**How to say "on page x and the following pages"?** "Page 42 and the following pages" sounds correct. This could be shortened to "page 42 and following pages" (since you aren't specifying the exact number of following pages, it's some following pages, so the null article works), or perhaps even to "page 42 and following" (without the, it doesn't look like a noun is missing any more). **grammar - "the example below" or "the below example"? - English ...** Jan 17, 2014 · I am wondering which one is a proper structure for an academic writing text? the example below or the below example *Should I use "with" or "from" in the following sentence?* Jun 26, 2017 · "I might be light, but I'm strong. Thanks to the exercise I get with/from my weight vests." What's the correct option and why? Next year. Vs in next year - English Language Learners Stack ... Depending on context, "I'll see you next year." usually would mean the early part of the year and is more habitual, whereas "in the next year" can mean any time within 365 days and would probably mean later in the year or possibly even the following year than just "next year". **word choice - "As following" vs "as follows" - English Language ...** Which of the following sentences is more appropriate?
