David R. Reagan

Living Faith, Hope and Love John Callaghan, Mary O'Brien Callaghan, 2005-07 Autobiography that describes life in the U.S. during the years 1918 to 1958. O'Brien was a musically gifted Catholic and mother of 18 children.

Living with Hope David Sears, Lou Sears, 2025-07-08 Living with Hope A True Story of Love, Courage, and Resilience in the Face of Incurable Cancer When life changes in an instant, how do you hold on to hope? Living with Hope is the moving true story of one couple's journey after an incurable cancer diagnosis. From the initial shock of diagnosis to navigating treatments, clinical trials, and the unpredictability of remission and relapse, this intimate memoir offers an honest and heartfelt look at the emotional and physical challenges of living with multiple myeloma. Told with raw vulnerability and unwavering love, this book is not just about cancer—it's about choosing hope when everything feels uncertain, finding strength in partnership, and embracing life. For anyone facing the unthinkable—or walking beside someone who is—Living with Hope is a testament to the power of love, perseverance, and the human spirit.

Hit & Hope David Owen, 2008-06-17 Jack Nicklaus once said of the incomparable Tiger Woods (echoing a comment made about Nicklaus by Bobby Jones), He plays a game with which I am not familiar. David Owen, however, plays a game with which we are all very familiar: He plays in a weekly foursome, takes mulligans off the first tee, practices intermittently at best, marks his ball on the green with his lucky coin (until the luck wears out and another trinket is deemed to have better karma), wore a copper wristband because Seve Ballesteros for reasons beyond understanding said to, and struggles for consistency even though his swing is consistent -- and mediocre. He bets, he wins, he loses, he agonizes, he dreams. Hit & Hope is as pure a definition of the game of golf as anyone has ever devised. Through the essays in this book, acclaimed columnist and author Owen takes the mundane aspects of the game and our approach to it and stands them on their head, turns them inside out, and lays our follies bare for all the world to see (all the world except ourselves, of course). He does for American golfers what P. G. Wodehouse did for our English cousins, or Jacques Tati did for humanity at large: He finds humor and nobility in our essential silliness, as expressed in our pursuit of a little white ball over a vast (but not vast enough to contain our slices) greensward. Funny, candid, and thoughtful, Hit & Hope is an invaluable addition to any duffer's bag and the truest commentary on how -- and why -- the rest of us play golf.

Hope, Healing & Heaven Julia Jourdan,2021-02-02 Hope, Healing and Heaven is for everyone in search of hope. I have walked in your shoes. I've been mistreated, rejected, addicted, depressed and anxiety-ridden, hopeless and grief-stricken. But that is not where this story ends. My journey out of the pit of hopelessness is outlined in these pages as I discover the truth that whatever the present circumstances, hope still remains. Hope that is not just wishful thinking, but hope that comes with the certainty of an expected conclusion. The key is to understand that this present and short life is only the first act on the stage of eternity - just the opening scene in an infinite drama where the second, final, and never-ending act is spectacularly better than the first. So take heart - even the worst of situations can be overcome with hope and healing and the certain expectation of Heaven.

Living with Animals Nellis C. Boyer,2008-11-04 The old man shook the bag and grinned, watching in perverse pleasure as his captive swayed with the effort of standing upright. Lester stepped off the porch and approached the creature. He stopped just short of her reach and held the bag out so the animal could smell the food. And then he spit into the dry dirt, kicked it into the dog's face, and folded the top of the bag shut. Hardy squeezed the trigger, his bullet catching Lester between the eyes, spinning him like a top and dropping him flat. WHEN BELOVED SMALL TOWN VETERINARIAN, HARDY JOHNS TURNS SIXTY THREE, HE HAS AN EPIPHANY, REALIZING HE CANNOT SAVE THE ELEPHANTS,THE WHALES, AND FAR OFF ENVIRONMENTS, BUT HE CAN MAKE A BIG DIFFERENCE IN HIS HOMETOWN COMMUNITY. Jeremy's Home & There's Always Hope Susan Payne,2020-04-15 Jeremy's Home Jeremy Macgregor arrived home with his almost-fiancée only to find the town of Sweetwater means more to him than the woman on his arm. Some of the shine becomes gloss when seen in the light of his brother's new lives as family men. Realizing in time his real ambitions, Jeremy decides to stay in Sweetwater and help in its potential to prosperity. Something he is placing all his aspirations on. Faith is seeking a safe place for her closest friend after a horrifying attack on them both. Knowing Charity will be safe with Callie

Harrison, Faith prepares herself to continue on in life alone. Unable to be part of the ever-increasing group of graduates from the St. Michaels Foundling Home gathering near Sweetwater, Kansas. Is it possible two such different people can find themselves entwined in the same goals? Can find their lives meeting and joining even when consequences no one could have seen coming may push them apart? There's Always Hope Hope St. Michaels dedicated her life to teaching. Knowing she would never marry and have children of her own, she wanted to repay what she felt she had received from the nuns at New York's St. Michaels Foundling Home. Having been asked to become the new teacher for Sweetwater, Kansas, where so many of her fellow orphans were living was more than she could ever imagine. She knew she would be welcomed and accepted by those already familiar with her disfigurement. Bounty hunter, Coyote Wilder, felt a twinge of regret for placing an unaware and unsuspecting young lady in a position of danger. But he needed to recapture a desperate criminal who would wreak havoc on hundreds of others. Possibly going on for another ten years before being captured again. He would need to protect her while waiting for the dangerous felon. Two people from such different worlds meet and together find the freedom neither thought they would ever have to be themselves. To find love and make amends for past misjudgments.

Hope and Honor Sid Shachnow, Jann Robbins, 2016-02-02 *Hope and Honor* is a powerful and dramatic memoir that shows how the will to live—so painfully refined in the fires of that long-ago death camp—was forged, at last, into truth of soul and wisdom of the heart. Major General Sid Shachnow was more than a highly decorated Vietnam War veteran—receiving two silver and three bronze stars with V for Valor. He survived a crucible far crueler than the jungles of Vietnam: Nazi occupied Eastern Europe. As a child, he spent three years in the notorious Kovno Concentration Camp. But his next journey took him to America, where he worked his way through school and eventually enlisted in the US Army. He volunteered for U.S. Special Forces, and served proudly for 32 years. His driving dream was to save others from the indignities he had endured and the deadly fate he so narrowly escaped. From Vietnam to the Mideast, to the fall of the Berlin Wall, Sid Shachnow served in Special Operations. He grew as Special Forces grew, rising to major-general—responsible for American Special Forces everywhere—but the lessons of Kovno stayed with him, wherever he turned, wherever he soldiered. To Right Every Wrong Dave Andrews, 2021-01-21 Dave Andrews's latest book, *To Right Every Wrong*, is the last in the Dave Andrews Legacy Series. It is a funny, sad, brutally honest retrospective, reflecting on what it has meant for him and his family to seek to live a lifetime dedicated to love and justice. The reflections in this book, subtitled *The Making and*

Unmaking of One Improbable Minor Prophet, come in three parts--the personal, the prophetic, and the paradoxical. The personal part explores Andrews's experience of the radical, compassionate spirituality that he shares with wife, Angie, and which has shaped their way of life as a family in community with marginalized and disadvantaged groups of people. The prophetic part explores Andrews's embrace of the strange, crazy, improbable call he felt to be a prophet, which he has sought to flesh out in classic prophetic roles--as an interrogator, a protester, a practitioner, and an inspirator--in contemporary prophetic contexts characterized by poverty and violence. The paradoxical part explores Andrews's making and unmaking as a minor prophet, critically constructing and deconstructing the more confrontational aspects of the prophetic roles he has played in order to be able to practice more sensitive pastoral care.

The living voice of the gospel Johan Cilliers,2004-01-01 Preaching - described here in Johan Cilliers's groundbreaking new book as the heart and soul of the church - requires both constant revision and fidelity to principles. Hence this book's subtitle: "Revisiting the basic principles of preaching". From various theoretical and practical viewpoints, Cilliers critically examines the state and future of preaching and deals boldly with contentious issues such as the validity of legalistic and moralistic preaching.

Variations on a Theme Huck Fairman,2017-11-22 Variations on a Theme is a collection of five short stories and two brief memories, or memoirs, looking back on former loves, attractions, and college. The theme uniting the stories and memories is love and attractions between men and women. The writing styles vary, as do some of the story/memoir locations New York City, Vermont, Rome, Italy. The stories are mostly contemporary or occurring in recent decades, but one memoir looks back at the 60s.

Living Stewardship [New Church Participants] Bruce Larson,2010 Being a steward is about how you live your life and express your values to others. Faithful followers of Jesus live shalom by living in harmony with others and the world. We are called to live as generous creatures created by a generous God who shares responsibility with us for all creation ? to live stewardship. This book applies to all adults and youth who have not had much experience in a faith community or who are moving to a new faith tradition. Activities in this book help readers explore congregational practices (whether a new participant or not) and make connections to others in the congregation. Practicing our faith is a lifelong process. When completed, this series will offer 24 practices in 10 different life settings. This series can be used at any time or stage in your life.

Living for Christ in the End Times David R. Reagan,2000 A classic Bible prophecy book that looks at end times subjects, but this one is a positive, hopeful book that urges Christians to both stay strong during persecution, and look anxiously forward to eternity. This book looks at apostasy in the Church, Middle East storm clouds, the importance of vitality of prayer, and practical ways to stand for the faith. One of the most balanced prophecy teachers around today, Reagan has a Ph.D. in

political science and taught at the University of Texas before starting Lamb and Lion Ministries in McKinney, TX in 1980. His heavy speaking schedule takes him to a wide range of denominations, all anxious to hear his hope-filled message that says simply, Jesus is coming soon!
