An Exorcist Gabriele Amorth, 2015-09-15 Following up his international best-selling book, *An Exorcist Tells His Story*, Fr. Gabriele Amorth, the renowned chief exorcist of Rome, expands on some of the key topics of his previous book, covering important details about demonic or occult issues. He uses concrete examples from his own experiences and those of other exorcists to illustrate and substantiate his points. Since satanic sects, occultism, sciences, fortune-tellers and astrologers are so widespread today, Father Amorth asks the question why is it so difficult today to find an exorcist, or a priest who is an expert in this field? The example and the teaching of Christ is very clear, as is the tradition of the Church. But today's Catholics are often misinformed. Exorcisms are reserved for appointed priests, while all believers can make prayers of liberation. What is the difference? What norms must be followed? What problems are still open and unresolved in this field? The new book by Father Amorth answers these and many other questions, supporting his discourse with a rich exposition of recent facts. A valuable, practical and instructive manual for priests and lay people, on how to help many who are suffering.

An Exorcist Tells His Story Gabriele Amorth, 2015-07-21 In this powerful book, the renowned exorcist of Rome tells of his many experiences in his ministry as an exorcist doing battle with Satan to relieve the great suffering of people in the grip of evil. The importance of the ministry to expel demons is clearly seen in the Gospels, from the actions of the Apostles, and from Church history. Fr. Amorth allows the reader to witness the activities of the exorcist, to experience what an exorcist sees and does. He also reveals how little modern science, psychology, and medicine can do to help those under Satan's influence, and that only the power of Christ can release them from this kind of mental, spiritual or physical suffering. *An Exorcist Tells His Story* has been a European best-seller that has gone through numerous printings and editions. No other book today so thoroughly and concisely discusses the topic of exorcism.

Stronger Than Evil Fr Gabriele Amorth, 2024-10-15 There is no doubt that evil exists and that the devil's potency has increased in our modern culture of death. The rise in demonic afflictions -- from harassment and obsession to oppression and possession -- is an alarming testament to the reign of the prince of this world. For decades, Vatican exorcist Fr. Gabriele Amorth has been the leading voice on the demonic, spiritual warfare, and spiritual protection. Even after his death, newly published writings from his extensive archives remain as relevant as ever in our fallen world. In this fresh work, Fr. Amorth conveys a hopeful message about the supreme power of God over Satan and his minions. *Stronger Than Evil* draws from Fr.

Amorth's exorcism ministry, affirming that the power over demons lies in Jesus Christ Himself. Fr. Amorth highlights some of the most powerful experiences in his deliverance ministry, giving concrete examples of divine intervention in desperate cases. He reveals: The key differences between mental illness and demonic influence How serious sin opens the door to demonic attack Whether curses or evil spells are real, and what can be done about them Why Satan is behind the pro-choice movement and the scourge of abortion Evidence of the diabolical in modern music The dangers and temptations of modern technology While recognizing the real threat of the diabolical, especially in a society that has rejected God, Fr. Amorth does not fall into the pit of despair. He leaves readers with a hopeful message: that grace is the decisive defense against our spiritual enemy. Here, Fr. Amorth personally testifies to the miraculous intervention of the saints, Our Lady, and the Holy Trinity in spiritual warfare, assuring readers that God is always in control. God keeps His promise to deliver us from evil.

There is, however, nothing to fear when we put on the armor of God. In these absorbing pages, Fr. Amorth offers ways to equip yourself and your loved ones for the spiritual battle that all humans are destined to face -- and to attain victory. From the pen of the legendary priest exorcist, you will learn gripping details about: - The figure of Satan and key ways to protect yourself from diabolical snares - The role of exorcists -- past and present -- and their discernment in counseling afflicted souls - Lessons from the saints in overcoming the temptations and attacks of the devil - Six types of disturbances that the devil can provoke (Can you guess them?) - Three things that cause a soul to fall into diabolical disturbances - Signs of diabolical possession and the view of science in such cases An invaluable collection of tried-and-true traditional prayers is also included for protection against the devil and liberation from his bondage. Fr. Amorth further explains the origin of Hell and the primary tactic the devil uses in pursuit of souls. He also provides a brief overview of the history of exorcism from the earliest centuries of Christianity and describes the ministry of exorcism, yesterday and today. Drawing from the riches of his experience, Father clarifies how he evaluates whether an individual is suffering due to preternatural causes and reveals the only authentic proof of malevolent influence. Significantly, you will see how the ability to cast out demons testifies to Jesus' divinity and will discover ways that all of the faithful can intercede for the afflicted.

Above all, you will be consoled by the power of Christ over the enemy and learn to rest safely in His care while trusting that by His Precious Blood shed on the Cross the triumph is already won.

Padre Pio Gabriele Amorth,2021-08-16 This colorful memoir offers a rare, up-close glimpse of the life and personality of St. Pio of Pietrelcina, the beloved Italian monk who was blessed with extraordinary gifts. The late Fr. Amorth—well-known as an exorcist —enjoyed over two decades of a close friendship with the holy, quirky Padre Pio, whom he considered his spiritual father. Adding his own personal experience to a foundation of biographical research, Amorth gives an entertaining and illuminating account of perhaps one of the best-known saints of the twentieth century. In this book, we span from Padre Pio's childhood—where he cured himself of a disease by wolfing down all his mother's fried bell peppers—to his miracle-filled priesthood, to his Italian gift for mimicry, humor, and storytelling. Rather than a plaster image of a saint, this book is a portrait of a fully human kind of holiness, proof that even the most astonishing graces can be lived out with simplicity and joy.

Nightmares with the Bible Steve A. Wiggins,2020-11-16 Demons! Nightmares with the Bible views demons through two lenses: that of western religion and that of cinema. Sketching out the long fear of demons in western history, including the Bible, Steve A. Wiggins moves on to analyze how popular movies inform our beliefs about demonic forces. Beginning with the idea of possession, he explores the portrayal of demons from ancient Mesopotamia and the biblical world (including in select extra-biblical texts), and then examines the portrayal of demons in popular horror franchises *The Conjuring*, *The Amityville Horror*, and *Paranormal Activity*. In the final chapter, Wiggins looks at movies that followed *The Exorcist* and offers new perspectives for viewing possession and exorcism. Written in non-technical language, this book is intended for anyone interested in how demons are perceived and how popular culture informs those perceptions.

The Persistence of Evil Fintan Lyons O.S.B.,2023-08-24 Recording the history of the belief in the existence of Satan, this book draws from the Bible, the poetry of Dante and Milton, the legend of Faust, and from modern novels and plays such as the works of Mark Twain and G.B. Shaw, and the spiritual writing of C. S. Lewis. Fintan Lyons O.S.B. chronicles the

decline of that belief through the centuries as well as the attempts to treat the problem of evil philosophically, using the insights of thinkers such as Karl Barth. At the heart of this book is the attempt to synthesise or reconcile traditional belief with contemporary concern or even alarm regarding evil in the world. Lyons argues that evidence for the persistence of evil has been striking in modern times in wars and atrocities, while phenomena such as Satanic Cults and possible or real diabolical possession have continued to increase. The Catholic Church reacted to this situation in 1998 with a revision of the 1614 Rite of Exorcism, analysed in this book from both theological and psychological standpoints. By arguing that the transition from belief in Satan to personification of evil in historical regimes and characters brings contemporary culture into sharp focus, this book chronicles the history of humanity's attempt to understand the disturbing and mysterious reality of evil.

A Month in the School of Mary Gabriele Amorth, 2024-09-15 Fr. Gabriele Amorth is known for his courageous, decades-long work in the field of exorcism. But before being named the official exorcist of Rome, he was a Mariologist--a scholar specialized in the study of Mary. He spent years delving into biblical texts, Church traditions, and theological writings related to the Mother of God. The result is a deep understanding of Mary's vital role not just in the early Christian Church but throughout the history of Christianity including in our own era. This concise book is designed to be used as a month-long spiritual exercise devoted to Mary. Divided into four weeks, it consists of thirty short reflections and/or texts, one for each day. At the end of each week, there are prayers and a reflection of the spiritual theme of the week, followed by space to write your own personal reflections. The result is a personal, meditated diary. The texts are extracted from other works of the author, and they reflect Fr. Amorth's profound wisdom and knowledge of Marian themes, as well as his experience in spiritual warfare. Under the protection of Mary and with Fr. Gabriele Amorth as your guide, you can be confident that this work will aid you in your Christian journey.

The Sword and the Mask Jon C. Furgeson, 2022-08-12 Is spiritual warfare real? Is it just a metaphor for social justice? Do territorial spirits have a stranglehold on the planet? What does the Christian do with the rising fascination with the supernatural in Western culture? Does any of this matter for daily life? With meticulous care, Jon Furgeson dives into the sea of perspectives and voices in the church and Western culture, bringing the reader on a journey to gain perspective. After clearing the clutter and the confusion, he presents a bold new, yet faithful, way to understand spiritual warfare, to see how it

affects every person to the foundations of who they are and how the Spirit of God in Christ acts in the midst of the fallen powers to take broken sinners and turn them into antifragile saints.
