Is AMBOSS worth it? | Student Doctor Network Mar 9, 2016 · Amboss is REAALLY helpful to explore reasoning and the science behind questions. For my last shelf, psych, I did both Amboss and UWorld, and I will say I relied more on my Amboss questions than UWorld questions. But that's psych, and I know that will probably be very different for other shelves, but that's what I'm finding for now. *Help with improving Amboss Percentages | Student Doctor Network* Jul 4, 2020 · Hi all, Just finished M1 year and currently doing some Step 1 review/prep outside of my research for the summer. From other information that I've read about qbanks, I decided to start going through Amboss with the goal of finishing a first pass by mid fall before I ... *Uworld vs AMBOSS for preclinical | Student Doctor Network* Apr 2, 2019 · I know Uworld is the gold standard for step studying but practice questions is how I learn best and I am struggling for preclinical so I want to incorporate qbanks into my studying. I have heard amboss might be a bit too broad for preclinical studying for in house exams but that Uworld is great... **Boards and beyond step2 vs onlinemeded | Student Doctor Network** Jun 13, 2017 · Amboss - I've used Amboss for most shelves - questions can be a bit nit picky but overall useful. There have been a few rotations, namely FM, where I didn't find Amboss to be useful and dropped it. AnKing - after suspending the cards without the step2 tag, I've kept up on my cards from preclinical and unsuspending from the relevant shelf decks where appropriate. ... *Step 2 Retrospective | Student Doctor Network* Aug 16, 2023 · In other words, put yourself in the best position to succeed on S2 by completing uworld for each rotation, finishing as many 2-4 hammer questions on Amboss as you possibly can, and taking all practice shelf exams (and studying the questions, answer explanations, and concepts in depth in the weeks leading up to your exam). For Step 2 dedicated: **MD - Honoring OBGYN shelf :Uwise vs amboss | Student Doctor ...** Jun 13, 2017 · For anyone who did very well on this shelf, in addition to uworld and nbme exams, which question bank should I do if I wanted to do more questions? *AMBOSS for Shelf Exams & MS3? | Student Doctor Network* Jun 28, 2017 · So AMBOSS gave a presentation to our med school today, and from what I gathered, it's designed to be a comprehensive, single resource for MS3, including a Qbank and Library. They are based in Germany and used as the primary resource for students and physicians across Europe. There's a lot of... **How difficult are shelf exams compared to Amboss/Uworld?** Dec 7, 2016 · I've been doing Amboss questions somewhat casually as I prep to go back to the wards after a PhD (and try to shake off all this rust). My averages are around 30-40% through the first 150 questions or so. Overall averages for all users are ~50-60%.

People say you typically need 90%+ on shelf... *Amboss Review After Taking My Neurology and Psych Shelf* Jul 8, 2018 · Amboss qbank was extremely comprehensive for these two shelf exams and somehow was able to better predict the kind of questions that would come up on the shelf exams. It was also immensely helpful for my OSCE because of the practice cases they had. If someone is struggling on shelves, I think this is a great question bank to check out.) **Amboss vs UWorld for Shelf Exams / M3 | Student Doctor Network** Dec 13, 2016 · Most of the threads on this are from years past and if you even mention using Amboss you get dumped on since UWorld was clearly the meta. However, Amboss really has risen up recently and more people I'm sure have started using Amboss alongside UWorld or just Amboss alone. I start rotations soon...
