**The Sacred Scriptures - Vol. II (Part 1/2)** Johannes Biermanski, 2016-12-16 The objective of "The Sacred Scriptures" by John Biermanski is to revoke all falsifications in today's Bibles known so far (in the Old and New Testament), and to restore the original state of the verses as far as possible. In the present work, you will find "The Acts of the Apostles" to "The Letter of Paul the Apostle to Philemon", in which the verses are written in German and English, as well as an appendix with various elaborations and statements, etc. (see the table of contents). There is both a German and an English edition in which the attachments are available in the respective selected language. This is an English edition. The author was born in 1963 in North Rhine-Westphalia and completed a traineeship for wholesale and foreign trade in a pharmaceutical wholesale company. In the course of his professional development, he used to be a freelancer but was also officially employed; he has experienced a lot rises and falls throughout his life. While studying the Scriptures, he was led by the Spirit of the only God, the Almighty and the only Holy Father in heaven, whereas, by grace, he could recognize many things that are now presented as heresies to the world. In recent years he has been active in the proclamation of the Word of YAHWEH Elohim (G-d) in Europe, Canada, particularly in Brazil (South America), and has enlightened many people by his message, so that they get to know the true God, His holy name and His will and only obey Him (Exodus 20:2-11; Leviticus chapter 19 and 23 etc.) – and start to think about all this, i. e. "so that they finally decide themselves in favour of the living Elohim (G-d): YAHWEH, instead of against Him, and their names are not erased from the divine 'Book of Life' forever."

**The Future of Our Nation** Alvin R. Ervin, 2021-08-30 This book is in the epistle form, written just as the Bible. When the apostles wrote letters to the various churches, those letters are epistles. Those epistles were not only written to those particular churches. They were also written to the entire body of Christ (the modern-day church today). This book is written in the same manner. It was written to a man of God whom I honored highly. He is no longer with us now. He was the president of Southwest Radio Church Ministries, but like all other epistles, it's also written to all churches, every person in this nation, and nations through the planet. It opens with my testimony with regard to how and when I became a Christian. It goes on support David Barton's material entitled *Our Godly American Heritage*. It encourages godly people to obtain this material and all videos and books Mr. Barton's ministry has to offer. I included excerpts from this particular video to whet the appetite of the people of the US and all readers of the book. David Barton brings forth information regarding our history. He issues statistics differentiating how things are currently after prayer is removed from all schools and life in this nation when prayer was prayed by our students at all levels, even our little ones. It made a great difference spiritually and in other ways in the lives of God's people. (I am reaching out to the president currently on Facebook with regard to this matter. See ARE

Outreach Facebook and Alvin Ervin Facebook if you like). This book also supports Vaughn Shatzer's material entitled A New World Disorder. He brings forth information regarding a new world order. We know this is in the work currently because President George H. W. Bush issued this statement to the American people in the late eighties, stating, "It is now time for a new world order." President Bill Clinton allowed Vice President Al Gore to make a statement on his behalf from England, declaring, "What was written with a quill pen is now outdated, we need to reinvent government." Our Constitution was written with a quill pen. There are those in this nation who are wanting to abolish it. But prayer is making a big difference. There are twenty-eight nations in Europe currently under one world currency. The book of Revelation reveals to us there will be one world order, meaning every nation on the planet will be under one world currency, one world military, and one world religion. But our prayer is that it does not occur until Christ raptures His church. This book concludes by informing God's people in this nation as well as nations throughout the earth that Christ is coming soon to catch His Bride away through the Rapture. The Word of God says in First Thessalonians 4:16-17, For the Lord Himself shall descend from heaven with a shout, with the voice of the Archangel, and with the trump of God and the dead in Christ shall rise first: Then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air and so shall we ever be with the Lord. God's Word says in Matthew 24:32-35 that the generation that sees the fig tree take on its leaves shall not pass away until all things are fulfilled. The nation of Israel is the fig tree, and it took on her leaves in 1948 after lying dormant over two thousand years when the Roman general destroyed the Jewish Temple in AD 70. It discontinued the Jewish way of life. This book also concludes by teaching God's people from the book of Revelation chapter 13 regarding the one world order.

King Charles III Mari Bolte,2023-03-14 As the eldest son of Queen Elizabeth II and Prince Philip, Charles was named heir to the British throne in 1969. When his mother died in 2022 after a seventy-year reign, Charles became the oldest person in history to take the crown. Known as the hardest-working royal, Charles spent his years as heir making an impact and

speaking out on many issues. He has always voiced his opinion on political matters, and he took a great interest in environmentalism long before it was a popular issue. Despite his activism and public service, Charles often found his personal life, including his divorce from Princess Diana and his decades-long romance with now-wife Camilla Parker Bowles, a topic of tabloid gossip. His decades of championing causes dotted with personal controversy leave the people of the British Commonwealth wondering what kind of king he will be. Learn more about his life, his background, and his career as a representative of the British monarchy.

**The King** Christopher Andersen,2022-11-08 From #1 New York Times bestselling author Christopher Andersen comes a vivid and unsparing yet sympathetic portrait of one of the most complex and enigmatic figures of our time: Charles, who has taken his place on the throne after being the oldest and longest-serving heir in British history. Since the day Charles Philip Arthur George was born, he has been groomed to be King. After more than seventy years of waiting, he finally ascends the throne. *The King* examines the private life of this historically important and controversial figure, set against the grand, thousand-year sweep of the British monarchy. This richly detailed biography covers it all, from his military training to his marriage to Lady Diana, through their separation and her tragic death to his marriage to Camilla Parker Bowles. In the process, it provides a balanced but fully honest look into the life of the new monarch. This book will tell you what the King—a man who has remained something of an enigma, shrouded in speculation and intrigue—is really like. *The King* is the first biography of Charles since he has become monarch and serves as an authoritative chronicle of his life.

*Gladiator* John D. Christian,2001-08 The movie *Gladiator* is a box office hit and promises to become a cinema classic. Winner of the Academy Award for Best Movie and Best Actor, *Gladiator* is a commercial success. But, is this movie -- and many others besides -- imbedded with powerful, hidden seeds of witchcraft and propaganda? Is there an evil elite using today's popular culture -- films, television, cartoons, music, sports -- to manipulate and control people's minds? Are you personally at risk?

Celebrity and the Environment Dan Brockington,2013-07-04 The battle to save the world is being joined by a powerful new group of warriors. Celebrities are lending their name to conservation causes, and conservation itself is growing its own stars to fight and speak for nature. In this timely and essential book, Dan Brockington argues that this alliance grows from the mutually supportive publicity celebrity and conservation causes provide for each other, and more fundamentally, that the flourishing of celebrity and charismatic conservation is part of an ever-closer intertwining of conservation and corporate capitalism. Celebrity promotions, the investments of rich executives, and the wealthy social networks of charismatic conservationists are producing more commodified and commercial conservation strategies; conservation becomes an ever more important means of generating profit. *Celebrity and the Environment* provides vital critical analysis of this new phenomena and argues that, ironically, there may be a hidden cost to celebrity power to individual's relationships with the

wild. The author argues that whilst wildlife television documentaries flourish, there is a significant decline in visits to national parks in many countries around the world and this is evidence that at a time when conservationists are calling for us to restore our relationships with the wild, many people are doing so simply by following the exploits of celebrity conservationists.

**Die Bibel (Teil 2/2)** Johannes Biermanski, 2020-07-07 Das Werk dieser Ausgabe der „Heiligen Schrift“ bestand darin, ein besseres und klares Verständnis bezüglich der Verse zu erreichen. Der Apostel Paulus hat teils sehr schwierig geschrieben, so dass es auch für Martin Luther nicht einfach war, die Übersetzung, die eigentlichen Aussagen in Satzkonstruktionen verständlich hervorzubringen. Kein Wunder, denn der Apostel Paulus, vorher hieß er Saulus, hatte seine Ausbildung als Pharisäer bei dem gelehrtesten und angesehensten Menschen, dem Pharisäer Gamaliel, erhalten. Daher kann man den Apostel Paulus auch als einen der besten Professoren neben seinem Lehrer der damaligen Zeit bezeichnen. Um daher ein vertieftes Verständnis der Aussagen der Heiligen Schrift zu erzielen, wurden die Texte nochmals überarbeitet sowie auch vermehrt Verse von anderen Übersetzern der Bibel in dieses Werk einbezogen. Ebenfalls sind in dieser Ausgabe zahlreiche historische Informationen sowie Aussagen der Reformatoren und anderen Personen enthalten, um zu entschlüsseln, was sich bisher im Dunkeln verborgen hat. Das Ziel dieses Werkes ist es auch, den Gläubigen beide Wege aufzuzeigen: Den Weg Gottes {Elohims} mit seinem heiligen Namen JAHWEH, der zum ewigen Leben führt, und den Weg der Welt, dem Gott dieser Erde, der ins Verderben führt und zur Verwerfung des eigenen Namens im „Buch des Lebens“, d. h., die Verurteilung durch das himmlische Gericht Gottes zum ewigen Tod und damit die Verfehlung der Erlösung!

**The Moralisation of Tourism** Jim Butcher, 2005-07-08 Tourism is no longer an innocent pleasure. It has been interpreted and reinterpreted as an activity which is ultimately damaging to receiving cultures and the environment. 'New' forms of tourism, such as ecotourism, alternative tourism, community tourism and ethical tourism, have been presented as morally superior alternatives to the package holiday, yet ironically, even advocates of these new, ethical tourism brands are increasingly subject to criticisms, not dissimilar to those they themselves level against package holidays. Using a host of international examples from the industry, the media and non-governmental organisations, this intriguing book examines what the advocates of 'new tourism' see as being wrong with mass tourism, looks critically at the claims made for the new alternatives and makes a case for guilt-free holidays. The only book on the market to provide a sustained critique of conventional mass tourism's own critics, Butcher offers a counterpoint to the moral rhetoric steadily turning travellers into guilty tourists.

*Die Heilige Schrift - Band II (Teil 2/2)* Johannes Biermanski, 2016-03-07 Die Heilige Schrift, 27. Ausgabe, Band II, hat das Ziel: Alle Fälschungen aus den heutigen Bibeln, die bisher bekannt sind, rückgängig zu machen und soweit es möglich ist, die Verse in den Ursprung zu versetzen. In diesem Werk befindet sich ‚Die Apostelgeschichte‘ bis ‚Der Brief des Apostels Paulus

an Philemon', wobei die Verse in Deutsch und Englisch geschrieben sind. Ebenfalls befinden sich im Anhang, der überwiegend in deutscher Sprache geschrieben ist, verschiedene Ausarbeitungen, um die Zusammenhänge besser zu verstehen und warum dies alles bis heute so gekommen ist. Es sind z. B. die Themen: „Die Lehre von der Dreieinigkeit, Noch ist Gnaden-Zeit, Hinter den Kulissen des Weltgeschehens, Martin Luther und der Sabbat, Die ewige Gültigkeit des Gesetzes, Der Stellvertreter Christi, Eine wunderbare Macht, Die Einsetzung des Sabbats, Der erste Wochentag, Verbindung von Kirche und Staat“ (siehe weiter im Inhaltsverzeichnis). Der Autor selbst wurde 1963 in Nordrhein-Westfalen geboren und hat eine Ausbildung als Groß- und Außenhandelskaufmann im Pharmagroßhandel absolviert. In seiner beruflichen Entwicklung war er selbstständig und auch als Angestellter tätig, Höhen und Tiefen ist er in seinem Leben durchgegangen. Geführt wurde er beim Studium in der Heiligen Schrift durch den Geist des alleinigen Gottes/Elohim, des Allmächtigen, dem einzigen Heiligen Vater, der im Himmel sitzt. Vieles durfte der Autor aus Gnade erkennen. Viele Irrlehren werden heute als Wahrheit an die Gläubigen und die, die Gott suchen, verkauft. Diese offiziell verkündigten Lehren widersprechen aber den deutlichen Aussagen der Heiligen Schrift und führen auf den entgegengesetzten Weg; sodass sie in Wirklichkeit den lebendigen Gott/Elohim nicht erkannt haben und das Ziel leider verfehlen: Sehet zu, daß ihr euch nicht verführen lasst, in die Irre führen lasst! In den letzten Jahren war er nach Europa verstärkt in Brasilien (Südamerika) in der Verkündigung des Wortes JAHWEH (G-ttes) tätig und hat viele Menschen mit seiner Botschaft aufgeklärt, damit diese den wahren G-tt/Elohim, seinen heiligen Namen und seinen Willen kennenlernen (2. Mose 20,2-11; 3. Mose 19 und 23 etc.). Das heißt, dass sie darüber zum Nachdenken kommen und ihre eigene Entscheidung treffen, wem sie in Wirklichkeit folgen und Ehre erweisen möchten.

*To whom the majesty of kingship has not been conferred* Samuel Tuominen, 2022-05-31 How did Sir Isaac Newton, the most important figure of the Scientific Revolution, believe in literal fulfillment of the biblical prophecies on the end-times? What did he say about the foretold Antichrist? What Paul really taught in 2 Thessalonians 2:3 on the revelation of the man of lawlessness? Will Rapture precede that or vice versa? How and why did Princess Diana think that her husband Charles, the Prince of Wales, was a murderer? How and why did she think that there was a conspiracy against her and that he would murder also her in a staged car accident? How does this relate to the biblical prophecies on the foretold Antichrist? Why so many students of the Bible prophecy have taught since the early 1980s that Prince Charles could be actually the foretold Antichrist? To many of us he seems superficially the most unlikely candidate for this role. But is he, in fact, the most likely candidate, based on the number of biblical prophecies on that man what Charles can fulfill more literally than any other presumed Antichrist candidate? How there is hardly any biblical prophecy on that man's foretold attributes that Charles cannot already fulfill one way or another? How has he taken lately a more prominent and visible political role? Why Joe Biden and many other world leaders follow the post-pandemic agenda called Build Back Better that Prince Charles launched in January 2020 at Davos together with the founder of World Economic Forum Klaus Schwab? Why does its expert Justin

Haskins think it represents the most significant threat to capitalism and individual liberty in more than a half-century. Why Prince Charles has been compared already with such bloodthirsty tyrants as Pol Pot, like Michael Rubin did in his op-ed in the Washington Examiner, an American conservative news website and weekly magazine? How Charles himself likes to compare himself with the cruel tyrants of the past centuries like Henry VIII? How the Book of Daniel foretold the whole world history of the last twenty-five centuries? How it relates to Prince Charles? Did Daniel see the history of the British Empire and its monarchy? Did he see something epoch-making to happen in 2023? What about the mysterious relic of the Middle Ages, called True Cross? And so much more in this book that one reader characterized as revolutionary.
