## Edgar Eugene Robinson

*The foreign policy of Woodrow Wilson* Dorothee Bühner, 2008-04-09 Seminar paper from the year 2006 in the subject American Studies - Culture and Applied Geography, grade: 1,3, Martin Luther University, language: English, abstract: Since the foundation of the United States, there were different concepts and principles in American Foreign Policy which changed throughout the centuries. While these concepts stayed relatively the same until the beginning of the 20th century, they changed rapidly during the presidency of the democrat Woodrow Wilson. He was the 28th President of the United States from 1913 to 1921 and contributed to that change in a decisive way. This paper shows which concepts and principles conducted Wilson and influenced his Foreign Policy. To work out these concepts and principles I concentrate on two of Wilson's speeches after having presented the basic concepts that were of importance until 1913. Both speeches are outstanding declarations of his presidency. The War Message from April 1917 describes the end of American neutrality towards the European powers. It contains key sentences like "the world must be made safe for democracy" which were often cited later on. The second key document I examine is the Fourteen Points Speech of January 1918, which became Wilson's most famous speech. It constitutes the first statement about war aims of the Allies and therefore gives further information about Wilson's principles. This is followed by a presentation of the principles I found in these documents completed by some aspects of the scholarly discourse as well as arguments of Wilson's opponents.

**The Foreign Policy of Woodrow Wilson, 1913-1917** Edgar Eugene Robinson, Victor J. West, 1917

*President Wilson's Foreign Policy; Messages, Addresses, Papers* 1913- [From Old Catal U S President, 2025-05-22

President Wilson's Foreign Policy, Volume 2 offers a comprehensive look at the addresses, messages, and papers of Woodrow Wilson, focusing on his administration's foreign policy initiatives. This collection provides invaluable insight into the diplomatic strategies and decisions made during a pivotal period in world history. Covering key events such as World War I and the shaping of the post-war world, this volume reveals the complexities and challenges faced by President Wilson as he navigated international relations. Readers gain a deeper understanding of Wilson's vision for global peace and the principles that guided his foreign policy. This historical record serves as an essential resource for scholars and anyone interested in

American foreign policy and early 20th-century history. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Woodrow Wilson's Foreign Policy and Its Effect on World Peace Norman Hezekiah Davis,1930

*The Foreign Policy of Woodrow Wilson 1913-1917 (Classic Reprint)* Edgar Eugene Robinson,2018-01-06 Excerpt from The Foreign Policy of Woodrow Wilson 1913-1917 It has been the aim of the authors to present an account of the development of the policy followed by Woodrow Wilson in dealing with the foreign relations of the United States during the years 1913-1917, and to provide in convenient form the more important statements of President Wilson and his Secretaries of State in announcing and carrying forward that policy. No attempt has been made to write a history of the diplomacy or the period or to discuss with any thought of finality the multitude of questions that fill it. The paramount problems, the fundamental principles, the great decisions, - these only have been given extended treatment. Because the period was so filled with rapid changes it seemed essential to append a carefully selected chronology of the significant events in American foreign relations. In public discussions great stress has been put upon the events which preceded the entrance of the United States into the Great War and upon President Wilson's addresses and proclamations thereby called forth. The full understanding of the meaning of those utterances and of the implications of President Wilson's policy is to be found in the examination of the earlier and in some respects more significant period of his administration which preceded the Opening of the Great War. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

A Faustian Foreign Policy from Woodrow Wilson to George W. Bush Joan Hoff,2007-12-10 A Faustian Foreign Policy from

Woodrow Wilson to George W. Bush critiques U.S. foreign policy during this period by showing how moralistic diplomacy has increasingly assumed Faustian overtones, especially during the Cold War and following September 11. The ideological components of American diplomacy, originating in the late 18th and 19th centuries, evolved through the 20th century as U.S. economic and political power steadily increased. Seeing myth making as essential in any country's founding and a common determinant of its foreign policy, Professor Joan Hoff reveals how the basic belief in its exceptionalism has driven America's past and present attempts to remake the world in its own image. She expands her original concept of 'independent internationalism' as the modus operandi of U.S. diplomacy to reveal the many unethical Faustian deals the United States entered into since 1920 to obtain its current global supremacy.

*Wilson the Diplomatist* Arthur Stanley Link, 1963

*Woodrow Wilson and American Internationalism* Lloyd E. Ambrosius, 2017-06-16 In this new work, one of the world's leading historians of US foreign relations, Lloyd E. Ambrosius, addresses enduring questions about American political culture and statecraft by focusing on President Woodrow Wilson and the United States in international relations during and after World War I. Updated to include recent historiography as well as an original introduction and conclusion, *Woodrow Wilson and American Internationalism* features nine different essays closely linked together by the themes of Wilson's understanding of Americanism, his diplomacy to create a new world order in the wake of World War I, and the legacy of his foreign policy. Examining the exclusive as well as universal dimensions of Wilsonianism, Ambrosius assesses not only Wilson's role during his presidency but also his legacy in defining America's place in world history. Speaking to the transnational turn in American history, Ambrosius shows how Wilson's liberal internationalist vision of a new world order would shape US foreign relations for the next century.

*Woodrow Wilson* Michael R. Cude, 2023-07-28 This volume contributes to the Routledge Seminar Studies history series by providing a concise narrative overview of the ideas and foreign policy of Woodrow Wilson. It focuses on Wilson's response to the First World War and his efforts to formulate a new international system, while also outlining Wilson's policies toward different parts of the world. The book shows how Wilson shaped the direction of the 20th century in areas such as global governance, nationalism, decolonization, and international relations theory. In doing so, the book introduces the reader to the many debates over Wilsonian foreign policy. With a target audience of college undergraduates and non-experts, readers will gain a better understanding of Wilson's vision for the world, his administration's approaches to foreign policy, particularly during the First World War, and the global impact of his program.

**Foreign Affairs** Archibald Cary Coolidge, Hamilton Fish Armstrong, 1923 No. 3 of each year (1979- ) has distinctive title: America and the world.

**US Foreign Policy in Context** Adam Quinn, 2009-12-04 This work blends strategic analysis of contemporary US foreign

policy with long-term historical discussion, producing an important argument relevant to the debates surrounding both the merits of contemporary US foreign policy and the long-term trends at work in American political culture. Rather than a detailed historical study of the Bush administration itself, the book seeks to locate Bush within the historical context of the US foreign policy tradition. It makes the case for nationally specific ideological factors as a driver of foreign policy and for importance of interaction between the domestic and the international in the emergence of national strategy. The contemporary element focuses on critiquing the George W. Bush administration's National Security Strategy, perceived by many as a radical and unwelcome ideological departure from past policy, and its broader foreign policy, concentrating especially on its embrace of liberal universalism and rejection of realism. This critique is supported by the cumulative argument, based upon the historical cases, seeking to explain American leaders' persistent resistance to the prescriptions of realism. Quinn argues for some causal connection between historically evolved ideological constructions and the character of the nation's more recent international strategy. Providing a valuable addition to the field, this book will be of great interest to scholars in American politics, US foreign policy and US history.

*Woodrow Wilson School of Foreign Affairs* University of Virginia. Woodrow Wilson School of Foreign Affairs, 1947\*

**American Power and International Theory at the Council on Foreign Relations, 1953-54** David M.

McCourt, 2020-02-04 Between December 1953 and June 1954, the elite think-tank the Council on Foreign Relations (CFR) joined prominent figures in International Relations, including Pennsylvania's Robert Strausz-Hupé, Yale's Arnold Wolfers, the Rockefeller Foundation's William Thompson, government adviser Dorothy Fosdick, and nuclear strategist William Kaufmann. They spent seven meetings assessing approaches to world politics—from the “realist” theory of Hans Morgenthau to theories of imperialism of Karl Marx and V.I. Lenin—to discern basic elements of a theory of international relations. The study group's materials are an indispensable window to the development of IR theory, illuminating the seeds of the theory-practice nexus in Cold War U.S. foreign policy. Historians of International Relations recently revised the standard narrative of the field's origins, showing that IR witnessed a sharp turn to theoretical consideration of international politics beginning around 1950, and remained preoccupied with theory. Taking place in 1953-54, the CFR study group represents a vital snapshot of this shift. This book situates the CFR study group in its historical and historiographical contexts, and offers a biographical analysis of the participants. It includes seven preparatory papers on diverse theoretical approaches, penned by former Berkeley political scientist George A. Lipsky, followed by the digest of discussions from the study group meetings. *American Power and International Theory at the Council on Foreign Relations, 1953-54* offers new insights into the early development of IR as well as the thinking of prominent elites in the early years of the Cold War.

**Wilsonianism** L. Ambrosius, 2002-10-14 In *Wilsonianism*, American foreign relations specialist Lloyd E. Ambrosius has compiled his published and unpublished essays on Woodrow Wilson's liberal ideology and statecraft during and after World

War I. Although the president failed in his pursuit of a new world order, his legacy of Wilsonianism - the principles of national self-determination, economic globalization, collective security, and progressive historicism - continued to shape U.S. foreign relations throughout the American Century. Ambrosius examines the American roots of Wilson's liberal internationalism, the dilemmas and contradictions in his principles, and the problematic consequences of U.S. efforts to implement Wilsonian ideals without fully appreciating the world's cultural pluralism as well as its economic and political interdependence. Offering a pluralist variant of the realist tradition in international relations, Ambrosius stresses the centrality of power; but maintains that culture and political economy as well as military strength determine the balance of power within and among nations or empires. Consequently, he concludes, making the world safe for democracy has been more problematic in practice, both at home and abroad, than proclaiming Wilsonian principles in the abstract.

**American Foreign Policies** James Wilford Garner, 1928

**Ideology and U. S. Foreign Policy** Michael H. Hunt, 2009-04-28 This new edition of Michael H. Hunt's classic reinterpretation of American diplomatic history includes a preface that reflects on the personal experience and intellectual agenda behind the writing of the book, surveys the broad impact of the book's argument, and addresses the challenges to the thesis since the book's original publication. In the wake of 9/11 this interpretation is more pertinent than ever. Praise for the previous edition: Clearly written and historically sound. . . . A subtle critique and analysis.—Gaddis Smith, *Foreign Affairs* A lean, plain-spoken treatment of a grand subject. . . . A bold piece of criticism and advocacy. . . . The right focus of the argument may insure its survival as one of the basic postwar critiques of U.S. policy.—John W. Dower, *Bulletin of the Atomic Scientists* A work of intellectual vigor and daring, impressive in its scholarship and imaginative in its use of material.—Ronald Steel, *Reviews in American History* A masterpiece of historical compression.—Wilson Quarterly “A penetrating and provocative study. . . . A pleasure both to read and to contemplate.—John Martz, *Journal of Politics*

### Woodrow Wilson Foreign Affairs Introduction

Woodrow Wilson Foreign Affairs Offers over 60,000 free eBooks, including many classics that are in the public

domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Woodrow Wilson Foreign Affairs Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Woodrow Wilson Foreign Affairs : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Woodrow Wilson Foreign Affairs : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Woodrow Wilson Foreign Affairs Offers a diverse range of free eBooks across various genres. Woodrow Wilson Foreign Affairs Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Woodrow Wilson Foreign Affairs Provides a large selection of free eBooks in different genres, which are available for download in various

formats, including PDF. Finding specific Woodrow Wilson Foreign Affairs, especially related to Woodrow Wilson Foreign Affairs, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Woodrow Wilson Foreign Affairs. Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Woodrow Wilson Foreign Affairs books or magazines might include. Look for these in online stores or libraries. Remember that while Woodrow Wilson Foreign Affairs, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Woodrow Wilson Foreign Affairs eBooks for free, including popular titles. Online Retailers: Websites like

Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Woodrow Wilson Foreign Affairs full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Woodrow Wilson Foreign Affairs eBooks, including some popular titles.

### **FAQs About Woodrow Wilson Foreign Affairs Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality

free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Woodrow Wilson Foreign Affairs is one of the best book in our library for free trial. We provide copy of Woodrow Wilson Foreign Affairs in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Woodrow Wilson Foreign Affairs. Where to download Woodrow Wilson Foreign Affairs online for free? Are you looking for Woodrow Wilson

Foreign Affairs PDF? This is definitely going to save you time and cash in something you should think about.
