Ghar Vapsi Udit Kumar,2023-01-05 Ghar Vapsi reflects the journey of migrants, how their changing desires impact's on mindset. In order to balance the social/economical/financial status, there is huge movement of people is happening all around. With this story, I wanted to touch the short as well as long term challenges faced by immigrants while settling in their new home. ----- Solution, solution, and solution everywhere. Just look around you. We all are surrounded by millions of products that claim to make our life easier, more comfortable, and more Luxurious. But Remember, when our chosen solution is not the real root cause of our problem, they may delay or temporarily resolve the issue. Still, it will return in a different form but with brutal impact and from various dimensions. Simply our chosen temporary and instant solutions make our problems more complex. Unfortunately, we have created a system where when one doesn't get exploited, others can't survive. We all are stuck in our own intelligence in a vicious cycle. Initially, we thought that exploiting these inferior/underdeveloped people could make our own comfortable and cozy castle. And protect ourselves by making the walls stronger and high enough that these deficient/underdeveloped people couldn't even cross. With these thoughts, humans keep increasing one charge at one side of the wall, but humungous, they forget the fundamental law of nature. The intensity by which you collect a positive charge on one side will automatically generate a negative charge on the other side of the wall. Nature always works on the tendency to be Neutral. Ultimately, with this approach to development, the destiny of destruction is set up by the most developed species!!!!

Ugrabadhra Sai Hari N,2025-04-08 When honor becomes a weapon and silence hides the loudest truths, war is no longer fought on battlefields—but within the soul. In Urgabadhra, the storm brews after the fall of Rudragni. Badhra, once a proud leader, is entangled in a deadly web of betrayal, political deception, and a factory built on blood. As revelations surface about his alliance with terrorists and his role in trafficking victims—truths he never intended nor imagined—his legacy begins to crumble. At the same time, Varun—spy, fighter, and lover—rises from the ashes of loss. Haunted by the brutal murder of Ananya, and carrying the weight of his alter egos, Rudra and Agni, he steps back into the shadows with one purpose: to expose and destroy the system from within. As friendships break, lovers fall, and innocence dies—both literally and metaphorically—the lines between the hero and the villain blur. With every death, a fish in a child's tank fades, mirroring a world that forgets how to breathe. Urgabadhra is a tale of fire, betrayal, and redemption. It asks one burning question: What if the person you trusted the most was the very reason everything fell apart?

Neither she nor he; it's me P ANIL PRASAD,2015-11-20 It was while writing the synopsis for Imanofutu Vol.4, I was entangled with the thoughts about individuals who want to live beyond their gender identities. After freed themselves from the gender clutches, they work for the uplift of single mothers and transgender and neutral gender individuals, of course, by facing a lot of challenges.
