My Share of the Task General Stanley McChrystal, 2014-01-28 General McChrystal is a legendary warrior with a fine eye for enduring lessons about leadership, courage, and consequence. —Tom Brokaw General Stanley McChrystal is widely admired for his hunger to know the truth, his courage to find it, and his humility to listen to those around him. Even as the commanding officer of all U.S. and coalition forces in Afghanistan, he stationed himself forward and frequently went on patrols with his troops to experience their challenges firsthand. In this illuminating New York Times bestseller, McChrystal frankly explores the major episodes and controversies of his career. He describes the many outstanding leaders he served with and the handful of bad leaders he learned not to emulate. And he paints a vivid portrait of how the military establishment turned itself, in one generation, into the adaptive, resilient force that would soon be tested in Iraq, Afghanistan, and the wider War on Terror.

Slipping Reality Emily Beaver, 2011-07-16 In a time of hardship and heartbreak, sometimes, reality just isn't enough. *Slipping Reality* is the story of fourteen-year-old Katelyn Emerson, who, when faced with the glaring reality of her brother's illness, rebels against the truth by slipping away into the depths of her own imagination. There, she finds the kind of support and comfort she feels she deserves. There, she does not have to feel so alone. And yet, as Katelyn's grasp on reality begins to unravel, so too does the story of a girl who grew up too fast and fell apart too soon. Emily Beaver's debut novel is a coming of

age story that deals with the trials of young grief, insight, and growth where it's least expected.
