A Vineyard Rebirth Katie Winters, 2021 In 1943, a powerful hurricane ripped across Martha's Vineyard and destroyed the Historic Cliffside Hotel. Now, a broken, long-time realtor who has lived on the island her entire life sells the old acreage and building to a passionate developer -- and finds healing, love, and light along the way. Kelli Montgomery spent the previous twenty years in a loveless and abusive marriage. Last Christmas, after her brother, Andy, arrived home after decades away, she finally found the strength to leave her husband -- but as anyone who's ever been through such trauma knows, what happens next -- the healing process, the rebirth which is the hardest, and most grueling part of healing. Years ago, Kelli and her ex took over her parents' prosperous real estate business. Now that Mike has officially left the island, the work has fallen on Kelli's shoulders. Naturally, she is struggling -- even as the rest of the Montgomery and Sheridan families do their best to hold her upright and give her all the love and care in the world. A seasoned developer and his son have arrived on the island and have their eye on the Historic Cliffside Hotel, with dreams to build it back up into one of the most prosperous and beautiful resorts the island has seen since the '40s. Lucky for them -- Kelli and her parents still have the blueprints for the old hotel -- which means its previous beauty and allure can be restored. As Kelli falls deeper into the project, she finds herself lost in a daydream of hopes -- and ultimately healing the cracks in her soul. Of course, the Montgomery and Sheridan clan -- Steven, Andy, Claire, and Charlotte, and her cousins, Susan, Christine, and Lola Sheridan, along with Uncle Wes, and her father and mother, Trevor and Kerry -- have wild summertime stories and funny tales of their own. It's another summer on Martha's Vineyard and maybe Kelli's favorite in a long, long time.

A Vineyard Celebration Katie Winters, 2024-06-04

A Vineyard Christmas Guest Katie Winters, 2021 The Sheridan sisters' mother, Anna Sheridan never spoke much about her family, which is why the appearance of her younger sister is a surprise for all of them. She brings with her a host of troubles at the very worst time as Audrey arrives home from a tumultuous semester at Penn State, just as Christine gives birth to her very first child. Audrey has had a horrendous time away from baby Max. She grapples with guilt for going after her dreams, as she fears missing out on more essential moments in Max's life, and also questions her feelings for the handsome man she met earlier this year, when Max was in the hospital after birth. Romantic love has never been particularly good to

her. Why should she trust it, now? Christine faces the biggest mountain of all: motherhood. Is she ready for this stage of her life? She feels as big as a whale and terrified of making every possible mistake. The Vineyard Christmas guest will prove her a missing link off their happiness during a strange and overwhelming Christmas time, with all the familiar cast of Sheridan family members: Susan, Christine, and Lola, plus their daughters, partners, father, cousins, and friends.

Firefly Nights Katie Winters, 2020 Christine Sheridan is the middle sister of the Sheridan clan: lost between her older sister, Susan, a successful criminal lawyer and her whip-smart little sister, Lola. Over twenty years apart, she and her sisters have just learned the secret that their dead mother has kept from them all these years, of their mother's true fate. Now, Christine returns to New York City, to her boyfriend Frank, to a life she once loved. But the prestigious restaurant they own is no more, and Christine is left once again without solid ground. At forty-one, unable to have children, and with nowhere to go--she knows only to return home to the Vineyard and her family. Martha's Vineyard is in full summer bloom. After over twenty years away, Christine falls in love again with the water, with boating, the people, and with carefree days that meander and pop with bright conversations with Lola and Susan and long afternoon swims through crystal waters. Unfortunately, her high school rival, the ever-handsome Zach Walters, seems to lurk everywhere she goes--even offering her a pastry chef position at the Sunrise Inn Bistro. Almost reluctantly, she takes it--and soon becomes the most championed pastry chef on the island. Zach doesn't seem so bad, either, although he does seem to harbor his own secrets. Still, the Sheridan clan is never far from heartbreak. As the Sheridan sisters grow closer, their father loses even more of his memory; their mother's real killer remains on the loose, as does Scott's brother, who stole an obscene amount of money from the Sunrise Cove Inn. Secrets swirl through the family--and drama escalates when Lola's daughter, Audrey, calls with shocking news that sends ripples through the entire Sheridan family. Every day, the Sheridan sisters find new ways to support, enrage, love, and surprise one another. At forty-one, Christine feels caught between her old life and her new one--poised on the brink of either collapse or the greatest love she's ever known. Will she find happiness on the island? Come and find out!
