QuickRead, Alyssa Burnette

Outwitting the Devil Napoleon Hill, 2024-10-22 Napoleon Hill, who was one of America's greatest influential thinkers, reveals how you can triumph over obstacles to find success in business and in life in his classic book, *Outwitting the Devil*, profound, powerful, resonant, and rich with insight. The Devil ensnares and controls our minds so we are unable to achieve our personal goals. Hill went so far as to interview the Devil, himself, exploring the innermost depths of the psychology of motivation to understand why so many individuals, including himself, let fear, procrastination, anger and jealousy prevent us from realizing our full potential. The resulting confession from the Devil made this book so controversial as to remain unpublished for over 70 years. The good news is that it is available to you now! Not only is it an insightful and revolutionary perspective on human growth, but with the study guide included in this Deluxe Special Edition, it serves as a powerful hands-on toolkit to achieving personal victory. As you journey through the book and accompanying study guide, you are taken through a step-by-step personal development process that will assist you in conquering your own "inner" demons. You can explore and move beyond your own personal beliefs, fears, blocks and programming and ultimately be released from self-destructive behaviors. With his legendary ability to get to the root of human potential, Napoleon Hill lays out the exact nature of the power by which the Devil disarms human beings. This is the same power that paralyzed millions of individuals with fear and despondency during the Great Depression and continues to hold people back from their dreams. By opening our minds to acquire knowledge that might not seem to mesh with our personal beliefs, we can access a greater truth that will "bring harmony out of chaos in this age of frustration and fear." Learn the seven principles to freedom that Hill details in this book and move beyond them on your own introspective journey, so you can finally overcome the causes of failure and misery. It's time to eliminate your destructive habits, and unlock the secret to outwitting the devil once and for all.

Outwitting the Devil® Napoleon Hill, 2021-01-19 Following the success of his 1937 landmark bestseller, *Think and Grow Rich*®, Napoleon Hill wrote *Outwitting the Devil*®, an exposé on the methods the Devil uses to ensnare and control the minds of human beings. Exploring the innermost depths of the psychology of motivation to understand why so many individuals, including himself, cannot find the initiative and courage they need to consistently implement the philosophy of individual achievement, Hill went so far as to interview the Devil himself. The resulting confession from the Devil made this book so controversial as to remain unpublished for over 70 years. Now it is your turn to break the Devil's code and free

yourself from the hidden methods of control that lead to ruin. In this reproduction of the complete text of Hill's original manuscript is laid out the exact nature of the power by which the Devil disarms human beings with fear, procrastination, anger, and jealousy so that they do not reach their full potential. This is the same power that paralyzed millions of individuals with fear and despondency during the Great Depression and continues to hold people back from their dreams. Complacency and mediocrity are not the root issue; they are symptoms of deeper ills that we are conditioned by society to accept. But you must open your mind to acquire knowledge and consider facts that might not harmonize with your personal beliefs in order to access a greater truth that will, as Hill said in his original preface, "bring harmony out of chaos in this age of frustration and fear." If you have been the victim of lost courage, weakened enthusiasm, and lack of self-discipline—if you are demoralized and plagued by fear, anxiety, overwhelm, or apathy—the seven principles to freedom detailed in this book herald your redemption. You will finally become independent of the causes of failure and misery, break the bonds of destructive habits, and unlock the secret of a natural law as significant as the law of gravity so that you can outwit the devil once and for all.
