The Whole Language Gregory Boyle, 2021-10-19 The founder of Homeboy Industries, the largest and most successful gang-intervention program in the world--through a series of stories that bear witness to the transformative power of tenderness--challenges ideas about God and about people.--Provided by publisher.

Tattoos on the Heart Greg Boyle, 2011-02-08 How do you fight despair and learn to meet the world with a loving heart? How do you overcome shame? Stay faithful in spite of failure? No matter where people live or what their circumstances may be, everyone needs boundless, restorative love. Gorgeous and uplifting, *Tattoos on the Heart* amply demonstrates the impact unconditional love can have on your life. As a pastor working in a neighborhood with the highest concentration of murderous gang activity in Los Angeles, Gregory Boyle created an organization to provide jobs, job training, and encouragement so that young people could work together and learn the mutual respect that comes from collaboration. *Tattoos on the Heart* is a breathtaking series of parables distilled from his twenty years in the barrio. Arranged by theme and filled with sparkling humor and glowing generosity, these essays offer a stirring look at how full our lives could be if we could find the joy in loving others and in being loved unconditionally. From giant, tattooed Cesar, shopping at JCPenney fresh out of prison, we learn how to feel worthy of God's love. From ten-year-old Lula we learn the importance of being known and acknowledged. From Pedro we understand the kind of patience necessary to rescue someone from the darkness. In each chapter we benefit from Boyle's wonderful, hard-earned wisdom. Inspired by faith but applicable to anyone trying to be good, these personal, unflinching stories are full of surprising revelations and observations of the community in which Boyle works and of the many lives he has helped save. Erudite, down-to-earth, and utterly heartening, these essays about universal kinship and redemption are moving examples of the power of unconditional love in difficult times and the importance of fighting despair. With Gregory Boyle's guidance, we can recognize our own wounds in the broken lives and daunting struggles of the men and women in these parables and learn to find joy in all of the people around us. *Tattoos on the Heart* reminds us that no life is less valuable than another.

Cherished Belonging Gregory Boyle, 2024-11-05 At a time when society is more fractured than ever before, beloved Jesuit priest Gregory Boyle invites us to see the world through a new lens of connection and build the loving community that we long to live in—a perfect message for readers of Anne Lamott, Mary Oliver, and Richard Rohr. Over the past thirty years, Gregory Boyle has transformed thousands of lives through his work as the founder of Homeboy Industries, the largest gang-intervention program in the world. The program runs on two unwavering principles: (1) Everyone is unshakably good (no exceptions) and (2) we belong to each other (no exceptions). Boyle believes that these two ideas allow all of us to cultivate a new way of seeing. Every community wants to be a safe place, where people are seen, and then are cherished. By remembering that we belong to each other, we find our way out of chaos and its dispiriting tribalism. Pooka, a former gang member who now oversees the program's housing division, puts it plainly: Here, love is our lens. It's how we see things. In *Cherished Belonging*, Boyle calls back to Christianity's origins as a subversive spiritual movement of equality, emancipation, and peace. Early Christianity was a way of life—not a set of beliefs. Boyle's vision of community isn't just a space for an individual to heal, but for people to join together and heal each other in a new collective living, a world dedicated to kindness as a constant and radical act of defiance. The answer to every question is, indeed, compassion, Boyle exhorts. He calls us to cherish and nurture the connections that are all around us and live with radical kindness.

Fully Human Susan Packard, 2019-02-12 HGTV cofounder Susan Packard launches the next chapter in emotional intelligence (EQ), and shows you how to increase your personal satisfaction and productivity—in work and life—via her three-

step path toward EQ Fitness. Emotions can sink us, or they can power us like fuel to succeed. Many of us show up for work, and life, feeling lonely even in a room full of people, or bringing unproductive emotions into work, like anger or fear. You don't have to feel this way. Susan Packard offers an accessible new guidebook to grow your emotional fitness, and it's arrived just in time, as technology is quickly becoming our main interface for communication. No matter where you are in your career, success is an inside job. Packard lays out how to develop interdependent work relationships, and for leaders, how to build healthy company cultures. Packard introduces us to successful people, and companies, that are rich with 'connector' emotions like hope, empathy and trust-building. She tackles unconventional topics, like how workaholism keeps us emotionally adolescent, and how forgiveness belongs in the workplace too. Packard shares her EQ Fit-catalyzed success at HGTV and the stories of the executives she coaches in mindfulness and other emerging techniques, and she teaches an 'inside out' practice of self-discovery, which helps you uncover unproductive emotions, and dispel them. The best leaders balance power and grace, and everyone can effectively use resilience--an ability to endure tough situations and make tough decisions, and vulnerability, a willingness to open up, change, and admit when we need help. She offers new tools to bring our strongest emotional selves to work each day.

They Made All the Difference Eileen Wirth, 2010-06 At a time when so many public and private school systems are burdened with woes, Jesuit high schools are thriving. Enrollments, budgets, and endowments are growing; alumni support is strong; and the schools enjoy an impressive reputation for academic and athletic excellence. Jesuit educators are even taking bold steps to develop new schools to serve poor and disadvantaged students. Eileen Wirth, a university professor and parent of a Jesuit high school student, explains how the remarkable success of Jesuit high schools is rooted in a centuries-old vision marked by acute sensitivity to the individual, fierce commitment to excellence, concern for the poor, and a spirituality that prizes self-knowledge and flexibility. By visiting Jesuit high schools all over the country, conducting interviews, studying countless books, and visiting every Jesuit high school Web site, Wirth learned--and eagerly shares with her readers--how Ignatian spirituality imbues every conceivable dimension of a Jesuit high school education. From football to freshman retreats, fund-raising to finding God in all things, *They Made All the Difference* details the incomparable success of Jesuit high schools and their far-reaching effects. Jesuit high schools make a world of difference. Their graduates make a difference in the world. Take a look at any Jesuit high school in the United States, and immediately you'll be struck by the fact that there is something different about its academics, as well as its athletics, student life, discipline, and spirituality. But what makes these high schools so different and also so successful? The key is a compelling educational vision that dates back nearly five hundred years to St. Ignatius of Loyola. Throughout this book, that vision is articulated and shown to be embodied in the students, faculty, and alumni of Jesuit high schools. Through fascinating and life-changing stories from Jesuit high schools, biographies of notable Jesuit high school alumni (including, among others, journalist Tim Russert, comedian Bob Newhart, Olympic medalist Kate Johnson, and actor/singer Harry Connick Jr.), and individual profiles of each Jesuit high school, readers will come to know and admire the schools and the people who make a significant difference in today's world because of the centuries-old vision they follow.

Embracing Weakness Shannon K. Evans, 2019-05-10 Shannon K. Evans spent a good portion of her life denying that she was weak. Like many Christians, she was concerned with living a moral life, sticking to religious absolutes, holding leadership positions, and working on service projects. And then the truth of her inner brokenness smacked her in the face, first through her work as a missionary, and afterward through motherhood. *Embracing Weakness: The Unlikely Secret to Changing the World* is a story of vulnerability, of how one woman learned that before she could respond to the weakness of others she must first accept her own weakness as a gift, revealed in the Incarnation and Passion of Christ. Shannon shares how God led her to understand: Where we go wrong in our understanding of admitting weakness How we effectively numb ourselves to avoid the hard work of conversion What the Incarnation and Passion are really inviting us to do What belonging means for us, and how weakness brings us together How embracing weakness can transform our homes — and the world If you're ready for a vibrant spiritual life overflowing with mercy — experienced and extended — read *Embracing Weakness*.

Home for Christmas Youth Study Book Justin Coleman, 2018-09-18 Home for Christmas brings inspiring stories of hope and second chances into the Advent season. Author and pastor Justin Coleman matches real life stories of struggle and triumph to the Advent themes of hope, love, joy, and peace to show how the light of Christmas shines brightly even in hard times. Each chapter lifts up a scripture reflection alongside tales of men and women who reflect on the Advent themes with love and longing. Throughout each of the four chapters and the accompanying DVD for a small-group experience, Coleman captures the stories of formerly incarcerated men and women as they find work and opportunity through Homeboy Industries in Los Angeles, California. These men and women share their holiday memories and experiences in light of the hope and new life they've experienced at Homeboy. This Youth Study Book takes the ideas presented in the book and interprets them for young people grades 6-12.

Ptoxocracy M. C. Lohrmann, 2025-05-20 The call of the church is ptoxocracy, either as a witness and practitioner or as its ideal standard-bearer in the world. To have a meaningful stake in the lives of the poor, argues M. C. Lohrmann, would change the ways in which governance of all types--national or local municipalities, denominations, religious judicatories, and non-profit boards--determines its focus. Lohrmann defines ptoxocracy (derived from the Greek ptoxi, the poorest of the poor) as governance by the materially poor; a hybrid form of representative democracy whereby only persons of the lowest economic status are eligible for elected public office. This model, he contends, allows us to step back from the coupling of wealth and power created by myths of meritocracy and a rich ruling class to envision a system that works for the good of the whole. Looking to Scripture, Lohrmann follows the through-line of God's blessing of the poor in both the Hebrew and Christian canons. How might the kingdom of God appear if God's preferential option for the poor became the lens through which we organized our lives together?

Heaton draws on personal stories and research, including examples from Father Ed Dowling, SJ, spiritual advisor to Bill W., a co-founder of Alcoholics Anonymous, and others to illustrate the connections between this life-saving program and Ignatian Spirituality. Each chapter ends with reflection points based on Scripture that can help readers as they begin the work of each of the Twelve Steps.
