**Abbey Beathan**

Originals Adam Grant, 2017-02-07 The #1 New York Times bestseller that examines how people can champion new ideas in their careers and everyday life—and how leaders can fight groupthink, from the author of Hidden Potential, Think Again, and the co-author of Option B “Filled with fresh insights on a broad array of topics that are important to our personal and professional lives.”—The New York Times DealBook “Originals is one of the most important and captivating books I have ever read, full of surprising and powerful ideas. It will not only change the way you see the world; it might just change the way you live your life. And it could very well inspire you to change your world.” —Sheryl Sandberg, COO of Facebook and author of Lean In With Give and Take, Adam Grant not only introduced a landmark new paradigm for success but also established himself as one of his generation’s most compelling and provocative thought leaders. In Originals he again addresses the challenge of improving the world, but now from the perspective of becoming original: choosing to champion novel ideas and values that go against the grain, battle conformity, and buck outdated traditions. How can we originate new ideas, policies, and practices without risking it all? Using surprising studies and stories spanning business, politics, sports, and entertainment, Grant explores how to recognize a good idea, speak up without getting silenced, build a coalition of allies, choose the right time to act, and manage fear and doubt; how parents and teachers can nurture originality in children; and how leaders can build cultures that welcome dissent. Learn from an entrepreneur who pitches his start-ups by highlighting the reasons not to invest, a woman at Apple who challenged Steve Jobs from three levels below, an analyst who overturned the rule of secrecy at the CIA, a billionaire financial wizard who fires employees for failing to criticize him, and a TV executive who didn’t even work in comedy but saved Seinfeld from the cutting-room floor. The payoff is a set of groundbreaking insights about rejecting conformity and improving the status quo.

**The Art of Sustainable Performance** Bas Kodden,2020-07-08 This open access book revisits common notions on how

to select and recruit the right employees. It reveals that the secret of successful individuals and teams lies in a combination of talent and four important performance indicators, offering an innovative approach that companies can fruitfully adopt. Bas Kodden has studied key performance indicators among over 1,100 executives, senior staff and professionals, including 50 CEOs from leading Dutch companies. His findings put the present recruitment and selection procedures used by many prominent companies in a new light. Moreover, the book not only addresses theory; it also offers a practically applicable model for recruitment, selection and professional development. In closing, the book includes a variety of questionnaires and checklists for HR professionals and executives whose goal is to build sustainable and successful teams and organizations.

**Emotions and Education: Promoting Positive Mental Health in Students with Learning Disabilities** Nicholas D. Young, Christine N. Michael, Teresa Allissa Citro, 2018-01-15 Written by an experienced team of practitioners and scholars, this text attempts to fill the gap in texts that specifically address the needs of Learning Disabilities (LD) students in the socioemotional and mental health domains. By providing a foundational understanding of some of the salient issues facing students with learning disabilities, we hope to empower all of those who are working to ensure their success by providing the particular challenges that LD students and their families may face, and strategies and best practices for building creativity, resiliency, prosocial behavior, and positive mental health. As a practitioner and family-oriented text, this book seeks to offer a truncated review of relevant literature followed by suggestions to guide practice.

**Social Entrepreneurship** Kucher, J. H., Raible, Stephanie E., 2022-01-28 This accessible textbook provides a comprehensive guide to the building blocks of sustainable social enterprise, exploring how core elements contribute to either the success or failure of the social venture. It analyzes the key skills needed to synthesize effective business practices with effective social innovation and points out both what works and what does not. Taking a practical approach, it demonstrates how big ideas can be transformed into entities that produce lasting change.
