But he got double pneumonia the week he was supposed to ship out to Richmond for school. #2 George had a religious experience when he saw the light that was Jesus. He thought about Jesus, the Son of God, whom he had learned about in Sunday school. This person was Power itself fused with an unconditional love that overwhelmed him. #3 I had the experience of seeing my entire life in front of me when I was praying. I saw every single episode of my existence, from the third-grade spelling class to the Eagle scout ceremony. I was shocked and amazed by the life I had lived. #4 After his tour of another dimension, George Ritchie was sent back to his earthly body, but with a sheet over his head. He had experienced life after life, and said that how we spend our time on earth is vastly more important than we can know.

The End of the World Mark Meek,2001-06-24 There has been a vast amount of literature and books written over the past few decades about how the prophecies in the Bible about the last days of the world are taking shape in our times. Today, the majority of Fundamentalist Christians accept that we are living in what the Bible calls the "Last Days". However, most of the recent literature and discussion about the subject has been rehashing the same facts as have been known for many years. The purpose of this book is not only to leave no doubt that we are indeed in the "Last Days" but to bring the entire scenario into the new millennium.

All Manner of Things Jeffrey A. Vogel,2023-01-27 The meditations in this collection originated from a series of questions about suffering, death, and eternal life put to the author by a friend who was dying from cancer. These questions included:

How do we wait upon God and cancer at the same time? What do we know of the God to whom we go when we experience only the silence of God in our suffering? How do we long for heaven when what we want most is to continue on with our families and loved ones in this life? Is heaven removed from this world? Does the joy associated with it depend on ignorance of the suffering of those we leave behind? And so on. The meditations themselves are not intended primarily as answers to these questions so much as an attempt to enter into them more fully, the goal being to think about how we might best inhabit those places where doubt and faith, grief and hope, forsakenness and grace are so often made to coexist. For though the tension between suffering and hope cannot ultimately be resolved in this world, we can look for ways to stand within it a little more boldly, and to fall within it a little more boldly as well. We can seek out words or images that allow us to speak about it a little more clearly, a language that helps us to find rest in our longing and perhaps also longing in our rest.

Pages Called Holy J. Ted Voigt, 2009-06-01 Seeking to live a Christian life in this American society can often evoke a wide range of emotions, and the precipitation sometimes looks like poetry. Times of great joy as well as times of disappointment and great sorrow are excellent catalysts for a kind of poetry that speaks in real ways to real people. This project contains both joy and sorrow, in an attempt to express different aspects of the changing atmosphere of the religious experience in the twenty-first century. I believe poetry can speak simply to deeper theological ideas in a way that is both deeply beautiful and deeply true. At times theology can be a very inaccessible subject for the average layperson, but it can also have a certain simple beauty that anyone can appreciate. As I have read and learned about theology, I've always found that the most

profound ideas can be written out logically in essays and books, or they can be stated in succinct but imaginative phrases. I write with the latter category in mind. *Pages Called Holy* has been written over the past three years as I live, work, and learn in a local church. Most of these poems have their inspiration in the struggles of church life and the disparity between what I see happening and what I see God calling the Church to be. It is this tension that brings life to the poetry I write, and it is my hope that these poems would speak to an audience of the countless numbers of believers across all generations who feel that same tension between what is and what could be.

Unlocking the Last Days Jeff Lasseigne, 2011-03-01 The very title of the last book of the Bible means unveiling. Yet this mysterious and confusing book seems to do anything but unveil, especially when we read it on our own. *Unlocking the Last Days* takes readers through key parts of this misunderstood book, using a verse-by-verse approach that clearly communicates God's truth, warnings, and promises. Both Bible teachers and students will find this book a welcome aid to understanding an intriguing piece of the Scriptures.

So . . . Does Anyone Happen to Know What the Purpose of Life Is? J. Lam Shin Cheung, 2012-07

Pause Elizabeth F. Caldwell, 2024-01-02 Lent is an ideal time to step back and reflect on the deeper movements of the spirit, and Elizabeth Caldwell helps readers do this through a simple but profound approach. *Pause: Spending Lent with the Psalms* invites us to take up the spiritual practice of encountering, sinking into, and deeply engaging with one psalm each week during Lent and Holy Week. The season of Lent encourages Christians to consider a different pace—one of slowing down, noticing, pausing—than what our dominant culture values. The invitation to pause with the Psalms begins on Ash Wednesday, starting with a mark of ashes on our foreheads that reminds us that in spite of our failures—things we have done or failed to do—we belong to God. Readers are then guided into an exploration of Psalm 51 and the theme of a clean heart. Each chapter helps readers to connect an image drawn from that psalm, such as paths, faces, blessing, tables, waiting, thanksgiving, listening, being alone or abandoned, and hands, with their own lives. At the close of each chapter, readers are invited to try a different prayer practice to help them continue to reflect on the theme and psalm each day. This intentional engagement—without feeling burdensome—opens just enough space and time for a creative spiritual practice to flourish, sustaining the life of faith during the Lenten season in ways that can make a difference in God's world. Reflection and discussion questions are included with each chapter. The book includes a leader's guide at the end for study groups. Download more resources for group study, sermon series, and worship services, including illustrated visual aids, at www.wjkbooks.com/Pause.

New Friendship Bible Optimum Vizh-an, 2014-01-24 The NFB is written in the theme of God desiring to have friends made in His likeness. His desire emerges from the back drop of basking in His omnipresence for countless of eons. Then at one moment, He finds Himself deep in His loneliness. After wrestling with Himself, for more eons, He realizes He longs for a

friend. With every bit of His infinite wisdom, He sets out in pursuit to remove all of His loneliness. This adventure will take Him to all of the edges of His omni existence; in all of His infinite dimensions. He will make eternal commitments and personal sacrifices to reassure Himself, that our friendship with Him; will not be by force, not by intimidation and defiantly not by keeping a set of rules. The NFB was created with new books and thoughts based on a compilation of traditionally accepted scriptures; for the purpose of encouraging us to pursue a more enriching relationship with God. Over 400 Meditationals, for personal and or group studies, were added through out the NFB to stimulate our hearts, our minds to embrace Gods friendship with us, in a fresh new way. With the NFB, we can imagine God: desiring to have an unconditional love friendship with us versus through a list of rules; revealing His new friendship with those who have never seen or heard His story before; and His manifesting a deeper friendship with us, through our lifes passions, through our particular needs and through our businesses.
