A Concordance of Parallels Clement Cruttwell, 1790

The Illustrated Pocket Bible: with ... Explanatory Questions for the Use of the Young. [With Engravings and Maps.] ,1871

THE TESTIMONY OF JOHN: 1907 Biblical Study Notes on the Gospel of John George N.H. Peters, 2017-01-01 From cover to cover, conception to completion this book is about Jesus. It addresses and answers the fundamental question of His identity, and mission. The book never waivers from this original purpose and structure. Who better to inform us of Jesus than

John, the discipline whom Jesus loved, the person to whom Jesus often confided in and to whom He ultimately entrusted with His own future Revelation? And who better to expose these truths than Mr. George N.H. Peters, gifted Bible teacher and faithful steward of the Word of God throughout his lifetime. Composed in the form of study notes, the author directs attention away from modern mystical interpretations of this Gospel towards what John intended to accomplish, i.e. confront the reader with the predicted Messiah, Jesus, and in so doing provide reasons to believe and through believing find the very promise of eternal life. John calls this work his testimony, like a witness pleading before a jury of his peers he lays out a selection of evidence. He claims that he could easily have written volumes but these things he wrote so that the reader might believe. The beauty of this book lies in the evidence John chooses to put forth, the impact of the book (slightly over 100 years old) stems from the ability of Mr. Peters to point out these things and then allow the testimony to speak for itself. Over the last century many able men and women have undertaken to expound the Gospel of John. The reader will not find a more plainly written account than what Mr Peters penned during the last years of his life.
