Most of them use low-quality papers & binding. Their pages fall off easily. Some of them even use very small font size of 6 or less to increase their profit margin. It makes their books completely unreadable. About *Treasure Island* *Treasure Island* is an adventure novel by Scottish author Robert Louis Stevenson, narrating a tale of buccaneers and buried gold. It was originally serialized in the children's magazine *Young Folks* between 1881 and 1882 under the title *Treasure Island, or the mutiny of the Hispaniola*, with Stevenson adopting the pseudonym Captain George North. It was first published as a book on 14 November 1883 by Cassell & Co. *Treasure Island* is traditionally considered a coming-of-age story, and is noted for its atmosphere, characters, and action. It is also noted as a wry commentary on the ambiguity of morality-as seen in Long John Silver-unusual for children's literature. It is one of the most frequently dramatized of all novels. Its influence is enormous on popular perceptions of pirates, including such elements as treasure maps marked with an X, schooners, the Black Spot, tropical islands, and one-legged seamen bearing parrots on their shoulders.

Robert Louis Stevenson Angelica Shirley Carpenter, Jean Shirley, 1997-01-01 Describes the life of the man who wrote *Kidnapped*, *Treasure Island*, and *A Child's Garden of Verses*.

Treasure Island Robert Louis Stevenson, 1930 The book which made Stevenson famous, and has since become a classic among tales of adventure, to be ranked with *Robinson Crusoe*. Its appearance did much more than establish him as a writer for boy readers. In fact, the book was not instantaneously a success among readers of that day, pledged to Captain Marry at and his imitators. But it brought Stevenson prominently to the notice of an elder public, able to perceive the uncommon power of romantic description which marked *Treasure Island* from previous tales of adventure. A couple of years passed before this yarn of buccaneers and mutiny on the high seas became one of the most popular of boys' books. Meanwhile its author, who had never been a campaigner like Mayne Reid in Mexico, or Ballantyne with the Hudson Bay Company, but had lived in a bedroom world of romance of his own making, first found himself recognized as a writer of note outside the small

literary circle in which his work was esteemed.

Treasure Island (Modern English Translation) Robert Louis Stevenson,2019-04-30 Carefully edited for modern readers to allow for easier reading Peg-legged pirates, colorful parrots, and plundered riches--they're all here in Robert Louis Stevenson's classic seafaring adventure. When young Jim Hawkins decides to follow a map to buried treasure, he must befriend or outsmart memorable characters such as pirate Long John Silver, captain Billy Bones, and island man Ben Gunn. Mutinous plans, mysterious deaths, and a tangle of double crosses keep Jim guessing all the way to the prize. Inspired by real-life seafarers, Stevenson captures the adventurous spirit of the times and the imagination of readers, young and old alike.

Treasure Island, by Robert Louis Stevenson ... Robert Louis Stevenson,1949

Treasure Island By Robert Louis Stevenson (Pirate & Treasure) (Annotated & Illustrated) Robert Louis Stevenson,2020-04-16 For sheer storytelling delight and pure adventure, Treasure Island has never been surpassed. From the moment young Jim Hawkins first encounters the sinister Blind Pew at the Admiral Benbow Inn until the climactic battle for treasure on a tropic isle, the novel creates scenes and characters that have fired the imaginations of generations of readers. Written by a superb prose stylist, a master of both action and atmosphere, the story centers upon the conflict between good and evil - but in this case a particularly engaging form of evil. It is the villainy of that most ambiguous rogue Long John Silver that sets the tempo of this tale of treachery, greed, and daring. Designed to forever kindle a dream of high romance and distant horizons, Treasure Island is, in the words of G. K. Chesterton, 'the realization of an ideal, that which is promised in its provocative and beckoning map; a vision not only of white skeletons but also green palm trees and sapphire seas.' G. S. Fraser terms it 'an utterly original book' and goes on to write: 'There will always be a place for stories like Treasure Island that can keep boys and old men happy.'

Treasure Island Robert Louis Stevenson,Katharine Lee Bates,1903 While going through the possessions of a deceased guest who owed them money, the mistress of the inn and her son find a treasure map that leads them to a pirate's fortune.

Treasure Island (Annotated) Robert Stevenson,2013-07-22 This premium quality edition includes the complete text of Robert Louis Stevenson's classic tale of buccaneers and buried treasure in a freshly edited and newly typeset edition. With a generous 6x9 page size, this Summit Classic edition is printed on hefty 60# bright white paper with a fully laminated cover featuring an original full color design, and includes an original biography of the author and original annotations, inserted sparingly, to aid the modern reader with especially unusual words or phrases. TREASURE ISLAND... Peg legs and parrots, buried treasure, the Jolly Roger and fifteen men on a dead man's chest... with Treasure Island Robert Louis Stevenson indelibly marked forever the perception of pirates for future generations. The tale that became Treasure Island began with a treasure map drawn for his 12-year-old stepson and the pirate story Stevenson spun to go along with the map. Published in

serial form in 1881 and 1882 and in book form in 1883, *Treasure Island* brought him widespread popularity, launched his career as a profitable writer, and by the end of the 1880s, was one of the era's most widely read books. One of the world's truly beloved books, it has been widely read in many languages since its original appearance, and the story is one of the best-known around the world thanks to endless reprintings and translations, as well as films, comics, television and numerous other adaptations. Beginning with the appearance of an old seaman, Billy Bones, at the Admiral Benbow Inn run by his family, young Jim Hawkins is drawn into a great adventure: the search for the treasure of the legendary (and entirely fictional) pirate Captain Flint, buried on a remote island. Probably the most unforgettable character is the wooden-legged, parrot toting seaman, Long John Silver, utterly amoral and without scruples, ruthless and violent, but undeniably possessed of courage and quick wits, an unusual character for young readers' literature then, and even now. ROBERT LOUIS STEVENSON... Robert Louis Stevenson was born in Edinburgh, Scotland, on November 13, 1850. A sickly child, Stevenson was often unable to attend school for lengthy intervals. Although he did not read until he was seven or eight years old, Stevenson had begun dictating stories to his mother at a very early age. Stevenson's first book of short fiction, *New Arabian Nights* (1882), was one of the United Kingdom's earliest successful collections of short stories, a literary form which had previously been dominated by Russian, American and French writers. The 1880s witnessed both a marked decline in Stevenson's health and the most productive period of his career. Bedridden with increasing frequency and for longer durations, writing was one of the few activities he could manage, and while in this condition he wrote the bulk of his most enduring and popular fiction. In 1888 Stevenson and his family set sail from San Francisco to travel the islands of the Pacific Ocean. In 1889 they arrived in Samoa, where they settled and built a house. The island setting stimulated Stevenson's imagination and influenced his writing. Several of his later works are about the Pacific isles. Although best known for his fiction and, to a lesser extent, nonfiction, Stevenson was also an accomplished poet and a proficient musical composer. Robert Louis Stevenson died, probably as a result of a cerebral hemorrhage, on December 3, 1894, at his home in Vailima, Samoa. He was forty-four years old.

Treasure Island Robert Louis Stevenson, 2018-11-14 *Treasure Island* is an adventure novel by Scottish author Robert Louis Stevenson, narrating a tale of buccaneers and buried gold. Its influence is enormous on popular perceptions of pirates, including such elements as treasure maps marked with an X, schooners, the Black Spot, tropical islands, and one-legged seamen bearing parrots on their shoulders. *Treasure Island* was originally considered a coming-of-age story and is noted for its atmosphere, characters, and action. It is one of the most frequently dramatized of all novels. It was originally serialized in the children's magazine *Young Folks* from 1881 through 1882 under the title *Treasure Island, or the mutiny of the Hispaniola*, credited to the pseudonym Captain George North. It was first published as a book on 14 November 1883, by Cassell & Co.
