In the Kingdom of Shadows Colin Harding, Simon Popple, 1996 One hundred years ago, audiences first encountered the magic of moving pictures. Drawing on a wide range of contemporary sources, most of them reprinted for the first time since their original publication, *In the Kingdom of Shadows* examines the reception and impact of cinema before the First World War. Adopting a thematic rather than chronological approach, each chapter looks at a specific aspect of the reception, exhibition and numerous applications of film - *The First Sight*, *The Uses of Cinema*, *Cinema and Authority*, *Sex, Death and Religion*, *Art and Artifice*, *The Biograph in Battle*, *Cinema and Royalty*, *Both Sides of the Camera*, *The Fairground Bioscope* and *Penny Gaff to Picture Palace*. Introductory essays for each chapter serve to place a selection of contemporary extracts and illustrations in context. As appendices, additional chapters present the result of recent research by recognised authorities in the study of early cinema.

find a fleet of their own. Thermonte Elektrik escaped with the Bathshe from the shadow world and is now the Emperor of the Imperium. *Before Crown and Kingdom* Melissa Wright, 2021-05-04 Freedom was more treacherous than she ever imagined. Nimona Weston's debts are paid. Her contract with the dark society known as the Trust is broken. But the magical ties that bind her to a long-ago bargain are rooted deep. She's thrust back into the life she'd been forced from as a girl and now her every move is under the watchful eye of the king. A king who wants her dead. But fate has plans of its own and Nim is helpless to stop them, even as the future of the kingdom is placed in her hands. Magical contracts, blood-debt accountants, and a deadly game. An epic fantasy with regency flair, an improper and slightly stabby heroine with a penchant for trouble, swoony slow burn romance, and a dark and twisty plot that pits magic against kings, love against power, and a gothic underworld against a kingdom built on lies. Perfect for fans of *Sorcery of Thorns* and *The Shadows Between Us*.

**Jack of All Trades** Lauren Trickey, 2019-09-10 When five girls suddenly find themselves immersed in near-death experiences, they wake up in a hospital, where they are greeted by a mysterious woman, Shadow. She confronts them with a truth: magic is real. It exists in another world, a different dimension. On a planet where magic thrives, where it is a part of daily life, where Elves, Vampires, and Fairies live side by side. Shadow leads them from their ordinary lives into a strange world where they begin training to help her stop a powerful witch planning to terrorize Earth. But why does Shadow want to teach them? How can they help her stop a powerful Witch? And what about her assistant, Mercury? Neither of them seems trustworthy, but what other choice do they have. Shadow is their only contact with this other world, so they have no choice but to trust her. Or never see the world that is supposed to be their home. In this fantasy tale for teens, seemingly normal girls discover magic and adventure in an alternate reality where Earth is home to magical creatures.

*The Animal Kingdom* Georges Cuvier, 2012-05-17 The most influential work of French biologist and comparative anatomist Georges Cuvier (1769-1832), *Le Règne Animal*, was published in French in 1817, and this sixteen-volume illustrated English version appeared between 1827 and 1835.

**Thine is the Kingdom: A Novel** Abilio Estevez, 2012-01-31 Reading Abilio Estevez's *Thine Is the Kingdom* is a little like attending a cocktail party blindfolded: a million conversations are all happening at the same time and you have to work to figure out just who's talking. But this remarkable novel out of Cuba is worth the extra effort. Set in a run-down enclave of pre-Castro Havana known as the Island, the story follows the fortunes of its residents through a magical realist dreamscape of fantasy, history, life, death, love, and the weather. There is the crazy Barefoot Countess; the pastry vendor, Merengue; and the bookstore owner Rolo. There is Miss Berta who lives with her always sleeping 90-year-old mother, Dona Juana, and Irene

who lives with her not-yet-out-of-the-closet gay son, Lucio. Professor Kingston, the Jamaican English teacher; Casta Diva, a would-be opera singer; Chavito, the carver of poor imitations of classical statues; Vido, the adolescent voyeur; Mercedes and her blind sister Marta who dreams of Florence--the cast is enormous and cacophonous. The book hopscotches among characters, tenses, first-, second-, and third-person narratives--often within the same paragraph--as Estevez plunges us headlong into the inner thoughts, dreams, and fears of his multitude of dramatis personae. On this page it is best to use the future tense, a generally inadvisable practice. It has already been written that Chacho had gotten back from Headquarters just past four in the afternoon, and that he was the first to notice the coming storm.... The following day, after the events that will soon be narrated had taken place, Chacho will begin to talk less, and less, and less, until he decides to take to bed.... And, as it is best not to abuse this generally inadvisable tense, it is just and proper that we leave Chacho to his silence until such a time as he should reappear, as God wills it, in this narration. In less accomplished hands this hodgepodge of voices, narrative threads, and personalities might have added up to literary bedlam. But there is method in Estevez's madness as the story gradually emerges; in the meantime the sheer force of his prose and sly commentary on his own inventions carry the reader through this brilliant debut by one of Cuba's best and brightest new voices. --Alix Wilber Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more.
