Thomas Carlyle

A Night to Surrender Tessa Dare, 2011-08-30 “An engaging love story with strong, believable characters. I can’t wait to read the sequels!” —Mary Balogh “Prepare to fall in love.” —Julia Quinn Presenting the winner of the Avon FanLit contest, the immensely talented Tessa Dare! Tessa’s first Avon historical romance, *A Night to Surrender*, is a love story to remember—kicking off her wonderfully inventive Spindle Cove series, set in England’s Regency Era in a small seaside resort town that caters specifically to ladies “of good breeding and delicate constitution.” Fans of Lisa Kleypas, Christina Dodd, and Liz Carlyle will delight in the passionate chaos that ensues when a dashing British officer, under orders, “invades” this community of strong-willed “spinsters,” only to discover he’s met his match in Miss Susannah Finch!

Ladies in Arms Teresa Hiergeist, Stefanie Schäfer, 2024-03-04 In contemporary popular culture, armed women take center stage – but how can they be read from a feminist perspective? How do films, comics, and TV series depict the newly fashionable gunwomen between objectification and feminist empowerment? The contributions to this volume ask this question from different vantage points in cultural and literary studies, film and visual culture studies, history, and art history. They examine military and civic gun cultures, the rediscovery of historical armed women and revolutionaries, cultural phenomena such as gangsta rap, narcocultura and US politics, Bollywood and French cinema, and distinct genres such as the graphic novel, the romance novel, or the German police procedural Tatort.

The resolution, is REVOLUTION Xavier Jones, 2017-07-25 I walk around vacant downtown Toulouse, thinking about the tradition/convention known as New Year’s resolutions. I’ve never been one to make them because I admit I would have a hard time keeping them. Then I began thinking of the state of our world and how desperately things need to change. There is no more room for gradualism! We are in a global state of emergency! We have the motives and the means. We must now take the risks to reap the rewards. We are faced with a plethora of problems that require solutions. We will only achieve those solutions with a resolution, and “The resolution, is REVOLUTION!”

A Just and Righteous Cause Bruce J. Dinges, Shirley A. Leckie, 2016-06-29 General Benjamin H. Grierson is most widely known as the brilliant cavalryman whose actions in the Civil War's Mississippi Valley campaign facilitated Ulysses S. Grant's capture of Vicksburg. There is, however, much more to this key Union officer than a successful raid into Confederate-held

Mississippi. In *A Just and Righteous Cause: Benjamin H. Grierson's Civil War Memoir*, edited by Bruce J. Dinges and Shirley A. Leckie, Grierson tells his story in forceful, direct, and highly engaging prose. *A Just and Righteous Cause* paints a vivid picture of Grierson's prewar and Civil War career, touching on his antislavery views, Republican Party principles, and military strategy and tactics. His story begins with his parents' immigration to the United States and follows his childhood, youth, and career as a musician; the early years of his marriage; his business failures prior to becoming a cavalry officer in an Illinois regiment; his experiences in battle; and his Reconstruction appointment. Grierson also provides intimate accounts of his relationships with such prominent politicians and Union leaders as Abraham Lincoln, Richard Yates, Andrew Johnson, William T. Sherman, Ulysses S. Grant, John C. Frémont, and Benjamin Prentiss. Because Grierson wrote the memoir mainly with his family as the intended audience, he manages to avoid the self-promotion that plagues many of his contemporaries' chronicles. His reliance on military records and correspondence, along with family letters, lends an immediacy rarely found in military memoirs. His reminiscences also add fuel to a reemerging debate on soldiers' motivations for enlisting—in Grierson's case, patriotism and ideology—and shed new light on the Western theater of the Civil War, which has seen a recent surge in interest among Civil War enthusiasts. A non-West Point officer, Grierson owed his developing career to his independent studies of the military and his connections to political figures in his home state of Illinois and later to important Union leaders. Dinges and Leckie provide a helpful introduction, which gives background on the memoir and places Grierson's career into historical context. Aided by fourteen photos and two maps, as well as the editors' superb annotations, *A Just and Righteous Cause* is a valuable addition to Civil War history.

Dona Flor and Her Two Husbands Jorge Amado, 2006-09-12 It surprises no one that the charming but wayward Vadinho dos Guimaraes—a gambler notorious for never winning—dies during Carnival. His long suffering widow Dona Flor devotes herself to her cooking school and her friends, who urge her to remarry. She is soon drawn to a kind pharmacist who is everything Vadinho was not, and is altogether happy to marry him. But after her wedding she finds herself dreaming about her first husband's amorous attentions; and one evening Vadinho himself appears by her bed, as lusty as ever, to claim his marital rights.

The Mystic Way of Evangelism Elaine A. Heath, 2017-11-07 Elaine Heath brings a fresh perspective to the theory and practice of evangelism by approaching it through contemplative spirituality. This thoroughly revised edition includes a new study guide. Praise for the First Edition Outreach Resource of the Year Award Winner [Heath's] biographies of the mystics are inspiring, and her emphases on suffering and spiritual depth as the antidote to a prepackaged, method-obsessed, consumer-oriented evangelistic approach are refreshing.--Outreach

Office Of The Strategic Services Operational Groups In France During World War II, July-October 1944 Major John W. Shaver III, 2015-11-06 This study evaluates six Operational Groups which supported Allied operations in France during the period 31 July to 10 October 1944. The groups were composed of two officers and 15 enlisted men. They were trained to work behind enemy lines conducting sabotage and guerrilla activities. The conceptual developments of Operational Groups doctrine, recruitment, command and control, and training for these volunteers are first examined. The teams' missions are then examined. The study concludes the concept for Operational Groups was sound, but they were not properly employed as strategic assets, thus not exploiting their capabilities to the fullest. Problems they experienced were mission orders, intelligence, command and control, and air delivery of special operations personnel. Studying their history is useful to today's leaders and Special Forces as a means of evaluating special operations support to a theater.

THE IDENTITY OF A MAN WHO LOST HIS FATHERLAND & VIETNAM WAR TRẦN TRỌNG VIÊN MÃN, 2022-09-07 To the president of the United States do I ask the leaders to transparently confirm that they are anticommunist at their root or complicit. How are you anticommunist in the United States? Who created communism and the purpose of using the United States to wage war in South Vietnam? Is this the war of genocide and the defeat of the Vatican in South Vietnam? The life of the Vietnamese people or victims: colonialism, capitalism, communism, Christianity. The true Vietnam War witnesses live magical stories that have never been told of the United States and the communists is essentially a religious Christian war with South Vietnamese Buddhism under named ideology. A people with a culture of five thousand years is the fastest in the world to go bankrupt within fifty years. The Vatican and the United States must take responsibility and answer to the world history in the Vietnamese communist invasion and eradication of the Vietnamese people. The message to the Chinese Communist Party should stop invading Vietnam before it's too late. Vietnam is a holy place to bury the invaders' corpses. The S-shaped strip of land is the death land for all the invading empires.
