Informing, Inspiring, and Motivating: Quotes and Bonus Poetry for Personal Empowerment Katrina Simpson, 2015-02-04 In the book *Informing, Inspiring, and Motivating: Quotes and Bonus Poetry for Personal Empowerment*, the new, up-coming author develops 125 unique quotes based on real life situations. The quotes developed within the book are meant to spiritually renew and motivate it's readers'. What makes this book stand alone, compared to the rest is it's raw poetry, as well as the author's descriptive biography that is meant to define the quotes contained throughout the book. The book also contains Biblical Scripture in which the author relates to throughout the book in hopes of linking everyday issues with solutions that can be found within the Scripture.

Washed in the Blood Jerry Wilde, 2011-09-01 *Washed in the Blood* is an inspiring story of life, loss, hope, suffering, and eventually transcendence. The story revolves around author Jerry Wilde's struggles with kidney failure that led to the need

for dialysis in his twenties. After two years being kept alive by a machine he was lucky enough to receive a transplant and for 17 years, he led a normal life. Everything changed when doctors accidentally discovered a large cancerous tumor on his transplanted kidney. The only way to save his life was to remove the tumor and the kidney. Quotes for Signboards, Marquees, Church Signs, Inspiration, and Reflection Stan H. McCarley,2024-02-02

Character is doing what is right when no one else is looking. Keep your fears to yourself, but share your courage with others. Never put the key to your happiness in someone else's pocket. Quantity is what you count; quality is what you count on. Very few burdens are heavy if everyone lifts. These are just a few of the quotations that I have included in this book. It is a culmination of over four decades of gathering quotes and sayings, noticing church and marquee signs and bumper stickers and, most recently, researching on the Internet. In the preface for this book, I went through and listed quotes that meant a lot to me, but as I look back, I realize that they all mean something to me. I hope that you can use them for motivation, reflection, and inspiration.

An Unknown Angel's Gift Cherie S. Blackwell,2023-11-27 As you read this couple's transplant journey story, I hope you get as much out of it as I did along the way--learning, crying, laughing, sharing, and ultimately becoming a stronger person as I witnessed the strength in my spouse as our whole lives were turned upside down by a debilitating disease. Whether you are family, friend, or stranger going through a similar situation, as you read this book, I hope my story--told from a spouse's perspective--gives you inspiration. And I hope you stay positive, dig deep, and rely on the support of others to get you through ultimately what will be a new lease on life you never thought was possible as you wait day after day for a life-saving transplant as we did. It's funny, simple, sharp, and to the point; and I thank you for taking the time to read it.

Always Winning Ashley Walters,Chris Isaie,2025-05-29 FROM THE STAR OF THE PHENOMENAL NETFLIX SHOW, ADOLESCENCE, COMES A POWERFUL MEMOIR, PACKED WITH INSPIRING STORIES AND HARD-EARNED WISDOM FOR LIFE'S MOST CHALLENGING MOMENTS. “I wanted to write this book for that person who feels like the world doesn’t understand what life is like for them. I want to be honest about where I have been and how I have got to where I am. Because we can’t be what we can’t see.” – Ashley Walters 'An icon of British and wider Black British culture.' GQ 'A raw and inspiring

testament to resilience.' STEVEN BARTLETT 'A deeper truth that speaks to our whole time and culture, and offers us all a way forward.' AFUA HIRSCH 'An important and powerful read.' IAN WRIGHT From Adolescence and Top Boy to So Solid Crew, Ashley Walters' explosive on-screen performances and trailblazing music has always explored the same conflicting forces that have governed his life. Born and raised in Peckham, his father in and out of prison, Ashley found the gang culture in inner city London inescapable. At 15, he was stabbed in the neck and left for dead. At 18, he had a gun held to his head as he cradled his newborn son. At 20, he was sentenced to eighteen months in prison. In this brave and inspiring book, Ashley opens up about his turbulent past. He writes candidly about his battles with identity, addiction, family and fame, and the realisation that, after years of struggle, only he could change his future. 'Always Winning' is the framework Ashley developed to turn his life around. Revealed for the first time in this book, explored through powerful stories from his life and career, he shares the principles of this philosophy and shows how anyone can use them to overcome their own challenges, helping them to align a true sense of purpose with inner happiness and personal success and fulfilment.

Life is about the Journey Mike Kothe,2014-01-15 100% of the profits from this book will go to charity. This book is a series of thoughts as I go through the journey called life. Some are things I'm passionate about. Most are the things I discovered about myself. Who I was, who I am now and who I want to be.

A Doc Who Jots William T. Sheahan, MD, 2023-01-08 A Doc Who Jots Part of an article in 1996, by George S. Poehlman M.D., noted: Always ask your patients about something that is totally nonmedical before closing out the patient encounter. You will ensure that your life's work is made up of more than simply treating disease. You will become an amateur anthropologist on whom people's stories are bestowed. This is what makes men and women of medicine wise. Doing just that led to a renewed appreciation, by this family physician, for his medical career. It did not add a significant amount of time to an encounter, and he started to briefly record, in a journal, some of the interactions that he felt were worth remembering and documenting. There are encounters included from the office, as well as from the homes of patients. The first three books, derived from the journal, were entitled "Patients Say the Darndest Things." (BookLocker.com: book #1: 2003, book #2: 2006, book #3: 2009.) He changed the title for this collection. All names (or initials) of the patients have been changed. He acknowledges that many interactions with patients do not have as pleasant an outcome as is depicted in most of the encounters included in this collection. However, some will illustrate the ability to tease out some unique, uplifting, or funny aspects that arise during many patient encounters, even during a hectic day. As a result, many days of patient care may be much better than they might have been otherwise. A few of the entries are not from patient encounters.

He also included some personal reflections at the end, including a couple sections on how he navigated through grieving and bereavement after the unexpected death of his first wife. He greatly benefited reading how others dealt with their own loss. He hopes someone might benefit from reading his journey.
