It's Your Funeral Dorothy Shorne,2024-10-29 Death may be inevitable, but there is still a significant event to follow – the funeral, or celebration of life ceremony. While the design of that ceremony can be left to the bereaved, some people may like to exert a measure of control over their last opportunity to express themselves. The book shows you how to influence the style and structure of your ceremony, with your input varying from basic instructions to a full outline. You can leave written texts, playlists of music, or audio-visual presentations. It will make the organization easier for those who are tasked with managing the event. Don't forget the ancillary issues—a legally enforceable will, putting in place an advanced care directive and power of attorney, and if there are children to consider, a guardianship agreement. This book covers it all.

Charlie Puth Tammy Gagne,2019-07-04 Charlie Puth did not grow up dreaming of being a pop star. Instead, he wanted to do what he loved most: write music. This young man who learned to play the piano at the age of four, had a clear talent for writing and composing, which led him to study jazz and classical music during his school years. He later earned a degree in music production and engineering. After graduating from the Berklee School of Music, he thought he would make his living helping others record music, but an invitation to record a song he had written for Wiz Khalifa with the rap artist changed all that. Today Charlie is one of the country's most popular pop performers.

The use of moving images is growing in numbers and in relevance for consumers. Films can be used in various forms by fashion businesses in traditional media like cinema or TV and in modern forms like in social media or moving images in high street stores. The book provides a data-oriented analysis of the state-of-the-art with certain future outlooks. Additional areas of covering fashion in moving images, such as 'fashion company identity films' or 'fashion and music videos' are covered in order to get a more complete analysis from a consumer influenced

INTERMISSION: Pirouettes and Promises - Book Two Deborah Wynne, 2020-11-15 Intermission, Pirouettes and Promises Book Two is the awaited sequel to Opening Act, Pirouettes and Promises Book One. Isabella "Izzy" Roccine-Cramer's journey continues in the glitz and glamour of Hollywood. With her wealthy husband Ashe Cramer as her producer, she stars in a movie based on her smash Broadway hit. Basking in their luxurious home, walking red carpets, and a surprise pregnancy, she

and Ashe never dreamed of being so happy. Their joy is short-lived as someone from their past follows them to California, intent on destroying their lives. As one twisted traumatic event leads to another, Izzy is challenged to balance grief and motherhood while managing the Cramer fortunes. Believing her dancing career may only be a cherished memory, she insists on relocating her family back to her refuge—New York City. She knows it's the only hope of regaining her confidence and establishing a comfortable home for her children. Her anonymity, a thing of the past, becomes her most treasured wish as she is thrust into society's upper crust. Finding the desire and time to dance again seems impossible until a chance meeting with Hollywood's most famous leading man. Callen Stone's swagger and playful approach to life may be just what Izzy needs. Callen's rogue reputation, in spite of his staggering good looks and exceptional dance skills, combined with Izzy's fear of love may mean that their burgeoning relationship is ill-fated from the start.
