Engage Students Through Discussion | Digital Learning Services Engage Students Through Discussion Learning requires a social component, and much of what is enjoyable about teaching and learning is wrapped up in the exchange of ideas. This is true for in-person and remote instruction. In an in-person class, methods for creating an environment for engaging students can seem more intuitive, but that doesn't mean it isn't possible to also ... *Service Catalog | Digital Learning Services* Course Design Tools provides instructors with resources to develop pedagogically sound remote courses. This service includes the DLS Core Template, developed by Digital Learning Services using bCourses' built-in course construction and management tools. **Updated Zoom Integration Available for Fall 2020** As many Fall 2020 courses will utilize synchronous online instruction via the Zoom video conferencing platform, we are happy to announce the availability of a new Zoom integration for bCourses, which will be enabled on August 15th. This new integration will replace the existing integration, which will be removed at the same time.
