*Forever Time* Terry Trafton, 2021-03-01

What happens when a town loses its soul? *Forever Time* is a journey into the paranormal by way of an alternate reality.

After a woman is discovered hanged beneath Harker Covered Bridge in Southern Indiana, and a few days later another woman found drowned in the Anderson River, people in the scenic town of Bristow declare an ancient curse responsible. Investigating authorities have no leads and identities of the two young women remain unknown. The mystery deepens when both bodies disappear shortly after they are recovered.

Bristow is a town in the relentless grip of the supernatural. Investigative reporter Abby Kline realizes that local psychic Becca Mitchell, who is deeply troubled by visions of another time and place, resorts to deception to protect herself from Abby's suspicions. With the help of Sheriff's Deputy Brady Willis and anthropologist Dr. Niles Robey, the pieces of a dark and intricate narrative are slowly revealed. Even after the true identities of the Selwyn sisters are known, Niles continues his love affair with an enigmatic Emme Selwyn. But the secrets Emme conceals are the darkest secrets of all.

What is the purpose of the archaic chamber on Stone Hill and how is it connected to seven monoliths nearby? After spending an eerie night in the Chalk, Dr. Robey sees the miracle of the stones and realizes their astonishing powers. When time is bent, significantly altered, instead of passing from one minute to the next, it becomes possible to pass from one minute to the

same minute and from one day to the same day.

Disillusioned, his faith faltering, Elwyn Kipps renounces the church where he served as a deacon for 30 years and declares himself the new messiah called to save the sinners of Harker's Landing. In the great Chalk Ridge Forest, the mysterious spook lights expose the hypocrisy of this counterfeit preacher and reveal a shocking incident hidden since 1847 by the people of Harker's Landing.

Forever Time is a suspenseful paranormal thriller which will keep the reader's attention from its gripping beginning to a poignant and memorable conclusion.

With the love of her life beside her and her father leading the way, they walk with sorrow and uncertainty in their hearts. Knowing that she wont have long to live after her change that night. **Out of Time** Samantha Graves, 2008-08-01 **SHE'S GOT THE SIGHT** For museum curator Jillian Talbot, her ability to see an object's history is her little secret. She never expects it to land her in the middle of a deadly battle for money and power between dangerous underground elements. The object of their greed: an ancient crystal lens that can unlock mysteries from the past... but only for someone with the sight. The one person who doesn't seem to want her dead is a cynical tomb raider who Jillian can only hope is worthy of her trust... **HE'S IN TOO DEEP** Simon Bonner has paid the last of his debts and is out of the looting game...until the lens lands on his doorstep. The other half of the crystal's secret is locked inside the eyes of a straitlaced psychic who still believes in doing the right thing. Now he must track the mystery deep into Mexico, where his desire to stay alive and his growing passion for the sexy seer make every move a dance with danger. **OUT OF TIME** Tomorrow could be history.

*The Stone and The Star* Jillian Graves, 2023-10-24 Colossus is the only living gargoyle still in existence...or so he believes. The massive stone monster doesn't trust his faint memories of his time before guarding Pittsburgh's Fine Art Conservatory's belltower. Without a clear sense of his purpose, Colossus's days are long and his nights are lonely. The single point of light in the dark monotony is the voluptuous blonde ceramics professor whose easy laugh echoes up to his perch from her faculty apartment each night. Too bad the little human doesn't know he exists. Or does she? Astra loves digging into a fresh block of clay, but after a packed teaching schedule and a serious case of burnout, the creative juices just aren't flowing. The deadline for the artist residency of her dreams is looming-she needs to rediscover her artistic spark. Astra's only comfort comes when she unwinds at home. Inspired by the alluring gargoyle statue across from her window, Astra indulges in a little self-pleasure almost every night. While the stone figure on the belltower seems to watch her work her way to gratification, she assures herself that her exhausted mind must be playing tricks on her. But that doesn't mean she doesn't like the feeling...or that Colossus himself is inspiring. When a late session in the studio forces the professor into the path of danger, Colossus defies his solitary nature and intervenes. Now there is no denying that the gargoyle is real and that he liked watching her just as much as she liked him watching. Their bond should be impossible, yet it feels more real than anything Colossus has known for hundreds of years. But will Astra follow her monstrous new muse wherever he might take her? *The Stone and The Star* was originally featured in the *Monsters in Love: Wicked Tales and Monstrous Ever Afters* Anthology. This edition includes a bonus twenty page epilogue. *The Stone and The Star* is connected to the Strange Universe and takes place in the same universe as *Titan: A Gargoyle Daddy Dom Romance* and *Blood Moon: A Rivals to Lovers Vampire and Witch Novella*, but doesn't require prior reading of either story to enjoy.
