

Who Was Gavrilo Princip

Marcel Cornis-Pope, John Neubauer

Gavrilo Princip Peter Villiers, 2010 The Archduke Franz Ferdinand of Austria was shot dead, with his wife, in Sarajevo on 28 June 1914—a murder that could easily have been prevented. The First World War followed one month later. Who was the assassin, and what was his connexion to the Black Hand? What was the role played by the director of Serbian military intelligence, Colonel Apis; and what happened to the assassins? The shooting of an obscure Archduke in the Balkans led to the death of millions and the destruction of four empires. Why? And how is Princip a figure for our times?

Princip: About Himself Gavrilo Princip, 2022-11-28 The Members of Young Bosnia did not leave much written material behind them before or after embarking on the fateful assassination of Archduke Franz Ferdinand in Sarajevo, making it harder for us to understand their motivations and reasoning. *Princip: About Himself* is a set of stenographic notes taken by Dr Martin Pappenheim, who was Princip's assigned psychiatrist during his imprisonment in Theresienstadt (today Terezín in Czechia) prison-fortress. The notes include two short writings that Dr Pappenheim was able to get Princip to write about himself after much persuasion. In this edition, the translation of the two letters are included, as well as the German language original of the notes.

The Trigger Tim Butcher, 2014-06-03 From the author of *Blood River*: “A splendid book, part memoir, part history,” about the teenager who killed Archduke Ferdinand and sparked WWI (Norman Stone, author of *World War One*). Sarajevo, 1914. On a June morning, nineteen-year-old Gavrilo Princip drew a pistol from his pocket and fired the first shot of the First World War, killing the heir to the Austro-Hungarian Empire, Archduke Franz Ferdinand. Princip then launched a series of events that would transform the world forever. Retracing Princip's steps from the feudal frontier village of his birth to the city of Belgrade and ultimately Sarajevo, journalist and bestselling author Tim Butcher discovers details about the young assassin that have eluded historians for a century. Drawing on his own experiences in the Balkans covering the Bosnian War in the 1990s, Butcher also unravels the complexities and conflicts of this part of the world, showing how the events of that day in 1914 still have influence today. “Devastating yet strangely exhilarating.” —Publishers Weekly “Evocative and moving . . . [Butcher] reveals an intelligent and determined South Slav patriot who gave his life for the cause.” —Saul David, author of *Military Blunders* “Well-researched history . . . indelible personal recollections of the Bosnian war . . . piquant vignettes of traversing rural Bosnia on foot . . . Consistently appetizing and highly controversial.” —Dervla Murphy, author of *Full Tilt* “A

great book . . . to be recommended to professional and amateur historians alike.” —General Sir David Richards, former chief of the British Defense Staff

Bosnia Tony Fabijancic, 2010-02-25 Modern travel memoir spans history in trailing the ghost of Archduke Ferdinand's assassin and WWI's primary catalyst, Gavrilo Princip.

History of the Literary Cultures of East-Central Europe Marcel Cornis-Pope, John Neubauer, 2004-01-01 Continuing the work undertaken in Vol. 1 of the History of the Literary Cultures of East-Central Europe, Vol. 2 considers various topographic sites--multicultural cities, border areas, cross-cultural corridors, multiethnic regions--that cut across national boundaries, rendering them permeable to the flow of hybrid cultural messages. By focusing on the literary cultures of specific geographical locations, this volume intends to put into practice a new type of comparative study. Traditional comparative literary studies establish transnational comparisons and contrasts, but thereby reconfirm, however.

Terrorist Henrik Rehr, 2015-01-01 I am not a criminal, because I destroyed that which was evil. I think that I'm good.—Gavrilo Princip, October 23, 1914. This much we know: On June 28, 1914, a young man stood on a street corner in Sarajevo, aimed a pistol into a stalled car carrying Archduke Franz Ferdinand of Austria, and pulled the trigger. Within a few minutes, the archduke was dead, and Europe would not know peace again for five years. More than 16 million people would die in the fighting that came to be known as World War I. Little else is known about the young man named Gavrilo Princip. How could a poor student from a tiny Serbian village turn the wheel of history and alter the face of a continent for generations? Henrik Rehr's dark and riveting graphic novel fills the gaps in the historical record and imagines in insightful detail the events that led a boy from Obljaj to become one of history's most significant terrorist.

The Origins of the First World War James Joll, Gordon Martel, 2022-08-02 This thoroughly revised edition has been updated to incorporate recent case studies, biographies, syntheses, journal articles and scholarly conferences that appeared in conjunction with the centenary of the outbreak of the First World War in 2014. The original version of this work, published by James Joll in 1984, quickly became established as the authoritative introduction to the subject of the war's origins. Significantly expanded by Gordon Martel in 2007, this volume continues to offer a careful, clear, and comprehensive evaluation of the multitude of explanations advanced to explain the causes of the cataclysm of 1914, addressing each of the major interpretive approaches to the subject, with essay-like chapters addressing the alliance system, militarism and strategy, the international economy, imperial rivalries, the role of domestic politics and the 'mood' of 1914. This edition offers an extensive new introduction, a new conclusion (including 'ten fateful choices' that led to war), an entirely new chapter on the July Crisis, and a vastly expanded Guide to Further Reading. Covering over a century of controversy and

scholarship, *The Origins of the First World War* is a valuable resource for all students and scholars interested in this major conflict.

An International Rediscovery of World War One Robert B. McCormick, Araceli Hernández-Laroche, Catherine G. Canino, 2020-08-31 International contributors from the fields of political science, cultural studies, history, and literature grapple with both the local and global impact of World War I on marginal communities in China, Syria, Europe, Russia, and the Caribbean. Readers can uncover the neglected stories of this World War I as contributors draw particular attention to features of the war that are underrepresented such as Chinese contingent labor, East Prussian deportees, remittances from Syrian immigrants in the New World to struggling relatives in the Ottoman Empire, the war effort from Serbia to Martinique, and other war experiences. By redirecting focus away from the traditional areas of historical examination, such as battles on the Western Front and military strategy, this collection of chapters, international and interdisciplinary in nature, illustrates the war's omnipresence throughout the world, in particular its effect on less studied peoples and regions. The primary objective of this volume is to examine World War I through the lens of its forgotten participants, neglected stories, and underrepresented peoples.

Official Diplomatic Documents Relating to the Outbreak of the European War Edmund von Mach, 1916

The Ace of Lightning Stephen-Paul Martin, 2017-03-07 A collection of stories based on the assassination of Archduke Franz Ferdinand of Austria, which led to World War I Stephen-Paul Martin's *The Ace of Lightning* is a series of interconnected stories focused on a turning point in Western history: the assassination in Sarajevo of Archduke Franz Ferdinand of Austria which triggered World War I, and the mysterious circumstances that led Gavrilo Princip to shoot and kill the heir apparent to one of Europe's most powerful empires. Far from being a conventional work of historical fiction, Martin's collection asks readers to think about what truly constitutes history. What would the past look like if history was written under the influence of *Mad Magazine* and *The Twilight Zone*? What happens when the assassination in Sarajevo becomes "the assassination in Sarajevo," when Gavrilo Princip becomes "Gavrilo Princip," when the past and the present shape a textual future that looks suspiciously like a past that never was and a present that never is?
