Mary Summer Rain - Boxed Set Mary Summer Rain,1993-01-01

Paradigm Wars Mark B. Woodhouse,1996 In this powerful exploration of worldviews in transition, Mark Woodhouse examines current controversies in the quest for an integrative vision of reality. These include alternative medicine, holistic education, spiritual healing, and ecofeminism, as well as reincarnation, the New Physics, extraterrestrial visitations, and personal growth. In the Appendix, Fred Mills contributes a pioneering study of sacred geometry.

**Feminism's New Age** Karlyn Crowley,2011-06-01 Finalist for the 2011 ForeWord Book of the Year in the Women's Issues Category Crystals, Reiki, Tarot, Goddess worship—why do these New Age tokens and practices capture the imagination of so many women? How has New Age culture become even more appealing than feminism? And are the two mutually exclusive? By examining New Age practices from macrobiotics to goddess worship to Native rituals, *Feminism's New Age: Gender, Appropriation, and the Afterlife of Essentialism* seeks to answer these questions by examining white women's participation in this hugely popular spiritual movement. While most feminist approaches to the New Age phenomenon have simply dismissed its adherents for their politically problematic racial appropriation practices, Karyln Crowley looks honestly at the political shortcomings of New Age beliefs and practices while simultaneously reckoning with the affective, political, and cultural motivations which have prompted New Age women's individual and collective spiritualities. New Age spirituality is in fact the dynamic outgrowth of a long-standing tradition of women's social and political power expressed through religious writings, art, and public discourse, and is key to understanding contemporary women's history and religion's role in modern American culture alike. Crowley offers a new and provocative assessment of the significance of the New Age movement, seen through a feminist and critical race studies lens.

Prophetic Visions of the Future Diane Stein,2011-11-09 We all want to know what will happen to the earth and to those who come after us, our children and our grandchildren. Diane, seeking an answer, has gone to women visionaries and seers: women who channel the future and those who bring it to life in their writings. This is the time, Diane avers, for women to define what needs to be changed and begin to do the work. By women's power of thought and creation, we together can make a better world.

**Shamanic Journeys, Shamanic Stories** Michael Berman,2011-03-16 A shamanic journey is one that generally takes place in a trance state to the sound of a drumbeat, through dancing, or by ingesting psychoactive drugs, in which aid is sought from beings in other realities, generally for healing purposes or for divination. A shamanic story has either been based on or inspired by a shamanic journey, or one that contains a number of the elements typical of such a journey. In this collection of fascinating journeys and stories, Michael Berman reveals the healing nature of shamanic practice.

Stumbling Down the Shamanic Path Michèle Burdet,2010-05 Stumbling Down the Shamanic Path relates how a spiritual skeptic became a questioner, a meditator who avoided gurus, an explorer of earth energies, and then met the teacher who discerned the shaman sleeping in the spirit of a middle-aged alpinist. That was only the beginning, for pursuit of this new tack offered a new set of hurdles. After years of bumpy roads, Michèle Burdet is today a practitioner of ancient shamanic arts such as soul retrieval and is teaching apprentices to carry on the torch of what she likes to call prehistoric psychotherapy.

Dream Catchers Philip Jenkins,2005-12-01 In books such as Mystics and Messiahs, Hidden Gospels, and The Next Christendom, Philip Jenkins has established himself as a leading commentator on religion and society. Now, in Dream Catchers, Jenkins offers a brilliant account of the changing mainstream attitudes towards Native American spirituality, once seen as degraded spectacle, now hailed as New Age salvation. Jenkins charts this remarkable change by highlighting the complex history of white American attitudes towards Native religions, considering everything from the 19th-century American obsession with Hebrew Indians and Lost Tribes, to the early 20th-century cult of the Maya as bearers of the wisdom of ancient Atlantis. He looks at the popularity of the Carlos Castaneda books, the writings of Lynn Andrews and Frank Waters, and explores New Age paraphernalia including dream-catchers, crystals, medicine bags, and Native-themed Tarot cards. He also examines the controversial New Age appropriation of Native sacred places and notes that many white indians see mainstream society as religiously empty. An engrossing account of our changing attitudes towards Native spirituality, Dream Catchers offers a fascinating introduction to one of the more interesting aspects of contemporary American religion.

Phoenix Rising Mary Summer Rain,1993 Mary Summer Rain's relationship with the old and wise Indian shaman No-Eyes, introduced in Spirit Song, continues, as she reveals to Mary her compelling visions of the future. From the setting in the

simple mountain cabin, No-Eyes takes her on a sometimes frightening journey through time, viewing the upheavals to come through a unique perspective, on timeless paths that few have ever traveled. Second in a celebrated and best-selling series, which includes Spirit Song, Dreamwalker, Phantoms Afoot, Daybreak, Soul Sounds, Mountains, Meadows, and Moonbeams(Young Spirit), and Whispered Wisdom, Phoenix Rising gives the reader an understanding of the relationship between the Earth Mother and the creatures who inhabit her domain. It's a book that is already a classic for its philosophical insight and the powerful lyricism of the author's portrayal of the beautiful mountains of Colorado. And, as always, the unique relationship between teacher and student is delightfully rendered.

Psychoatomology W.K. Hiram,2008-11-07 Have you ever understood Quantum Mechanics, and how the atom and the mind, intimately interacts? Psychoatomology is a hidden mystery that is only hinted at by Egyptologists. Explained in vivid detail, you'll never look at life in the same nonchalant manner ever again. As a result, you will understand your virtual connection with, and to All Things, both near and far. For in the actuality you are not yet acquainted with, you'll be able to comprehend that this life you call real, is simply a channel that you have chosen to tune in to. This knowledge is priceless for those who are ready to discover the reality of their practical eternal natures on this earth, in this lifetime. It will reveal the connection of the Pyramids in Egypt and the Holy Bible on a practical level. The real application of this practicality, however, will come primarily to those who have studied; sufficiently prepared themselves; and who have given the code or password recorded within. Upon receiving this code or password, a set of dates will be forwarded to you. This set of dates is the psychoatomic level of psychoatomology. Its exclusion from this, the first book is due primarily to its confidential nature. (See Events for contact, and for pertinent additional info.) Matthew 7:7. This book is the result of nearly 40 years of research. Its value is worth much more than its price for those who are ready to get in touch with Spirit full-time; and who are ready to walk through the doorway into a new universe. You are the only person that knows what heaven should truly be like for you. You are being asked now to create it on this earth, at this time, so that all may be blessed. Matthew 6:10.

The Touch of Sage Marcia Lynn McClure,2010-05-27 Following the death of her parents, Sage Willows had lovingly nurtured her younger sisters through childhood. She loved her sisters. She'd seen each one married, and was glad to see them settled and happy. Furthermore, she held no resentment at never having found a good man of her own to settle down with. Yet, regret is different than resentment-and far more haunting. Still, Sage found as much joy as was allowed a lonely young woman-in being proprietress of Willows' Boardinghouse, and in the companionship of the four beloved widow-women boarding there. Until, that is, the devilishly handsome Rebel Lee Mitchell appeared. It seemed Reb Mitchel instantly and forever vanquished Sage's feigned contentment. Dark, mysterious and secretly wounded, Reb Mitchell utterly captured Sage's lonely heart. Nevertheless, to Sage Willows, the powerfully attractive cowboy-admired and coveted by every female in

his path-seemed entirely unobtainable. How could a weathered, boardinghouse-proprietress resigned to spinsterhood, ever hope to hold the attention of such a man? And knowing she couldn't-would Sage Willows simply sink deeper into the bleak loneliness she'd secreted for so long?
