Raven Black Ann Cleeves, 2021-03-18 Introducing Inspector Jimmy Perez. *Raven Black* is the first book in Ann Cleeves' bestselling Shetland series - now a major BBC One drama starring Douglas Henshall. A remote community with a killer in their midst . . . On New Year's Day, Shetland lies buried beneath a deep layer of snow. Trudging home, Fran Hunter's eye is drawn to a vivid splash of colour on the white ground, ravens circling above. It is the strangled body of her teenage neighbour. As Fran opens her mouth to scream, the ravens continue their deadly dance . . . The body is found close to the home of a lonely outcast and local suspicion falls firmly on him. But when Inspector Jimmy Perez insists on broadening the search for suspects, a veil of distrust and fear is thrown over the entire community. As the case develops, Perez finds himself peering deeper into the past of the Shetland Islands than anyone wants to go. The case files of Jimmy Perez continue in *White Nights*, the thrilling second Shetland novel.

Raven Black Ann Cleeves, 2008-06-24 The basis for the hit series Shetland now airing on PBS. Winner of Britain's coveted Duncan Lawrie Dagger Award, Ann Cleeves's *Raven Black* introduces a dazzling suspense series to U.S. mystery readers. It is a cold January morning and Shetland lies beneath a deep layer of snow. Trudging home, Fran Hunter's eye is drawn to a splash of color on the frozen ground, ravens circling above. It is the strangled body of her teenage neighbor, Catherine Ross. The locals on the quiet island stubbornly focus their gaze on one man--loner and simpleton Magnus Tait. But when detective Jimmy Perez and his colleagues from the mainland insist on opening out the investigation, a veil of suspicion and fear is thrown over the entire community. For the first time in years, Catherine's neighbors nervously lock their doors, while a killer lives on in their midst.

Shetland: The Four Seasons: Books 1-4 Ann Cleeves, 2017-11-21 CWA Diamond Dagger winner Ann Cleeves's Shetland Island series has long been beloved both by fans who have been intrigued by Detective Inspector Jimmy Perez from the very first page, and converts drawn in by the brilliant BBC series Shetland. Set in the most northerly community in the UK, the islands have a stark beauty that provides the backdrop for Jimmy's quietly intense cases. Here together for the first

time in a fantastic low-priced eBook bundle are the first four Shetland Island mysteries: *Raven Black*: Winner of the coveted Duncan Lawrie Dagger Award, *Raven Black* begins on New Year's Eve with lonely outcast Magnus Tait. When the body of a murdered girl is discovered, suspicion falls on Magnus, and Inspector Jimmy Perez enters an investigative maze that leads deeper into the past of the Shetland Islands than anyone wants to go. *White Nights*: The launch of an exhibition at The Herring House art gallery is disturbed by a stranger who bursts into tears then claims not to remember who he is or where he comes from. The next day he's found dead, and Jimmy must follow the winding trail the stranger has left behind to its conclusion. *Red Bones*: When a young archaeologist discovers a set of human remains, the locals are intrigued. Is it an ancient find—or a more contemporary mystery? Then an elderly woman is fatally shot, and Jimmy Perez is called in. In *Red Bones*, a claustrophobic mist swirls around the Shetland Islands, and Inspector Perez finds himself totally in the dark. *Blue Lightning*: Detective Inspector Jimmy Perez brings his fiancée home to Fair Isle, a birder's paradise, but when a woman's body is discovered at the island's bird observatory, the investigation is hampered by a raging storm that renders the island totally isolated. Jimmy has to find clues the old-fashioned way, and he has to do it quickly. There's a killer on the island just waiting for the chance to strike again.

A Bird in the Hand Ann Cleeves, 2025-01-28 Before *Shetland* and *Vera*, Ann Cleeves wrote the George and Molly Palmer-Jones series following remarkable mysteries in a birdwatching community—now in print for the first time in the US. In England's birdwatching paradise, a new breed has been sighted—a murderer . . . Young Tom French is found dead, lying in a marsh on the Norfolk coast, with his head bashed in and his binoculars still around his neck. One of the best birders in England, Tom had put the village of Rushy on the birdwatching map. Everyone liked him. Or did they? George Palmer-Jones, an elderly birdwatcher who decides quietly to look into the brutal crime, discovers mixed feelings aplenty. Still, he remains baffled by a deed that could have been motivated by thwarted love, pure envy, or something else altogether. But as he and his fellow 'twitchers' flock from Norfolk to Scotland to the Scilly Isles in response to rumors of rare sightings, George—with help from his lovely wife, Molly—gradually discerns the true markings of a killer. All he has to do is prove it . . . before the murderer strikes again.

The Crow Trap Ann Cleeves, 2017-02-21 An early book in award-winning crime novelist Ann Cleeves's *Vera Stanhope* series, brought to life by Brenda Blethyn in the hit TV series *Vera*.

Cold Earth Ann Cleeves, 2017-04-18 Named one of The Guardian's Best Crime Books and Thrillers of 2016.

Thin Air Ann Cleeves, 2015-05-05 Ann Cleeves is back with *Thin Air*, the sixth book in her beloved *Shetland* series, which is now a hit television show starring Douglas Henshall. A group of old university friends leave the bright lights of London and travel to Shetland to celebrate the marriage of one of their friends. But, one of them, Eleanor, disappears—apparently into thin air. It's mid-summer, a time of light nights and unexpected mists. And then Eleanor's body is discovered lying in a small

loch close to the cliff edge. Detectives Jimmy Perez and Willow Reeves are dispatched to investigate. Before she went missing, Eleanor claimed to have seen the ghost of a local child who drowned in the 1920s. Her interest in the ghost had seemed unhealthy—obsessive, even—to her friends: an indication of a troubled mind. But Jimmy and Willow are convinced that there is more to Eleanor's death than they first thought. Is there a secret that lies behind the myth? One so shocking that someone would kill—many years later—to protect? Ann Cleeves' striking new novel is a quintessential whodunit with surprises at every turn.

The Moth Catcher Ann Cleeves, 2016-10-04 Ann Cleeves makes a much-anticipated return with another investigation for her brilliant detective DCI Vera Stanhope, brought to life in the hit TV series *Vera* by Brenda Blethyn.

The Glass Room Ann Cleeves, 2018-04-24 From Ann Cleeves—New York Times bestselling and award-winning author of the *Vera* and *Shetland* series, both of which are hit TV shows—comes *The Glass Room*. “Ann Cleeves is one of my favorite mystery writers.”—Louise Penny DI Vera Stanhope is not one to make friends easily, but her hippy neighbors keep her well-supplied in homebrew and conversation, and somehow bonds have formed. When one of them goes missing, Vera tracks the young woman down to the Writer's House, a country retreat where aspiring authors work on their stories. Things get complicated when a body is discovered, and Vera's neighbor is found with a knife in her hand. Calling in the team, Vera knows that she should hand the case over. She's too close to the main suspect. But the investigation is too tempting, and she's never been one to follow the rules. Somewhere there is a killer who has taken murder off the page and is making it real . . .

A Day in the Death of Dorothea Cassidy Ann Cleeves, 2025-03-25 Before *Shetland* and *Vera*, Ann Cleeves wrote the Inspector Ramsay series featuring a talented, brilliant detective—now in print for the first time in the US. For Dorothea Cassidy, Thursdays were special. Every week she would look forward to the one day she could call her own, a welcome respite from the routine duties of being a vicar's wife. But one Thursday in June would be her last—the day Dorothea Cassidy was strangled. As the small town of Otterbridge prepares for its summer carnival, Inspector Stephen Ramsay begins a painstaking reconstruction of Dorothea's last hours. He soon discovers that she had taken on a number of deserving cases—a sick and lonely old woman, a disturbed adolescent, a compulsive gambler, a single mother with a violent boyfriend and a child in care—and even her close family have their secrets to hide. All these people are haunted, in one way or another, by Dorothea's goodness. But which of them could have possibly wanted her dead? It is not until a second body is discovered that Ramsay starts to understand how Dorothea lived—and why she died. With the carnival festivities in full swing and dusk falling in Otterbridge, Ramsay's murder investigation reaches its chilling climax . . .

The Lonely Man Ann Cleeves, 2025-06-03 New York Times bestseller Ann Cleeves' beloved detectives from the *Shetland* series, Willow Reeve and Jimmy Perez, move to the Orkney islands and unearth a new investigation in this gripping short

story. Detectives Willow Reeve and Jimmy Perez have left Shetland and moved to Orkney, the group of islands off the northern coast of Scotland. Their house isn't quite ready yet so they decide to rent a cottage for three months, found through a police colleague. Davie Tait is a farmer in his seventies and owns the land on which the cottage sits. Naturally, Willow and Jimmy befriend him during their stay. When a woman named Gloria comes to visit Davie one day, Willow becomes suspicious of their relationship once she learns of the unlikely circumstances that brought them together. She can't help but suspect something is amiss . . .

The Sleeping and the Dead Ann Cleeves, 2025-03-25 Before Shetland and Vera, Ann Cleeves wrote *The Sleeping and the Dead*, a vivid standalone psychological suspense novel—now in print in the US. Detective Peter Porteous is called to Cranwell Lake where the body of a teenager has been discovered. After trawling through the missing persons files, he comes to the conclusion that the corpse is Michael Grey, an enigmatic and secretive young man who was reported missing by his foster parents in 1972. The news report that a body has been found leaves prison officer Hannah Morton in shock. Michael had been her boyfriend, and she had been with him the night he disappeared. And now the discovery is bringing back dreaded and long buried memories from her past . . .

High Island Blues Ann Cleeves, 2025-01-28 Before Shetland and Vera, Ann Cleeves wrote the George and Molly Palmer-Jones series following remarkable mysteries in a birdwatching community—now in print for the first time in the US. Old college friends Rob, Oliver, and Mick reunite on an American bird watching tour. It is the first time in twenty years the three have been together—since their fateful trip to America when they met the enigmatic Laurie . . . The tour party is hoping for spectacular sights at High Island on the Upper Texas coast but, as the rain pours down and swarms of migrating birds fall from the sky seeking shelter, the birders are distracted by a far more shocking sight: Mick's dead body. Back in Britain, Private Investigators George and Molly Palmer-Jones are working on a minor fraud case attached to Mick's family. So when George receives a desperate transatlantic call from his friend Rob, he is on the first plane to Texas. His investigations make little progress—until the second body is found . . .

Contemporary Scottish Gothic T. Baker, 2014-10-29 An innovative reading of a wide range of contemporary Scottish novels in relation to literary tradition and modern philosophy, *Contemporary Scottish Gothic* provides a new approach to Scottish fiction and Gothic literature, and offers a fuller picture of contemporary Scottish Gothic than any previous text.

A Prey to Murder Ann Cleeves, 2025-01-28 Before Shetland and Vera, Ann Cleeves wrote the George and Molly Palmer-Jones series following remarkable mysteries in a birdwatching community—now in print for the first time in the US. The huge and powerful hawk dominated the scene. Its talons pierced the woman's flesh and the beak pointed towards her eyes . . . The sight is a particularly horrible shock for George Palmer-Jones, ornithologist and amateur detective, as he was an old friend of the victim Eleanor Masfield. George and his wife Molly are staying at Eleanor's family-run hotel, but Molly can't help but be

suspicious of Eleanor. Is Eleanor a black widow—a ruthless manipulator of all those caught in her far-reaching web? Can Molly prove it in time to prevent another death?

Island Genres, Genre Islands Ralph Crane, Lisa Fletcher, 2017-02-03 'Island Genres, Genre Islands' moves the debate about literature and place onto new ground by exploring the island settings of bestsellers. Through a focus on four key genres—crime fiction, thrillers, popular romance fiction, and fantasy fiction—Crane and Fletcher show that genre is fundamental to both the textual representation of real and imagined islands and to actual knowledges and experiences of islands. The book offers broad, comparative readings of the significance of islandness in each of the four genres as well as detailed case studies of major authors and texts. These include chapters on Agatha's Christie's islands, the role of the island in 'Bondspace,' the romantic islophilia of Nora Roberts's Three Sisters Island series, and the archipelagic geography of Ursula Le Guin's Earthsea. Crane and Fletcher's book will appeal to specialists in literary studies and cultural geography, as well as in island studies.

The Healers Ann Cleeves, 2025-03-25 Before Shetland and Vera, Ann Cleeves wrote the Inspector Ramsay series featuring a talented, brilliant detective—now in print for the first time in the US. News of the murder came to Inspector Stephen Ramsay early on Monday morning: isolated farmer Ernie Bowles was found lying on his kitchen floor, gruesomely strangled. Ramsey fears this case will not be simple. In his experience, most murders are straightforward: an explosion of family pressure, the loss of control in a fight. But Bowles seems to have kept himself to himself and had lived alone since his mother's death. A seemingly unconnected woman is then found strangled too—surely two such killings in the same locality are more than just chilling coincidence? When Ramsay hears of a third suspicious death, a very tenuous link between the victims takes on a new importance, for all were connected in some way to the Alternative Therapy Center in Mittingford. Could one of the healers be a killer?
