Aimed at beginning to intermediate language learners, this book introduces 25 stories from Myanmar in parallel Burmese and English versions presented on facing pages. It can be used as a reader in Burmese language courses or by anyone who simply wishes to enjoy stories from Myanmar, both modern and traditional, and develop a deeper understanding of Burmese language and culture. This elegantly illustrated volume is designed to help language learners expand their vocabulary as well as their listening and reading comprehension. The charming stories in the book include: Yangon Diary Aung Kyaw recounts a typical day in the bustling capital city of Yangon, including having breakfast in a teashop and battling the constant traffic jams. This chapter teaches key basic language for talking about our everyday lives. The Water Festival Zin Moe describes the New Year's celebration of Thingyan, when people throw water at each other and the whole country turns into one big water fight! The Sound of the Harp A traditional and tragic love story set in the ancient temple city of Bagan, which was the country's capital from the ninth to the thirteenth centuries. When a princess falls in love with a common harp player, the King is furious and barricades them in a cave to die. But to this day the sound of the harp can still be heard there on the night of a full moon. Free audio recordings of the stories are available online to help students improve their pronunciation and comprehension skills. Cultural notes and discussion questions reinforce an understanding of the stories, and bolster language skills. An overview of the Burmese script is also provided.

FOLKLORE and FAIRY TALES from BURMA Anon E. Mouse, 2017-01-29 The 21 colourful Burmese folk tales in this volume have been retold in English by teachers from the Phaung Daw Oo Monastic Education High School, Mandalay, Myanmar, formerly Burma. Accompanying the stories are 22 illustrations created by their young pupils. Herein you will find stories like THE CROW IS AS PROUD AS THE PEACOCK , THE THREE SISTERS, THE BLIND BOY, SHIN MWE LON AND MIN NANDA, THE GREEDY KING, A DISRESPECTFUL DAUGHTER and many more. Herein you will find stories like The Crow Is As Proud As The Peacock , The Three Sisters, The Blind Boy, Shin Mwe Lon And Min Nanda, The Greedy King, A Disrespectful Daughter and many more. As with most folk tales with Eastern origins, the stories have deeper meanings hidden beneath what, on the surface, may appear to be a simple story. The morals in these Burmese tales often reoccur in the

tales from other cultures'. Such universal themes include traditional family values and respect, still very much to the fore in a country that to a great extent has stood still in time. 55% of the net profit from the sale of this book will be donated to the Phaung Daw Oo Monastic Education High School, Mandalay to assist with teaching materials. These funds will assist the inspired school founders, Ven. U Nayaka and Ven. U Jotika, who, to date, have helped many underprivileged children benefit from a high standard of education.

To Myanmar with Love Morgan Edwardson, 2009 Beyond politics, little is known about Myanmar (Burma). Highlighting the country's great beauty and hospitality, these essays are reflections on such topics as helping a community library in New Bagan and eating breakfast with 2,700 monks in Mandalay. Adventurers and armchair voyagers will discover the secrets of savvy expatriates, seasoned travelers, and inspired locals.

TWO BURMESE FOLKTALES - Two Moral Tales from Burma (Myanmar) Anon E Mouse, 2016-05-02 ISSN: 2397-9607 Issue 84 ÿ In Issue 84 of the Baba Indaba Children's Stories, Baba Indaba narrates the Burmese tale of A SAD FATE - how a poor farm boy is taught to fish by a magical bird. So successful was he that he fed more than just his family. The king hears about his and asks the boy his secret. But did he tell the king the truth? Download and read the story to find out just what the boy said. Lookout for the moral of the story. The second story is FRIENDS - Four brothers are continually fighting until taught a lesson in unity and strength by their father. INCLUDES LINKS TO 8 FREE STORIES TO DOWNLOADS ÿ Each issue also has a WHERE IN THE WORLD - LOOK IT UP section, where young readers are challenged to look up a place on a map somewhere in the world. The place, town or city is relevant to the story, on map. HINT - use Google maps. ÿ Baba Indaba is a fictitious Zulu storyteller who narrates children's stories from around the world. Baba Indaba translates as Father of Stories. ÿ It is believed that folklore and tales are believed to have originated in India and made their way overland along the Silk and Spice routes and through Central Asia before arriving in Europe. Even so, this does not cover all folklore from all four corners of the world. Indeed folklore, legends and myths from Africa, Australia, Polynesia, and some from Asia too, are altogether quite different and seem to have originated on the whole from separate reservoirs of lore, legend and culture.

Burmese (Myanmar) John Okell, 2016-05-10 Burmese has two styles of speaking and writing: the colloquial style, which is used for talking to friends and for writing letters, and the literary style, which is used in more formal contexts, such as academic articles, newspaper reports, and narrative passages in fiction. This volume, the final book in a four-part Burmese language course, introduces learners to the literary style. It assumes a prior knowledge of Burmese script and a grounding in the colloquial style. Okell starts with simple sentences, and, over a series of short lessons, gradually increases the range of vocabulary and the level of complexity. The texts Okell uses for study are excerpts from Burmese children's schoolbooks highlighting themes of home- and school-life and Burmese nationalism and independence. Each passage is accompanied by a full translation and is followed by a set of exercises designed to familiarize the reader with the new vocabulary and sentence

structures. Accompanying audio files allow students to hear the texts read aloud. Language professors, their students, or those learning Burmese on their own will appreciate the accessible approach and the manageable size of the lessons of the very practical textbooks in this series.

General Ne Win's Legacy of Burmanization in Myanmar Saw Eh Htoo, Tony Waters, 2024-05-15 This book focuses on how Burmanization created and reinforced ethnic divides since the 1962 coup d'état. when General Ne Win concentrated all authority in the Burmese speaking army. Background research for the book includes Burmese language materials from the Burmese Socialist Party (BSP) and others that describe with what the BSP believed in their own terms. This is unique from previous works on the topic which either simply pointed out that the policies "didn't work" and therefore are uninteresting, or to claim that they were "necessary" given the chaos of the previous regime. The authors agree that Ne Win's policies "didn't work." However, the book goes further by elaborating why Burmanization policies developed in the 1960s are important for understanding Burmese society today. Most importantly, Ne Win's ideology reflects how patterns of interethnic relationships in Myanmar lead to the "intractability" of the battles in early twenty-first century Myanmar.

Buddhist Art of Myanmar Sylvia Fraser-Lu, Donald Martin Stadtner, 2015-01-01 A stunning showcase of exceptional and rare works of Buddhist art, presented to the international community for the first time The practice of Buddhism in Myanmar (Burma) has resulted in the production of dazzling objects since the 5th century. This landmark publication presents the first overview of these magnificent works of art from major museums in Myanmar and collections in the United States, including sculptures, paintings, textiles, and religious implements created for temples and monasteries, or for personal devotion. Many of these pieces have never before been seen outside of Myanmar. Accompanied by brilliant color photography, essays by Sylvia Fraser-Lu, Donald M. Stadtner, and scholars from around the world synthesize the history of Myanmar from the ancient through colonial periods and discuss the critical links between religion, geography, governance, historiography, and artistic production. The authors examine the multiplicity of styles and techniques throughout the country, the ways Buddhist narratives have been conveyed through works of art, and the context in which the diverse objects were used. Certain to be the essential resource on the subject, Buddhist Art of Myanmar illuminates two millennia of rarely seen masterpieces.

The Unheard Stories of the Rohingyas AKM Ahsan Ullah, Diotima Chattoraj, 2023-07-27 The 2017 persecution of the Rohingyas resulted in around a million Rohingyas fleeing to Bangladesh, India and Malaysia. This book investigates the complex challenges of managing the large-scale refugee exodus in Bangladesh and how best to resolve these challenges in

the future. Using a mixed-method approach that includes a survey, key informant interviews and numerous short case studies of persecution, the authors also examine the problematic influence of the media, as local depictions of Rohingya refugees often caused further tension and division in the midst of the refugee crisis. The book's analysis offers a deeper understanding of the causes and drivers of identity-based politics among Myanmar's Rohingya.

Historical Dictionary of Burma (Myanmar) Donald M. Seekins, 2017-03-27 Burma (Myanmar) is a Southeast Asian country that is emerging from crisis after more than a half century of hard-line military rule and cultural, diplomatic and economic isolation. With the dissolution of its military regime, the State Peace and Development Council, in 2011, a formally civilian but military-dominated constitutional government was inaugurated. By 2012, Burma's president, retired General Thein Sein, had established a working relationship with Daw Aung San Suu Kyi, the leader of the country's pro-democracy movement since 1988, and after a 2012 by-election she and members of her opposition party, the National League for Democracy (NLD), entered the new Union Parliament as legislators. However, even with the election victory of Daw Suu Kyi and the NLD in the General Election of November 2015, Burma faces daunting challenges: it is still one of the poorest countries in Southeast, fissured by longstanding ethnic conflicts that have made a nationwide peace agreement elusive and its people's security and the environment are threatened by foreign economic exploitation. Religious discord is also widely evident, as Buddhist militants instigate violence against the country's religious minorities, especially Muslims. Today Burma's prospects are the most hopeful they have been for over half a century, as the country takes steps along the road to a more open society and economy. This edition of the Historical Dictionary of Burma (Myanmar) encompasses not only current developments, but also Burma's over 1,500 years-old recorded history and the most important features of its cultures, ethnicity, religions, society and economy. This is done through achronology, an introduction, and an extensive bibliography. The dictionary section has over 700 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture.

The Other Ladies of Myanmar Jennifer Rigby, 2018-07-31 In Myanmar, Aung San Suu Kyi is often not called by her name. Instead, she is just The Lady, an honorific nickname that signifies her place in the collective imagination of her country. And from global human rights icon to Myanmar's de facto leader, she is certainly a towering figure. But The Lady's reputation has only tarnished in recent years in the face of the persecution of her country's Rohingya minority. In this new book, we present some of Myanmar's other ladies: women from across the social spectrum who are changing their country, and its perceptions of gender, from the ground up. From the artist who defied the junta to hand out sanitary towels at her exhibition, to the Muslim campaigner who has already spent a quarter of her life in prison; from the feminist Buddhist nun to the pop star who gets called a whore for performing; these are the voices of The Other Ladies of Myanmar.

Return of the Junta Oliver Slow, 2023-01-26 On the first day of February 2021, Myanmar's military grabbed power in a coup d'etat, ending a decade of reforms that were supposed to break the shackles of military rule in Myanmar. Protests

across the country were met with a brutal crackdown that shocked the world but were a familiar response from an institution that has ruled the country with violence and terror for decades. Return of the Junta is a detailed account of the ways that Myanmar's military - the Tatmadaw - has maintained control over its people despite a decade of supposed reform. In this detailed account, drawing on first-hand accounts from activists, journalists and politicians, Oliver Slow explores the measures the military has used to keep hold of power and the motivations of those now rising up against its rule. The book asks the question: what needs to be done to remove the military from power in Myanmar once and for all?
