Ortlund assures readers that God loves them the most tenderly in their moments of deepest shame. The Death of Porn inspires men to come together in new ways to fight the injustice of porn and build a world of nobility for every man and woman—for the sake of future generations.

Porn Chic Annette Lynch, 2013-08-15 The mainstreaming of pornographic imagery into fashion and popular culture at the turn of the millennium in Britain and the US signalled a dramatic cultural shift in construction of both femininity and masculinity. For men and women, raunch became the new cool. This engaging book draws from a diverse range of examples including film, popular tabloids, campus culture, mass media marketing campaigns, facebook profiles, and art exhibits to explore expressions and meanings of porn chic. Bringing a cultural and feminist lens to the material, this book challenges the reader to question the sexual agency of the 12-year-old girl dressed to seduce in fashions inspired by Katie Price, the college co-ed flashing her breasts for a film maker during Spring break, and the waitress making her customer happy with chicken wings and a nice set of Hooters. Further it explores the raunchy bad boys being paid handsomely to tell the world about their sexual exploits, online, on film, and in popular press bestsellers. The book also contains thought-provoking artwork by Nicola Bockelmann which focuses on the permeable border between pornography and mainstream culture and urges viewers to question everyday explicitness. Balancing a popular culture approach and a strong analytic lens, Porn Chic will engage a wide audience of readers interested in popular culture, fashion, and gender studies.

His Porn, Her Pain Marty Klein Ph.D., 2016-09-06 Written by an award-winning author and veteran sex therapist, this practical, innovative, and often passionate book addresses the explosion of pornography use, advises couples on defusing conflict about it, guides parents in helping their kids deal with it, advises people concerned about their use of it, and shows how honest talk about sex can resolve America's porn panic. When you first logged onto the Internet in the 1990s, did you ever wonder, What do you suppose would happen if the United States were flooded with free, high-quality pornography? We now know the answer, says Dr. Marty Klein, as this is exactly what took place 15 years ago. Written by an award-winning author and veteran sex therapist, this practical, innovative, and often passionate book addresses the explosion of pornography use, advises couples on defusing conflict about it, guides parents in helping their kids deal with it, advises people concerned about their use of it, and shows how honest talk about sex can resolve America's porn panic. So what did happen when Internet porn flooded America? The rates of sexual assault, divorce, and child molestation declined. And yet various religious groups, politicians, some feminists, anti-trafficking activists, and many marriage counselors talk unceasingly about the damage porn viewing is doing to our society. They have created a PornPanic that has demonized the recreation of some 60 million Americans. Americans are always ready for new reasons to feel guilty and ashamed of their sexuality, and Internet porn is the newest reason. Wives and girlfriends worry that they can't compete with it; teens use it as a misguided substitute for sex education, often disturbed by intense adults-only imagery; and psychologically vulnerable people get

caught up in hours of compulsive porn surfing every night, feeling isolated and inadequate as a result. Fortunately for his many readers, however, using clear reasoning, clinical expertise, and political savvy, Klein shows that for most people, porn is not the real problem. With the experience gained from 34 years of doing therapy—that's 35,000 sessions—Klein asks a simple but profound question: when we talk about porn, what are we really talking about? This book eases readers' minds as Klein addresses common concerns and debunks common myths while identifying what we should be concerned about. Most importantly, the author explains how we can heal America's obsession with porn by engaging in honest talk about sex—something he knows is neither simple nor easy. The text includes sample conversations to help adults talk to each other about pornography, and suggestions for parents on how to talk to their kids about porn—healthy discussions to help their kids develop Porn Literacy. This book offers honest, thorough, expert information desperately needed by a nation of people driven to panic about pornography.

Mainstreaming Porn Elaine Craig, 2024-09-03 The ubiquity of streaming sites such as Pornhub has transformed the social role of sexually explicit content today. Online porn is no longer a shady corner of the internet; it is mainstream. Its production, commodification, and consumption on data-driven online platforms has changed – and is changing – our personal relationships, social and legal systems, and sexual norms. Online porn platforms are shaping sexual desires and practices in the same way that Google and Facebook have affected social relationships and the circulation of information: porn is now consumed on data-driven platforms with algorithms designed to engage the attention of users, encourage the production of user-generated videos, and filter content. Through frank examination of mainstream content with themes of incest, intoxication, and so-called consensual rough sex, issues that play out in life and in court, Elaine Craig shows how the platformization of mainstream pornography is shaping our sexual culture in real time. *Mainstreaming Porn* maps a complicated web of legal culture and legal actors, from corporate lawyers and platform content regulation to the criminal, civil, and administrative contexts in which porn companies operate and the legal interpretation of sexual assault defences. All have profound implications for the promotion and protection of everyone's sexual integrity, and especially that of women and girls. *Mainstreaming Porn* is an unflinching, carefully balanced perspective on a divisive topic. Without demonizing pornography or its consumption, Craig makes a powerful argument for applying legal mechanisms to corporate-owned online platforms while offering a sober evaluation of the limits of the law in governing pervasive cultural norms and social understandings of sexuality.

Girls Negotiating Porn in South Africa Deevia Bhana, 2022-07-15 The book investigates how teenage girls in South Africa encounter and consume pornography, situating their experiences within wider sociocultural and affective relations of power. It focuses on girls' online playful and pleasurable pursuits as they explore and expand upon their sexual curiosities. In this digital moment, the book directs us to the multi-layered meanings around porn, as an everyday normative experience. The book takes on an interdisciplinary approach drawing from and inspired by new feminist materialism and assemblage theorising. For teenage girls porn is freely available to see in billboards, magazines, books, on television, music videos, games, online streaming and social media sites. Girls do not have to view hardcore porn to see porn: it is everywhere. It argues that girls' online playful adventures are a critical site for learning, developing, and negotiating gender and sexuality. These meanings are constitutive of pleasure and the pursuit of learning sexually, but they also provide a launchpad for girls to contest race, gender, and heterosexual domination while opening up online porn to broader interrogation and critique. The book will be of interest to researchers across African studies, sociology, psychology, anthropology, youth, gender and sexuality studies, porn studies, and childhood studies.

Indoctrination to Hate Edward W. Dunbar, 2022-02-15 This collection spotlights the impact of hate violence on individuals and communities as well as how people form biases and are indoctrinated into hate groups, why they participate in violent hate crimes, and how hate may become extreme. This book details the solicitation and indoctrination of members into extremist hate groups. Using theoretical, empirical, and field studies, experts explain the psychological processes of bias formation, hate identity, and the stages of extremism, and detail first-person accounts of hate group membership and critical incidents of hate violence. Contributors draw significantly upon the current wave of reactionary political and racial intolerance witnessed in the United States and Europe in addressing specific groups and forms of hate extremism as found across different cultural and geographic regions. A statistically based analysis of how hate and ideology each contribute to political extremism accompanies the text and provides a long-term perspective of hate-based lifestyles. The book also offers a neuroscientific explanation of hate ideology as a psychological problem presenting a unique perspective, and a discussion of the interplay of governments and stakeholders in the untangling of the legal issues of hate crimes and of domestic and international terrorism. This text will be useful for students, researchers, and professionals in the social and behavioral sciences, law enforcement, criminal justice, and political science.

Rated A Darshana Sreedhar Mini, 2024-08-13 A free ebook version of this title is available through Luminos, University of California Press's Open Access publishing program. Visit www.luminosoa.org to learn more. In the 1990s, India's mediascape saw the efflorescence of edgy soft-porn films in the Malayalam-speaking state of Kerala. In *Rated A*, Darshana Sreedhar Mini examines the local and transnational influences that shaped Malayalam soft-porn cinema—such as vernacular pulp fiction, illustrated erotic tales, and American exploitation cinema—and maps the genre's circulation among blue-collar workers of the Indian diaspora in the Middle East, where pirated versions circulate alongside low-budget Bangladeshi films and Pakistani mujra dance films as South Asian pornography. Through a mix of archival and ethnographic research, Mini also explores the soft-porn industry's utilization of gendered labor and trust-based arrangements, as well as how actresses and production personnel who are marked by their involvement with a taboo form negotiate their social lives. By locating the tense negotiations between sexuality, import policy, and censorship in contemporary India, this study offers a model for understanding film genres outside of screen space, emphasizing that they constitute not just industrial formations but entire fields of social relations and gendered imaginaries.

Gender, Sex, and Politics Shira Tarrant, 2015-06-19 *Gender, Sex, and Politics: In the Streets and Between the Sheets in the 21st Century* includes twenty-seven chapters organized into five sections: Gender, Sexuality and Social Control; Pornography; Sex and Social Media; Dating, Desire, and the Politics of Hooking Up; and Issues in Sexual Pleasure and Safety. This anthology presents these topics using a point-counterpoint-different point framework. Its arguments and perspectives do not pit writers against each other in a binary pro/con debate format. Instead, a variety of views are juxtaposed to encourage critical thinking and robust conversation. This framework enables readers to assess the strengths and shortcomings of conflicting ideas. The chapters are organized in a way that will challenge cherished beliefs and hone both academic and personal insight. *Gender, Sex, and Politics* is ideal for sparking debates in intro to women's and gender studies, sexuality, and gender courses.

Race and Masculinity in Gay Men's Pornography Desmond Francis Goss, 2021-10-31 This book unpacks the character of pornographic representations of queer Black masculinity and how these representations vary between corporate and noncorporate producers. The author argues that representations of Black men in gay porn rely on stereotypes of Black masculinity to arouse consumers, especially those which characterize Black men as missing links or focus excessively on their dark phalluses. Moreover, these depictions consistently separate gay Black and white men's sexuality into bifurcated

discursive spaces, thereby essentializing sexual aspects of racial identity. Lastly, though such depictions are less prevalent in user-submitted videos, overall, both user-submitted and corporate content reify stereotypes about Black masculinity. This book is written for researchers, lecturers, and graduate courses in the social sciences and humanities, including Sociology, Social Psychology, Sexuality, African American Studies, Women and Gender Studies, LGBTQ Studies, Culture and Art Studies, Porn Studies, Social Media Studies, and Public Health.

Ruin Porn and the Obsession with Decay Siobhan Lyons, 2018-07-03 This collection is the first book to comprehensively analyse the relatively new and under-researched phenomenon of 'ruin porn'. Featuring a diverse collection of chapters, the authors in this work examine the relevance of contemporary ruin and its relationship to photography, media, architecture, culture, history, economics and politics. This work investigates the often ambiguous relationship that society has with contemporary ruins around the world, challenging the notions of authenticity that are frequently associated with images of decay. With case studies that discuss various places and topics, including Detroit, Chernobyl, Pitcairn Island, post-apocalyptic media, online communities and urban explorers, among many other topics, this collection illustrates the nuances of ruin porn that are fundamental to an understanding of humanity's place in the overarching narrative of history.

Right From the Heart Bryant Wright, 2011-08-08 For people on-the-go who want a daily dose of God's truth for their life. You want to spend meaningful time each day with the Lord, but about 10 minutes into your day the demands of life distract and pull at you, and threaten to overshadow your plans for quiet time. Pastor Bryant Wright lends helpful guidance for staying focused on God's Word and applying it to your daily living. His to-the-point messages set the tone for living as Jesus lived, no matter your circumstances. Setting aside just a few minutes each day with the Lord can change your heart. The condition of your heart can change your day. And the outcome of your day can change the course of your life for His eternal glory.

Ethos, Technology, and AI in Contemporary Society Aaron Hess, Jens E. Kjeldsen, 2024-12-10 Bringing together expert rhetorical theorists and technologists, this book explores our current understanding of, and attitudes toward, ethos, credibility, and trust in today's changing technological landscape. Recent advancements in technology, including the development of digital technologies, the growth of algorithmic machine learning and artificial intelligence, and the circulation of disinformation in social media, necessitate a reevaluation of ethos. To explore the rhetorical concept of ethos, which is the perceived character of a speaker, contributors theorize how ethos is enabled, constrained, and constituted through new communication technologies. In this edited collection, chapters address key philosophical questions concerning the rhetorical capacities of modern communicating machines such as ChatGPT, Midjourney, or other digital platforms. Through case studies, new theorizing, and critical inquiry, contributors contemplate the changing relationship between humans and technology in rhetoric and ethos, revealing contemporary tensions and insecurities regarding issues including authenticity

and authorship. This book will be of interest to students and scholars in the fields of Rhetoric, Communication Studies, Technology Studies, Digital Humanities, and Cultural Studies.

The Pink Cadillac Rebecca Harlem, 2024-09-13 A captivating tale of love, lust, and unbridled desire where setbacks lead to unexpected benefits. Scarlet never imagined that losing her most valued asset would open a new chapter in her life and quench her long-standing thirst. Struggling to communicate her emotions honestly, she eventually finds the strength, inspired by an unidentified force, as if nature itself bestowed its treasures upon her. A restless spirit, fallen from heaven to earth, finds solace in a simple activity. Two close friends, trapped in various situations for years, remain unaware of how close their destination truly is. When Dakota left her profession at the peak of her career due to unforeseen circumstances, the same profession found a new Dakota years later. In this seductive and kinky story, the universe uses bizarre circumstances to guide each character to their destined path.

Everything Harder Than Everyone Else Jenny Valentish, 2021-11-23 A no-holds-barred, gonzo dive into the world of extreme behavior; from abstinence to ego, punishment to curiosity, obsession to reinvention, acclaimed journalist Jenny Valentish uncovers what drives those who push the limits of endurance. What do extreme eaters, MMA fighters, ultra-marathon runners, and BDSM practitioners have in common? What drives some people to push their bodies and minds to the brink, putting everything on the line to test the bounds of their capacity? When Jenny Valentish worked through her own addictions, she became fascinated by extremes in their myriad and unexpected manifestations. In the darkly funny, brash, and irresistible *Everything Harder Than Everyone Else*, Valentish immerses herself in the lives of sex workers, body builders, and dedicated fighters and finds that many of the people she encounters have overcome addictions and trauma to find release and community where the stakes are at their highest. Harnessing a journalistic approach that's equal parts brazenly curious and remarkably compassionate, Valentish finds herself neck-deep in her own investigation, embroiling herself in the world of competitive Muay Thai fighting and in the dark chambers of a BDSM dungeon. At every turn she stares unflinchingly into the darker corners of culture that polite society ignores and repudiates, asking readers and herself, how far are you willing to go?

Hiding in the Hallway Jeanne Harrison, 2017-09-26 Written specifically to missionary teens, *Hiding in the Hallways* offers MKs a biblical context for their faith in light of their unique circumstances, challenges, and opportunities. Filled with personal anecdotes, former MK Jeanne Harrison champions gospel relevancy and the need for MKs to continue to filter their lives through a biblical worldview. Covering seven main areas relevant to the missionary teen life both on and off the missions field, this book also includes a chapter for parents to help foster discussion with their teens.

The Politics of Porn for Young People in New Zealand Claire Meehan, 2023-12-11 This book sheds light on young New Zealander's social realities and lived experiences of their digital and sexual lives through an understanding of how they

think about and engage with porn. Drawing on qualitative empirical data from interviews with 106 young New Zealanders, each chapter examines young people's creation of informal norms through an investigation of the broader issues associated with their engagement with porn, namely consent, gender, pleasure and 'empowerment.' Following this, the book gives voice to young New Zealander's perceptions of the value of the sexuality education they receive. Finally, this text argues toward a co-constructed intersectional sexuality education.
