Kyle finally feels like he has a handle on life. He has a wonderful girlfriend, a best friend willing to debate the finer points of Lord of the Rings, and social acceptance as captain of the basketball team. So when both Ruby and Gideon start acting really weird, just as his spot on the team is threatened, Kyle can’t quite figure out what he did wrong. Sandy Hall, the author of *A Little Something Different*, is back with her signature wit in this quirky and heartfelt LGBT YA novel.

Global Time Zone Widaly L DeSoto-Burt, 2020-04-27 It is 2075. Oppression from the New Orient Empire and propaganda on the dangers of sun exposure have forced the citizens of Region 12, part of the former United States, to switch to a nocturnal schedule. In the name of progress, all countries have been required to move to a single, global time zone. After perplexing events unfold that include a visit from a mysterious stranger and rumors of a secret door in her father’s study, Yvanya McKenzie’s teenage life goes from unpredictable to worse when her father attempts to arrange a marriage between her and a wealthy colleague’s son. While she does her best to hide her disdain for his decision amid an ever-changing world, Yvanya rebels against the Empire’s strict rules and sneaks out to hang with her friends, even as soldiers patrol the streets. But when her family suddenly disappears one day, Yvanya must risk everything and join forces with unexpected allies to rescue her family, if she ever wants to see them again. *Global Time Zone* is the action-packed tale of a teenager’s quest to save her family amid a futuristic dystopian world where love, responsibility, and courage define her existence.

Jones loves them all. They are women who married young, have been mistreated, and have no prospects, no hope. For them, Jones will do all he can, which isn’t much. A cut-rate divorce lawyer, he specializes in default settlements—no alimony, no property, no fight. He’s not good, but he’s fast, and his clients ask nothing more. Despite his cynical exterior, Jones considers himself a knight in rusty armor, helping women whom

the world has failed. He yearns for a single quest worthy of his talents. Shadow Man Alan Drew, 2018-04-24 A novel of psychological suspense about an idyllic community rocked by a serial killer—and a dark secret. “A stellar achievement, a book that unspools like a dark-toned movie in the reader’s mind.”—The Wall Street Journal (One of the Best Mysteries of the Year) Detective Ben Wade has returned to his hometown of Rancho Santa Elena in search of a quieter life and to try to save his marriage. Suddenly the community, with its peaceful streets and excellent public schools, finds itself at the mercy of a serial killer who slips through windows and screen doors at night, shattering illusions of safety. As Ben and forensic specialist Natasha Betencourt struggle to stay one step ahead of the killer—and deal with painful episodes in the past—Ben’s own world is rocked again by violence. He must decide how far he is willing to go, and Natasha how much she is willing to risk, to protect their friendship and themselves, to rescue the town from a psychotic murderer and a long-buried secret. Written in fine, chilling prose, *Shadow Man* reveals the treacherous underbelly of suburban life, as a man, a woman, a family, and a community are confronted with the heart of human darkness. Finalist for the SCIBA T. Jefferson Parker Award • Named One of the Best Crime Novels of the Year by The Booklist Reader

Nabokov and his Books Duncan White, 2017-02-23 At the outbreak of the Second World War Vladimir Nabokov stood on the brink of losing everything all over again. The reputation he had built as the pre-eminent Russian novelist in exile was imperilled. In *Nabokov and his Books*, Duncan White shows how Nabokov went to America and not only reinvented himself as an American writer but also used the success of *Lolita* to rescue those Russian books that had been threatened by obscurity. Using previously unpublished and neglected material, White tells the story of Nabokov the professional writer and how he sought to balance his late modernist aesthetics with the demands of a booming American literary marketplace. As Nabokov's reputation grew so he took greater and greater control of how his books were produced, making the material form of the book—including forewords, blurbs, covers—part of the novel. In his later novels, including *Pale Fire*, *Invitation to a Beheading*, and *Invitation to a Wedding*, the idea of the novelist losing control of his work became the subject of the novels themselves. These plots were replicated in Nabokov's own biography, as he discovered his inability to control the forces the market success of *Lolita* had unleashed. With new insights into Nabokov's life and work, this book reconceptualises the way we think about one of the most important and influential novelists of the twentieth century.

Love, Lies and Spies, No Love Allowed, These Vicious Masks Cindy Anstey, Kate Evangelista, Tarun Shanker, Kelly Zekas, 2015-11-24 Download the first chapters of THREE new books chosen by the hottest new community of young adult readers and writers at Swoon Reads. About LOVE LIES & SPIES by Cindy Anstey Juliana Telford is not your average nineteenth-century young lady. She's much more interested in researching ladybugs than marriage, fashionable dresses, or

dances. So when her father sends her to London for a season, she's determined not to form any attachments. Instead, she plans to secretly publish her research. Spencer Northam is not the average young gentleman of leisure he appears. He is actually a spy for the War Office, and is more focused on acing his first mission than meeting eligible ladies. Fortunately, Juliana feels the same, and they agree to pretend to fall for each other. Spencer can finally focus, until he is tasked with observing Juliana's traveling companions . . . and Juliana herself. About NO LOVE ALLOWED by Kate Evangelista Caleb desperately needs a new fake girlfriend. Either he attends a series of parties for his father's law firm with a pretty girl on his arm, or he gets shipped off to Yale to start a future he's not ready for and isn't sure he wants. And sadly the last unattached girl in his social circle has just made the grievous mistake of falling in love with him. Fortunately, Didi, the waitress at the Country Club who just lost her job, is open to new experiences (also, art supplies are expensive!). It's the perfect setup for them both. Caleb has only one rule for the arrangement: Didi must not fall in love with him. The summer nights tick by in a whirl of lavish parties, and Didi is enjoying her foray into high society. But Caleb soon starts to worry that this time he's the one in danger of falling in love. About THESE VICIOUS MASKS by Tarun Shanker and Kelly Zekas Evelyn has no interest in marriage and even the dashing Mr. Kent can't make her want to live up to society's expectations. She'd much rather assist her beloved sister Rose in becoming the world's first female doctor. But everything changes the night she meets Sebastian Braddock - not only is the reclusive lord both vexing and surprisingly attractive, he's also quite possibly mad, and his interest in Rose is galling. So when Evelyn wakes up to discover that Rose has disappeared, she immediately suspects Sebastian. But then she discovers that Sebastian's strange tales of special powers are actually true, and that Rose's kidnappers have worse in mind for her than simply ruining her reputation. Surrounded by secrets, lies, and unprecedented danger, Evelyn has no choice but to trust Sebastian, yet she can't help but worry that Sebastian's secrets are the most dangerous of all.

Between the Lines Michael Anthony, Joan F. Kaywell, 2016-09-23 Michael Anthony, 20-year reading workshop practitioner at the secondary level, and Joan Kaywell, acclaimed author and advocate for young adult literature in learning, present *Between the Lines*, a creative paradigm shift for the English Language Arts workshop classroom. In contrast to the traditional sustained silent reading and individual conferencing model, an impractical commitment for most teachers, BtL invites collaborative engagement and active inquiry among students as well as on-demand writing and integrated YA literature, all designed to support existing middle and secondary level ELA classroom curriculum instruction and national academic learning standards while empowering English educators toward improved student literacy achievement and the creation of lifelong readers. The classroom activities, with student-friendly names like Book Chat Check and Pop Goes the Question, promote animated discussions in social learning contexts and produce writings supported by textual evidence from student selected texts. Clear step by step directions for facilitation and authentic models of resulting student writing are shared along with a standards-based lesson plan suitable for grades 6-12. Ongoing teacher/student journal conversations validate independent reader thought processes and provoke differentiated learning experiences. The book includes Common Core State Standards-based strategies for responding to students meaningfully and for inviting extensions beyond the book, motivating increasingly complex and connective writings. Sample dialogue journal entries are shared along with insightful

commentary and practical analysis. Everything needed for implementing *Between the Lines* is contained within these pages, including a user friendly appendix filled with fully reproduceable classroom workshop materials, tips for reducing the teacher reading and writing loads, and suggestions for building an enviable classroom library stocked with award-winning adolescent literature.
