**Damn Glad to Meet You** Tim Matheson, 2024-11-12 “I found myself underlining and highlighting things to remember for my own career. It’s also entertaining—a great combination. Tim’s words encourage you to keep dreaming.”--Reba McEntire “Tim was a cast, crew, and audience favorite on *The West Wing*. He’s been at the center of some of America’s most iconic film and television. *Damn Glad to Meet You* is a fascinating, hilarious, and often very moving inside look at his extraordinary career.”--Aaron Sorkin A “damn good” fun and revealing memoir from the acclaimed Hollywood actor, Tim Matheson For the past seven decades, Tim Matheson has been an on-screen favorite in Hollywood. In his debut memoir, Tim takes fans behind-the-scenes of his illustrious career, and reveals what it was like to learn from and work alongside the greats, including Lucille Ball, Dick Van Dyke, Steven Spielberg, and Aaron Sorkin. Tim also talks about how he transitioned from acting to directing, the role in *The West Wing* that nabbed him two Emmy nominations—and so much more. Filled to the brim with both riveting stories of the ever-changing entertainment industry and illuminating insight via “film school boot camp” sidebars, readers everywhere are going to be “damn glad” they read this fascinating memoir.

Being honest and to the point is by design. We have the ability to choose truth or untruth. In this collection of wisdom, history, and memoir, Klein offers his views on everything from evolution and ISIS to politics and news to his childhood and his time on an honor guard team in the Army. Choose wisdom instead of hate, if you care to be wise. Take care!

**The Encyclopedia of Hollywood Film Actors** Barry Monush, 2003-04-01 For decades, *Screen World* has been the film professional’s, as well as the film buff’s, favorite and indispensable annual screen resource, full of all the necessary statistics and facts. Now *Screen World* editor Barry Monush has compiled another comprehensive work for every film lover’s library. In the first of two volumes, this book chronicles the careers of every significant film actor, from the earliest silent screen stars -

Chaplin, Pickford, Fairbanks – to the mid-1960s, when the old studio and star systems came crashing down. Each listing includes: a brief biography, photos from the famed Screen World archives, with many rare shots; vital statistics; a comprehensive filmography; and an informed, entertaining assessment of each actor's contributions – good or bad! In addition to every major player, Monush includes the legions of unjustly neglected troupers of yesteryear. The result is a rarity: an invaluable reference tool that's as much fun to read as a scandal sheet. It pulsates with all the scandal, glamour, oddity and glory that was the lifeblood of its subjects. Contains over 1 000 photos!

*Glamour Girls of Sixties Hollywood* Tom Lisanti, 2015-05-07 During the 1960s, many models, Playboy centerfolds, beauty queens, and Las Vegas showgirls went on to become decorative actresses appearing scantily clad on film and television. This well illustrated homage to 75 of these glamour girls reveals their unique stories through individual biographical profiles, photographs, lists of major credits and, frequently, in-depth personal interviews. Included are Carol Wayne, Edy Williams, Inga Neilsen, Thordis Brandt, Jo Collins, Phyllis Davis, Melodie Johnson, and many equally unforgettable faces of sixties Hollywood.

*A Reference Guide to Television's Bonanza* Bruce R. Leiby, Linda F. Leiby, 2015-09-15 Bonanza aired on NBC from September 12, 1959, to January 16, 1973, playing to 480,000,000 viewers in over 97 countries. It was the second longest running western series, surpassed only by Gunsmoke, and continues to provide wholesome entertainment to old and new fans via syndication. This book provides an in-depth chronicle of the series and its stars. A history of the show from its inception to the current made-for-television movies is provided, and an episode guide includes a synopsis of each show and lists such details as the main characters of each episode and the actors who portrayed them, the dates they stayed with the show, date and time of original broadcast, writer, director, producer, executive producer, and supporting cast. Also provided are character sketches for each of the major recurring characters, career biographies of Lorne Green, Pernell Roberts, Dan Blocker, and Michael Landon, brief biographical sketches of the supporting cast, a discography of recordings of the Bonanza theme and recordings of the four major stars, and information on Bonanza television movies.

Efficient Optimization and Processing of Queries Over Text-rich Graph-structured Data Günter Ladwig, 2014-05-13 Many databases today capture both, structured and unstructured data. Making use of such hybrid data has become an important topic in research and industry. The efficient evaluation of hybrid data queries is the main topic of this thesis. Novel techniques are proposed that improve the whole processing pipeline, from indexes and query optimization to run-time processing. The contributions are evaluated in extensive experiments showing that the proposed techniques improve upon the state of the art.

*A Day in a Working Life* Gary Westfahl, 2015-04-21 Ideal for high school and college students studying history through the everyday lives of men and women, this book offers intriguing information about the jobs that people have held, from ancient

times to the 21st century. This unique book provides detailed studies of more than 300 occupations as they were practiced in 21 historical time periods, ranging from prehistory to the present day. Each profession is examined in a compelling essay that is specifically written to inform readers about career choices in different times and cultures, and is accompanied by a bibliography of additional sources of information, sidebars that relate historical issues to present-day concerns, as well as related historical documents. Readers of this work will learn what each profession entailed or entails on a daily basis, how one gained entry to the vocation, training methods, and typical compensation levels for the job. The book provides sufficient specific detail to convey a comprehensive understanding of the experiences, benefits, and downsides of a given profession. Selected accompanying documents further bring history to life by offering honest testimonies from people who actually worked in these occupations or interacted with those in that field.

**Miranda Cosgrove** Amie Jane Leavitt, 2013-05 Miranda Cosgrove has been an actress for just about as long as she can remember. She didn't even aim to get into show business at the beginning. Show business found her! After being discovered at age three, she appeared in television commercials and advertisements until her big break came in 2002. That's when she landed the role of Megan, the annoying younger sister in *Drake & Josh*. Meanwhile, she also performed in her first big-screen production, *The School of Rock*, with comedian Jack Black. Since then, Miranda has become a popular figure on Nickelodeon. After *Drake & Josh*, she starred in her own television show, *iCarly*. But Miranda isn't just an actress. She's also just a regular girl who loves hanging out with friends and doing typical kid stuff, just like you!

**The Man Who Saw a Ghost** Devin McKinney, 2012-10-02 The first major biography of the iconic actor Henry Fonda, a story of stardom, manhood, and the American character Henry Fonda's performances—in *The Grapes of Wrath*, *Young Mr. Lincoln*, *The Lady Eve*, *12 Angry Men*, *On Golden Pond*—helped define American in the twentieth century. He worked with movie masters from Ford and Sturges to Hitchcock and Leone. He was a Broadway legend. He fought in World War II and was loved the world over. Yet much of his life was rage and struggle. Why did Fonda marry five times—tempestuously to actress Margaret Sullavan, tragically to heiress Frances Brokaw, mother of Jane and Peter? Was he a man of integrity, worthy of the heroes he played, or the harsh father his children describe, the iceman who went onstage hours after his wife killed herself? Why did suicide shadow his life and art? What memories troubled him so? McKinney's Fonda is dark, complex, fascinating, and a product of glamour and acclaim, early losses and Midwestern demons—a man haunted by what he'd seen, and by who he was.

*Everyday Narcissism* Nancy Van Dyken, 2017-09-12 A step-by-step program that shows how to recognize everyday narcissism in ourselves and others and respond in healthy ways. Narcissism, in all forms, is a belief that the world revolves around us, and that what happens in the world happens because of us. Most of us live with a form of narcissism so deeply

embedded that we don't even know we have it. This everyday narcissism (EN) comes from a combination of childhood wounds and powerful myths we were taught as children. Everyday Narcissism helps readers understand how EN manifests in their own lives, and teaches them how to heal it. This awareness provides a foundation for creating greater happiness, more fulfilling relationships, less reactivity, and more meaning. An essential purchase for anyone having difficulty in a relationship, with a partner, coworker, family member, or other loved one. This is the first book for the general reader to specifically address everyday narcissism (EN). Features a Foreword by Anne Katherine, best-selling author of *Boundaries* and *Where to Draw the Line*.

*Rebels of Independence* John Sanford Powell Jr., 2008-11 REBELS of Independence Mr. Powell paints a stunningly vivid picture of racial and religious bigotry and prejudice... Slavery's Baggage... which has been handed down from generation to generation of white and black southern children by their families, preachers, teachers, and friends since that first shipload of human cargo arrived on American soil in 1619. Then, using his father's life and the friendship of two young boys -- one black, the other white -- as a backdrop, he tells a simple story about typical Mississippians . . . devoutly religious, hard working,

mostly country people, of good moral fibre... and how they are throwing off that yoke. He acknowledges some progress in human relations in the last century, but says those roots of prejudice are still being passed along by everyday moms and dads -- the very backbone of our Country -- to sons and daughters throughout America. Considering our history of racial and religious biases, he asks... Where will we be in 2035?
