

The Flick Annie Baker

Amy Muse

The Flick Annie Baker, 2014 An Obie Award-winning playwright's passionate ode to film and the theater that happens in between.

The Drama and Theatre of Annie Baker Amy Muse, 2023-07-13 In the first book-length study of Annie Baker, one of the most critically acclaimed playwrights in the United States today and winner of the 2014 Pulitzer Prize, a Guggenheim Fellowship, and a MacArthur "genius" grant, Amy Muse analyzes Baker's plays and other work. These include *The Flick*, *John*, *The Antipodes*, the Shirley Vermont plays, and her adaptation of *Uncle Vanya*. Muse illuminates their intellectual and ethical themes and issues by contextualizing them with the other works of theatre, art, theology, and psychology that Baker read while writing them. Through close discussions of Baker's work, this book immerses readers in her use of everyday language, her themes of loneliness, desire, empathy, and storytelling, and her innovations with stage time. Enriched by a foreword from Baker's former professor, playwright Mac Wellman, as well as essays by four scholars, Thomas Butler, Jeanmarie Higgins, Katherine Weiss, and Harrison Schmidt, this is a companionable guide for students of American literature and theatre studies, which deepens their knowledge and appreciation of Baker's dramatic invention. Muse argues that Baker is finely attuned to the language of the everyday: imperfect, halting, marked with unexpressed desires, banalities, and silence. Called "antitheatrical," these plays draw us back to the essence of theatre: space, time, and story, sitting with others in real time, witnessing the dramatic in the ordinary lives of ordinary people. Baker's revolution for the stage has been to slow it down and bring us all into the mystery and pleasure of attention.

John Annie Baker, 2016 A haunting and quietly devastating new play by the Pulitzer Prize-winning author of *The Flick*
The Antipodes (TCG Edition) Annie Baker, 2018-09-04 The highly anticipated new play from the Pulitzer Prize-winning playwright of *The Flick*.

Sound Recording Technology and American Literature Jessica E. Teague, 2021-05-20 Phonographs, tapes, stereo LPs, digital remix - how did these remarkable technologies impact American writing? This book explores how twentieth-century writers shaped the ways we listen in our multimedia present. Uncovering a rich new archive of materials, this book offers a resonant reading of how writers across several genres, such as John Dos Passos, Langston Hughes, William S. Burroughs, and others, navigated the intermedial spaces between texts and recordings. Numerous scholars have taken up

remix - a term co-opted from DJs and sound engineers - as the defining aesthetic of twenty-first century art and literature. Others have examined modernism's debt to the phonograph. But in the gap between these moments, one finds that the reciprocal relationship between the literary arts and sonic technologies continued to evolve over the twentieth century. A mix of American literary history, sound studies, and media archaeology, this interdisciplinary study will appeal to scholars, students, and audiophiles.

Heroes of the Fourth Turning (TCG Edition) Will Arbery, 2023-03-14 “Flawless... A work of singular distinction, one for which the word ‘remarkable’ is an understatement. Arbery is a greatly talented writer who has given us a drama as exciting and challenging—nay, daring—as any new play I’ve ever reviewed.” —Terry Teachout, Wall Street Journal Finalist for the 2020 Pulitzer Prize for Drama Night. Wyoming. Four young conservatives have gathered to toast the newly inducted president of their tiny Catholic college. Their reunion spirals into spiritual chaos and clashing generational politics, becoming less a celebration than a vicious fight to be understood. On a dark night, in the middle of America, Will Arbery’s haunting play speaks to the heart of a country at war with itself.

Digital Costume Design and Collaboration Rafael Jaen, 2017-06-26 Digital Costume Design and Collaboration gives in-depth instruction on how to draw, render, and fully design costumes using online tools and software. Grounded in the use of Photoshop, the book explains the process of building a costume design from scratch, including information on digital tools and painting techniques. The book demonstrates how to utilize social media, such as Flickr and Pinterest, to compile research; how to create user-friendly web based slide shows; and how to archive digital files for portfolios and personal websites. It also demonstrates how to organize spec sheets, plots and inventories using Google Docs for easy editing and Dropbox for easy file sharing. A companion YouTube channel featuring video tutorials of exercises and applications compliments the book.

Yawn Mary Mann, 2017-05-16 The incisive and often hilarious story of one of our most interesting cultural phenomena: boredom It’s the feeling your grandma told you was only experienced by boring people. Some people say they’re dying of it; others claim to have killed because of it. It’s a key component of depression, creativity, and sex-toy advertisements. It’s boredom, the subject of *Yawn*, a delightful and at times moving take on the oft-derided emotion and how we deal with it. Deftly wrought from interviews, research, and personal experience, *Yawn* follows Mary Mann’s search through history for the truth about boredom, spanning the globe, introducing a varied cast of characters. The Desert Fathers—fourth-century Christian monks who made their homes far from civilization—offer the first recorded accounts of lethargy; Thomas Cook, grandfather of the tourism industry, provided escape from the mundane for England’s working class; and contemporarily, we meet couples who are disenchanted by monogamous sex, deployed soldiers who seek entertainment and connection in porn, and prisoners held in solitary confinement, for whom boredom is a punishment for crimes they may or may not have

committed. With sharp wit and impressive historical acumen, Mann tells the unexpected story of the hunt for a deeper understanding of boredom, in all its absurd, irritating, and inspiring splendor.

The Playwright's Toolbox Justin Maxwell, 2024-05-07 To an unusual degree among writers, playwrights' creations are not simply words on a page. Instead, a well-wrought play is an intricate machine that will be used by directors, actors, designers, and other creators to bring a fully staged, real-time performance into the world. The construction and maintenance of that machine is the playwright's job, and it requires an array of complex, interconnected skills and techniques. Enter Justin Maxwell and *The Playwright's Toolbox*, a stimulating and wide-ranging resource for both beginning and experienced dramatists. It brings together invigorating, provocative, and irreverent exercises contributed by nearly 60 leading English-language playwrights, covering all stages of the writing process. It offers an accessible roadmap for those who have never written a play before, while providing new angles and solutions for seasoned writers struggling with a particular challenge. Covered here is everything from generating ideas and world-building, through dialogue and plotting, to revision and the last steps before releasing a play into the world, making this an endlessly useful guide to building better plays.

INFINITE LIFE. ANNIE. BAKER, 2023

Arthur Miller for the Twenty-First Century Stephen Marino, David Palmer, 2020-02-27 *Arthur Miller for the Twenty-First Century: Contemporary Views of His Writings and Ideas* brings together both established Miller experts and emerging commentators to investigate the sources of his ongoing resonance with audiences and his place in world theatre. The collection begins by exploring Miller in the context of 20th-century American drama. Chapters discuss Miller and Eugene O'Neill, Tennessee Williams, Edward Albee, David Mamet, and Sam Shepard, as well as thematic relationships between Miller's ideas and the explosion of significant women and African American dramatists since the 1970s. Other essays focus more directly on interpretations of Miller's individual works, not only plays but also essays and fiction, including a discussion of *Death of a Salesman* in China. The volume concludes by considering Miller and current cultural issues: his work for human rights, his depiction of American ideals of masculinity, and his anticipation of contemporary posthumanism.

Staging 21st Century Tragedies Avra Sidiropoulou, 2022-06-16 *Staging 21st Century Tragedies: Theatre, Politics, and Global Crisis* is an international collection of essays by leading academics, artists, writers, and curators examining ways in which the global tragedies of our century are being negotiated in current theatre practice. In exploring the tragic in the fields of history and theory of theatre, the book approaches crisis through an understanding of the existential and political aspect of the tragic condition. Using an interdisciplinary perspective, it showcases theatre texts and productions that enter the public sphere, manifesting notably participatory, immersive, and documentary modes of expression to form a theatre of modern tragedy. The coexistence of scholarly essays with manifesto-like provocations, interviews, original plays, and diaries by theatre artists provides a rich and multifocal lens that allows readers to approach twenty-first-century theatre through

historical and critical study, text and performance analysis, and creative processes. Of special value is the global scope of the collection, embracing forms of crisis theatre in many geographically diverse regions of both the East and the West. Staging 21st Century Tragedies: Theatre, Politics, and Global Crisis will be of use and interest to academics and students of political theatre, applied theatre, theatre history, and theatre theory.

Standby Joshua Langman, 2022-05-18 Named an Outstanding Academic Title: Theater and Dance, 2023 Choice Reviews
A groundbreaking philosophy of design for the stage Standby proposes a practical philosophy of contemporary theatrical design that addresses all design disciplines, all theatrical collaborators, and all forms of theatre, from the traditional to the avant-garde. In a field that is too often dismissed as purely technical, Joshua Langman celebrates design as a transformative force with the power to elevate a performance and enable it to resonate beyond the bounds of its physical production. Beginning with the proposition that design contributes essential layers of meaning to an experience, Standby argues for a unique approach centered on the creation of revelatory theatrical moments. In a mission to illuminate the soul of the craft, Langman investigates the purposes of design, details the elements of a production concept, uncovers the mechanics of creating meaning, explores the relationship of theatrical design to fine art and art history, and offers practical guidance on designing productions. He also considers what has changed as designers have embraced digital technology and suggests fifteen concrete methods for preserving the magic of live theatre in a digital age. Blending scholarship and storytelling, personal experience and contrarian wisdom, Standby challenges theatre-makers to harness the rich dramatic potential of theatrical design. For additional information and supplemental materials, please visit www.standbybook.com.

Anglo-American Stage and Screen Drama Mike Ingham, 2023-11-27 Anglo-American Stage and Screen Drama analyses and discusses the contemporary role of stage and screen drama as a critical forum for progressive thinking in an increasingly polarised geopolitical world. The book addresses the cultural politics of socially engaged 21st century stage plays and films, and makes the case for drama as a sociopolitical forum, in which the complex and contentious issues that confront society can be explored and debated. It conceives of Anglophone political drama as a significant intervention in today's culture wars, representing the latter as a convenient distraction from the ongoing depredations of neoliberalism. In the main part of the book selected case-study plays and films from each of the first two decades illustrate drama's capacity to influence critical debate on social justice issues. All of the case-study texts under discussion express a powerful aesthetics of resistance to right-wing ideology, and promote inclusive and enlightened values. This broader orientation underlines drama's role as a channel for critical agency in today's putative post-socialist, post-democratic climate.

The World Almanac and Book of Facts 2022 Sarah Janssen, 2021-12-07 A 2021 USA Today Bestseller! Get thousands of facts at your fingertips with this essential resource: business, the arts and pop culture, science and technology, U.S. history and government, world geography, sports, and so much more.
