1 and 2 Thessalonians Through the Centuries Anthony C. Thiselton, 2020-06-22 This unique commentary on Paul's early letters by an outstanding New Testament specialist, provides a broad range of original perspectives of how people have interpreted, and been influenced by, Paul's first two letters. Addresses questions concerning the content, setting, and authenticity of the two Thessalonian letters, drawing on responses from leading scholars, poets, hymn writers, preachers, theologians, and biblical scholars throughout the ages Offers new insights into issues they raise concerning feminist biblical interpretation. Provides a history of two-way influences, as exemplified by Ulrich Luz, Hans Robert Jauss, and Hans-Georg Gadamer Written by Anthony Thiselton, a leading commentator on the Greek New Testament

[A Spiritual Renegade's Guide to the Good Life \(with embedded video\)](#) Lama Marut, 2012-06-05 Start a Revolution, Incite Happiness! Delivered with fearless candor and disarming humor, Lama Marut introduces a simple set of exercises that offers a revolutionary yet wholly practical approach to creating and sustaining happiness in a complex modern age. Integrating the ancient teachings of Tibetan Buddhism into the everyday grind, A Spiritual Renegade's Guide to the Good Life presents a fresh take on our quest for a joyful existence. Each chapter includes an action plan designed to elicit true happiness and forge a clear path toward fulfillment. You'll learn how to: • transform problems into opportunities; • set yourself free from fear and anxiety; • unburden yourself of past resentment; • create an action plan for true happiness. Further explore the concepts of a spiritual renegade lifestyle through Microsoft Tags within this book, which link to online videos of Lama Marut discussing each of his concepts firsthand. This book is bound to disrupt your suffering, disturb your dissatisfaction, and elicit a deep-seated contentment. Happiness is in your hands.

How to Grow In Christ and Measure Your Spiritual Growth Emmanuel Allotey, 2023-08-28 Christianity is a journey which requires spiritual growth with time. Spiritual growth is the process of becoming more and more like Jesus Christ through the help of the Holy Spirit. This growth process depends on the individual's study and application of God's Word and their walk with the Holy Spirit. No one becomes spiritually mature accidentally.

Cyber Worship in Multifaith Perspectives Mohamed Taher, 2006 Cyber Worship in Multifaith Perspectives, as is implied by its name, explores worship (i.e., Prayer, Praise, Scripture, Sacrament, Rituals, Confessions, Eucharist, Rites, Pilgrimages, Reflection, Contemplation, etc.) on the Internet. It is not an 'everything you need to know' guide about the

subjects of faith and belief, religions-online, religions on the Net, or religions in cyberspace. Rather, it is a book about religious and spiritual experience under the rubric, cyber worship, which is the variety of ways religious devotion is performed and carried out on the Internet. The term 'Cyber Worship' is a catchall phrase, which includes variants such as online worship, virtual worship, electronic prayer, cyber puja, cyber synagogue, and so on. Dr. Mohamed Taher has thus assembled a quick reference for two groups: those communities that are involved in Cyber Worship and business Webs that collaborate in sustaining wired environments. As such, this book provides an interesting and current perspective on a practice that will continue to grow in the future.

Essentials and Almost Essentials of Christianity Robin Wright, 2022-08-01 What does a person have to believe to be a Christian? With hundreds of different denominations and probably thousands of beliefs, are there some essentials that all people must believe in to be a Christian? An obvious answer to that is, yes. What are the essentials that people must believe in to be a Christian? The author answers that question with eight essential beliefs in part 1. Part 2 adds eight more beliefs that are almost essential. The third part of the book lists eight essential practices of Christians. As you read, question both the author and your own beliefs by searching the Scriptures.

The God Who Hears James Merritt, 2024-03-05 Praying for God's Power in Your Times of Need Life's storms serve as sharp reminders of our profound need for God's strength. But how do we pray when the trials we face bring us to our knees? And how do we cry out to God when we don't know how to put our heart's trouble into words? From author and pastor James Merritt, *The God Who Hears* is a 40-day journey designed to help you seek the Lord in every circumstance. Guiding you through the apostle Paul's prayers from prison, Dr. Merritt illuminates how these petitions and praises provide a model for communicating with God today, enabling you to draw nearer to him as you trust his perfect ability to meet your every need. No matter the challenges you face, *The God Who Hears* is an inspiring reminder of the power and privilege the Lord has given us through prayer. Rooted in Scripture, this encouraging devotional provides insightful teaching and practical takeaways, equipping you to pray through hardship with clarity and confidence.

Monthly Entries for the Spiritual but not Religious through the Year Mark G. Boyer, 2022-08-30 This is a book about spirituality for the spiritual but not religious. Those who identify themselves as spiritual but not religious make up one quarter of the population in the United States. This book provides 189 monthly entries based on the national and international celebrations that occur every month. Each entry begins with the name of the occasion and the date when it is marked during the month. A text from the Bible, a US public law, a presidential proclamation, a United Nations declaration, etc. that illustrates the day is presented. The text is followed by a reflection which gleans the spirituality from the text and provides historical background on the day being celebrated. Journal/meditation questions follow the reflection, and a prayer concludes the entry. This book is for the spiritual but not religious, a practice of spirituality that does not regard organized

religion as a valuable means to further interior spiritual growth. A section of the introduction to the book explores who the spiritual but not religious are and presents the common themes that surface from research about them.

The Spirit of American Liberal Theology Gary Dorrien,2023-09-05 The Spirit of American Liberal Theology is an interpretation of the entire U.S. American tradition of liberal theology. A highly condensed and far-more-accessible summary of Gary Dorrien's three-volume trilogy, *The Making of American Liberal Theology* (Westminster John Knox Press 2001, 2003, and 2006), Dorrien here presses the argument that the most abundant, diverse, and persistent tradition of liberal theology is the one that blossomed in the United States and is still refashioning itself. While discussions of English and German liberalism persist, new material includes expanded treatment of the Black social gospel, the Universalists, developments into early 2020s, and a robust expression of the author's post-Hegelian liberal-liberationist perspective.

Spiritual and Anabaptist Writers George H. Williams,Juan de Valdés,Angel M. Mergal,1957 An important volume of scholarship, this book presents a collection of documents previously little known and inaccessible to the English-speaking world. This volume includes writings of the Radical Reformation--Anabaptist and Spiritualist--as well as three treatises by Juan de Valdes as a representative of Evangelical Catholicism. Long recognized for the quality of its translations, introductions, explanatory notes, and indexes, the Library of Christian Classics provides scholars and students with modern English translations of some of the most significant Christian theological texts in history. Through these works--each written prior to the end of the sixteenth century--contemporary readers are able to engage the ideas that have shaped Christian theology and the church through the centuries.

The Collegeville Bible Commentary Robert J. Karris,1992 The Collegeville Bible Commentary is available in an affordable two-volume paperback edition. Special ease binding allows the volumes to lie open without assistance. Perfect for classroom use or personal study.

A History of Christian Psalmody Charles H. Cosgrove,2025-10-21 In *A History of Christian Psalmody*, Charles H. Cosgrove traces the history of Christian psalm-singing during the church's first five centuries. It describes the nature and

development of psalmody in a wide range of settings, including personal and domestic devotion, daily cathedral rituals, annual feasts such as Christmas and Easter, the ascetic practices of city Christians and desert monks, and public events of the church such as martyr parades, episcopal processions, and even protest psalmody in the streets against hostile emperors. It also explains how psalms were performed, including topics such as solo and responsorial singing, antiphony, the earliest choirs, and the melodic character of ancient psalmody. A final chapter describes ancient Christian beliefs about the benefits and pleasures of psalm-singing. Written accessibly for both scholars and general readers interested in ancient Christian music, the book offers the most comprehensive account of its subject to date.

Spirituality That Makes a Difference Charles R. Kniker, 2022-04-07 Want to make your life more meaning-FULL? Most of us do. This book is a guide offering ways to do just that. Charles Kniker brings fifty-plus years of listening as a teacher, preacher, observer, and writer to a conversation with you. With questions and real-life stories and solutions, he'll support you; it won't be a one-way model. The many forms of spirituality will help explore life's big questions and ultimate mysteries. With tomorrow's climate changes, pandemics, political extremism, and battered moral boundaries, we need a transformational spirituality, a spirituality deeper than a few dusty rituals, more reliable than snappy slogans from a smart phone. This book is for young adults searching for answers to major questions; mid-life seekers, thankful for family, friends, and faith, but needing more; and seniors whose traditional communities seem irrelevant. Chapters in Part One are on home, self, voices of influence, and healthy spiritual communities. Chapters in Part Two offer a "YESS" to life, through various ways of joyous Yearning, truth-seeking Education, Soul care (for yourself and others), and Service to a world of neighbors. Kniker passionately believes human DNA wires us to be spiritual—transforming dreams to become deeds.

English Spirituality Gordon Mursell, 2001-01-01 This wide-ranging historical survey provides an indispensable resource for those interested in exploring, teaching, or studying English spirituality. In two stand-alone volumes, it traces the history from Roman times until the year 2000. The main Christian traditions and a vast range of writers and spiritual themes, from Anglo-Saxon poems to late-modern feminist spirituality, are included. These volumes present the astonishing richness and variety of responses made by English Christians to the call of the divine during the past two thousand years.
