The Seventh That I Am Terry Clark,2024-10-10 The number 7 is seen throughout the Bible and every religious text, just as I am is a universal story told to mankind in every culture and science. It is a mystery to be revealed, the only hope that we can all be one with the cosmos and the laws of nature of what we call God for our salvation before it is too late. It is my greatest love and care and my lifetime work to give this information to help and explain our dilemma.

The Vendetta of the 47 Rōnin in Modern Kabuki Paul Griffith,Rachel Payne,2024-10-28 The revenge of the 47 rōnin is the most famous vendetta in Japanese history and it continues to inspire the popular imagination today. Written between 1934 and 1941, Mayama Seika's ten-play cycle Genroku Chūshingura is a unique retelling of the incident based on his own painstaking research into the historical facts. Considered a modern masterpiece, it now has a secure place in the Kabuki repertoire and many of the plays are still frequently performed. For the first time, Seika's monumental achievement is here translated into English in its complete and original form by three experienced experts in the field.

**Beware Euphoria** George Fisher,2024 George Fisher seeks the moral roots of America's antidrug regime and challenges claims that early antidrug laws arose from racial animus. Those moral roots trace to early Christian sexual strictures, which later influenced Puritan condemnations of drunkenness, and ultimately shaped the early American drug war. Early laws against opium dens, cocaine, and cannabis rarely rose from racial strife, but sprang from the traditional moral censure of intoxication and perceived threats to respectable white women and youth. The book closes with an examination of cannabis legalization, driven in part by the movement for racial justice.

**A Kiss for the Absolute** Shuzo Takiguchi, 2024-11-05 The first book of poems by the great Japanese surrealist to be published in English. In 1923, Shuzo Takiguchi's first year at Tokyo's Keio University was cut short by the Great Kanto Earthquake, which nearly destroyed the Japanese capital. When he returned to school two years later, he was hit by a second earthquake—French Surrealism. Takiguchi (1903–1979) began to write surrealist poems, translate surrealist writers, curate exhibitions of surrealist art, write art criticism, and, later, paint, helping introduce Surrealism to Japan. He eventually became a major Japanese artistic and cultural figure whose collected works number fourteen volumes. In *A Kiss for the Absolute*, Mary Jo Bang, winner of the National Book Critics Circle Award, and her fellow poet and translator Yuki Tanaka present the first collection in English of Takiguchi's ingenious, playful, and erotic poems, complete with an introduction and the original Japanese texts on facing pages. Takiguchi's obvious interest in style is perfectly wed to his daredevil rhetorical antics. His poems read as if they could have been written today, yet they are so original that they couldn't have been written by anyone else. Bang and Tanaka's skillful, colloquial translations offer English readers a long-overdue introduction to this important poet.

My Journey of Grace Rev. Daniel A Kolke, 2024-06-25 Born in Poland and having survived World War II, author Rev. Daniel A. Kolke's life was significantly transformed in 1951 while working as an immigrant in a Canadian lumber camp. A severe fire left him badly burned, leading to over a year of hospitalization. His moment began his call into the ministry and a life of study of God's plan for our lives. In *My Journey of Grace*, Kolke shares the lessons he learned during his ninety-one years of living, about the grace he was shown and the grace we are called as believers to show to others. Each chapter is a blog post written by Kolke from July 2020 through April 2021, and the final chapter is a eulogy written by his wife upon his death. Heavy with scripture, *My Journey of Grace* studies and then explains scripture, and it asks and answers questions about our individual existence, about being called into service, about temptation, receiving grace, showing grace, being afraid to fail, losing self-confidence, why God doesn't stop evil, and more. Through his writings, Kolke demonstrates his love for life, communicating how he was blessed by God throughout all of his experiences.
